

The following is a conversation with a sophisticated JIDF shill that infiltrated an RT REDACTED group that I'm part of:

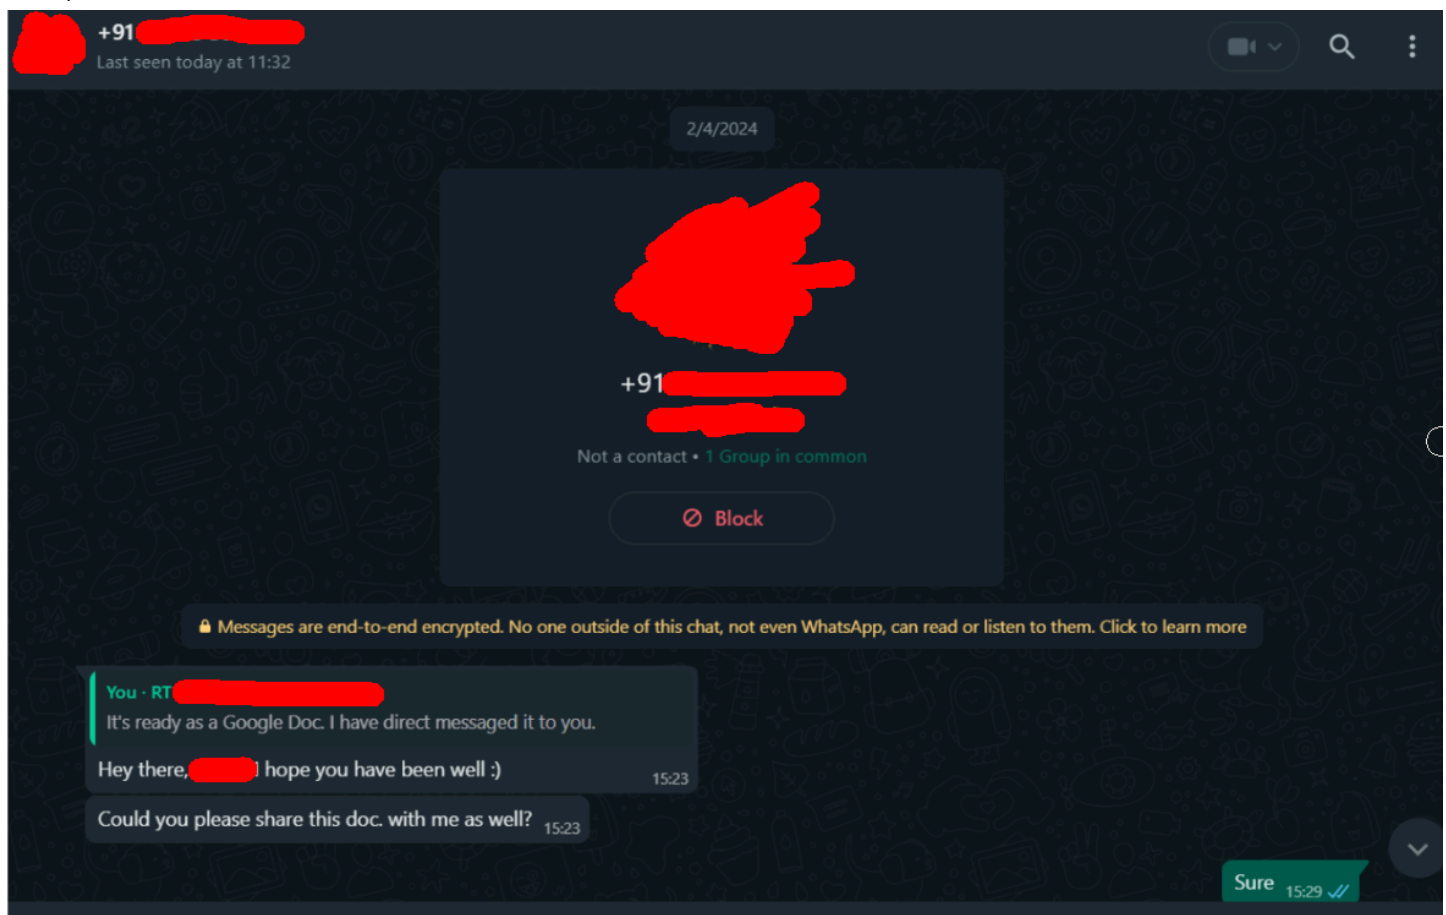

I posted this video <https://www.bitchute.com/video/MzTpx3Se2mo4/>

To which 2 other shills of the group of at least suspected 10 shills that have infiltrated into this group of around 150 students, immediately denounced the video as fake propaganda and posted the one of the kike AI-tools generated "proof" that shows the 40 Beheaded Babies image as "human generated", and of course started personal attacks as kike shills do.

But this one immediately messaged me trying to be "reasonable" and trying to debate. All the while his motive was to drop the Trump Card these JIDF shills have prepared to debunk it - The difference in Time Zones worldwide between the posting of the 4chan "dad works at centcom" anon's post and some @stellarman22 twitter account who is obviously a 4chan JIDF shill that took the 4chan post and tweeted it 4-6 hours later (and then Wayback machined it and deleted the tweet) only to tweet it many days later and claim that he is the one who in fact made the original puppy image "took me like 5 minutes on AI".

Let's go over the conversation step by step:

- 1) I post in group about my rebrand.ly/RussianHindiConnection document
- 2) The shill COMES TO ME, private messages me, to give him the link of the doc (I didn't post the link in the group (coz it's full of multiple mentions of the word "kike"). I give it to him.
- 3) Only after several interactions, do I begin to suspect him, since he has not commented one thing about the doc that he was SOOOO interested in reading when he first messaged me.
- 4)

[15:23, 2/4/2024] Shill: Hey there, Naarth India Saar. I hope you have been well :)

[15:23, 2/4/2024] Shill: Could you please share this doc. with me as well?

[15:29, 2/4/2024] Naarth India Saar: Sure

[15:29, 2/4/2024] Naarth India Saar: rebrand.ly/RussianHindiConnection

Statutory warning, i have extreme ideas about the reality of India. If you look in the various other linked documents, you might not like what you read, but it is all what i believe is the truth. This doc at the beginning of the doc, shows mostly the Russian Sanskrit/Hindi words.

[15:29, 2/4/2024] Naarth India Saar: Since you are learning Russian, please do comment in the Doc with other words similar between Sanskrit/Hindi and Russian and I will add them to the doc.

[15:51, 2/4/2024] Shill: Certainly and thanks for providing the link.

[16:55, 4/4/2024] Shill: Never heard about 4Chan. What is it? Could you please share a link to the website or maybe explain about it a little.

[17:01, 4/4/2024] Naarth India Saar: Don't go there bro. For now, just try and read the doc i sent, it has safe "Archived" links of 4chan discussions. It is a nasty place, and without having your shields up, your mind will get demolished there.

[17:06, 4/4/2024] Naarth India Saar: For now i will suggest you try this archive site

<https://archive.4plebs.org/pol/> Any topic you want to know truth about, just search it in the search bar. Beware that, even though it is a safe archive, and you won't encounter the shills/trolls whose professional purpose is to disillusion and demoralize you, you will still read their archived past comments. 90% of the comments there are by liars/shills (hired by jews). That's all i'll say for now. But it is better you start with my doc, go through as many links as you can in it for a more "guided" tour of 4chan.

[17:34, 4/4/2024] Shill: Thanks NIS_ for the heads-up. I really appreciate it.

[17:34, 4/4/2024] Shill: Yes sure. I will follow your advice thoroughly. Thanks once again.

[17:35, 4/4/2024] Shill: By the way may I know what you do in general? Are you a student, journalist, or a working professional?

[17:36, 4/4/2024] Naarth India Saar: I've spent most of my career as REDACTED, but i love writing and geopolitics. I used to love watching movies and wanted to become a filmmaker, until i learnt that it is ALL lies. Now i watch them to spot the lies, detect the propaganda that jews want to spread (not just in Hollywood, but also Indian Film Industry) including Netflix (especially Netflix) and then i simply INVERT what they want me to think, to know what the truth is.

[17:41, 4/4/2024] Naarth India Saar: For example, have you thoroughly seen any of these shows: The Office, FRIENDS, The Big Bang Theory, That 70s Show, Young Sheldon?

[17:51, 4/4/2024] Shill: I have watched a few episodes of The Office (US Version), Friends and The Big Bang Theory. And two or three seasons of Young Sheldon but I am afraid to say that I have never seen these shows from a political lens or ever felt that these shows purpose is to spread some kind of propaganda or promote a certain agenda for that matter. It may be so due to my lack of knowledge in geo-politics. I had turned blind eyes towards world politics my whole life. I used to think it's sheer waste of time following the nonsense political crap until very recently I changed my mind and now I am pursuing this online course in Journalism.

[17:58, 4/4/2024] Naarth India Saar: Hmm, then i can't ask any follow up questions i intended, since you've not been exposed to the propaganda fully in ALL these shows. Yes, fren, ALL mainstream movies and TV shows (especially TV shows with multiple seasons) are designed to instill bad ideas in your head (not just politics, but to break your spirit, and introduce wrongthink). Propaganda is not just about politics. Politics and politicians are just a very small part and they are all puppets. But still, since you've seen Young Sheldon most of all the above, I'll ask, "how does the show make you FEEL?"

[19:17, 4/4/2024] Shill: I am sorry, if I sound so naïve and childish (though I am REDACTED years old) but I will be honest with you.

I don't remember much from the Young Sheldon. I guess I will just have to re-watch all these shows from a different lens and an open mind.

However the gist of whatever little I can recall from the show is: it made me feel that I should be rebellious like if I am 100% certain about something then it's fine to go to any extreme to accomplish that thing then it doesn't matter how many rules I break along the way and how many people get hurt, etc. I also feel that show looked down on women in certain ways. Don't know hat else to say. Sorry.

[19:17, 4/4/2024] Shill: I am doing a shit job and stay at home all day. I guess there are zero perks of being introverted and staying isolated from the whole world. I approached you because I really liked the way how you form your sentences and pitch your ideas in the group. I am certain that you are just talking casually in the group, you can even further express yourself in more professional way. I believe it comes all naturally to you now after working REDACTED. It's like you can read people's mind. I ...

[19:17, 4/4/2024] Shill: I am not looking for your response to whatever I just shared above. I just felt like opening up for my own good.

It's completely alright if you don't say anything. A little request however 🙏 if you, (Shill names another Shill's name here) and others (-few people) form some kind of unofficial group then please let me in as well. I will

quietly learn from you guys and contribute to discussion once in a while as per my understanding of the any given topic at hand.

[20:14, 4/4/2024] Naarth India Saar: english is the weakest of all Indo European languages. Since, you already know Hindi, you're already a frontrunner in the world. In order of ChadNess, one should learn the following:

- 1) Sanskrit
- 2) Russian
- 3) German

english is the language the enemies of humanity created to dumb us all down. In no way is it a flex. It should just be looked as a convenient established "common" language of communication with new people you meet anywhere in the world.

[20:16, 4/4/2024] Naarth India Saar: Why form groups, join, leave, beep beep notification tone all day long, be an individual, do your own thing, you can always talk to anyone in a direct message, maybe an interesting conversation lasts for an hour, then you forget and don't need to leave any "group"

[20:17, 4/4/2024] Shill: It's very motivating. I remember you mentioned you are learning Russian these days. Right?

So, I was wondering if you know Sanskrit as well?

[20:18, 4/4/2024] Shill: Okay, I got your point and I agree with you.

[20:20, 4/4/2024] Naarth India Saar: How did you get any "rebellious" inspiration from Young Sheldon, there's no such messaging in there.

You're right in spotting the "oh the mother has to just work in the house (looked down upon)" thing, but you don't realize that it is the natural order for women to be excellent housemakers. Nobody likes to work, least of all a housewife that can sit at home comfortably and do minimal work (but very important work, raising kids, teaching them well, keeping the house ship shape and managing household finances, this requires homescience and not the one taught in "vocational" colleges. Anyway, this is way in tangent and a very minor propaganda element of the show.

[20:22, 4/4/2024] Naarth India Saar: Since it's devnagri and 90% the same as hindi, we ALL know it. However to know it 100% is a very difficult task and may require years of learning and reading. No i have not started this process, yet. My aim is to establish my theory firmly and compile proof for Russian authorities to take action. For that I need to learn Russian and German first.

[20:24, 4/4/2024] Naarth India Saar: Once you understand propaganda, this claim/fact should be demotivating actually. That a weak language has been made the world language. By whom? For what? How?

[20:25, 4/4/2024] Naarth India Saar: Had Russian or German been the "common" global language, this paragraph would have been 3 times shorter and much better expressed for you to get the idea immediately.

[20:26, 4/4/2024] Shill: Excellently put. I remember this incident where Young Sheldon was kind of disrespectful to his teachers and even to her own mother. And made a reminder rocket inside his home and tested it inside if I remember it right and there were other instances as well which made me feel that way but I could be wrong.

[20:27, 4/4/2024] Shill: I see. So you are learning Russian right now and after that I suppose you would start learning German. Right? By the way how are you learning Russian if I may ask? From text books, YouTube videos or language learning apps?

[20:28, 4/4/2024] Naarth India Saar: One incident doesn't equate to Le Show was about Rebellion. The primary propaganda in the show was about:

- 1) Fudging science
- 2) Making you think jews did any real scientific discoveries at all (einstein einstein eisntein x 1000)
- 3) Promoting pedophilia

and 20 other points but these three come to the fore.

[20:29, 4/4/2024] Naarth India Saar: RussianLessons.net and Duolingo.

[20:47, 4/4/2024] Shill: Now that you have pointed out these points I think you are not wrong. In the second point you are trying to say that the show just focused on the accomplishments of Einstein only and ignored other Jews contribution in the field of science. Right?

[20:47, 4/4/2024] Shill: I tried asking two popular AI engines. One straight up denied to comment on anything and the other one provided this response.

[20:53, 4/4/2024] Shill: Good choice.

[20:57, 4/4/2024] Naarth India Saar: No, there are no "jew" scientists, especially not einstein. They all stole ideas from aryan scientists, especially einstein. Well there may have been one or two here and there, but in no possible scenario were there these many. That's the truth, and all movies, tV shows' designed propaganda is to make you think the opposite (which you just stated and you do think)

[21:08, 4/4/2024] Shill: Now I understand what you were actually trying to say. And no I do not have any preference towards Jews or to the fact whether they contributed in the field of science or not. I was just trying to understand what you actually meant there. I rephrased my words according to the response received from Google Gemini.

[21:11, 4/4/2024] Naarth India Saar: You think AI will tell you any answers? Well yeah, but not the free ones available online. You'll need to custom build one using plugins and all sorts of configs, but people do do that, there are youtube tutorials for that.

[21:16, 4/4/2024] Naarth India Saar: Anyway, you've only seen 1 show partly, so anyway, yeah, do read the original google doc and let me knw if you have any thoughts on that, and best of luck on your 4chan journeys if any, may truth find you!

[21:19, 4/4/2024] Shill: No. I know that these free AI tools are loaded with the biases of white people and cannot give me the actual facts and tell me about the ground reality but I think it can be useful to understand something which you don't know as in for the purpose of learning general stuff. (Ex: rephrasing a complex passage which you don't understand, a mathematical problem, a particular piece of code, etc.)

[21:21, 4/4/2024] Shill: Yes, I will let you know if something piques my interest or when something changes my entire way to perceive this world. Thanks for the best wishes 😊

<<<<At this point, I ask shill in the group to tell me about some unique way to block YouTube ads on my smartTV>>>>

[19:25, 5/4/2024] Shill: <https://t.me/SmartTubeNewsEN>

Check out this channel. It's YouTube (ad-free) for Android TV.

[19:26, 5/4/2024] Naarth India Saar: I don't have Android TV unfortunately, i have this Sony Bravia that can now only install 4 apps.

[19:28, 5/4/2024] Shill: I see but can't you uninstall these apps using ADB?

[19:30, 5/4/2024] Shill: Care to share your Sony Bravia model version!

[19:31, 5/4/2024] Naarth India Saar: Oh cool, lemme check the model number then

[19:39, 5/4/2024] Naarth India Saar: Sony Bravia KDL-32W700B

[19:39, 5/4/2024] Naarth India Saar: 2015 model

[20:20, 5/4/2024] Shill: Unfortunately not possible. You will have to use an Android box. Also it seems like Sony has wrapped up its business from the Asian market.

[20:21, 5/4/2024] Naarth India Saar: Total rug pull. Never buying Sony again.

[20:36, 6/4/2024] Naarth India Saar: Have you ever been in a GD - Group Discussion? How everyone tries to speak something, anything, just in order to get noticed?

[20:36, 6/4/2024] Naarth India Saar: That's what is happening to (I state another Shill's name here, to test if this Shill is also a shill, the "another shill" was posting nonsense on the group, trying to create divide between India and Pakistan, as all kike and their draviidan subcontractor shills do here on 4chan)

[21:06, 6/4/2024] Shill: You are absolutely right. He was just being annoying, mean, and disrespectful for no particular reason. Anyways, I appreciate your stand on this situation. Respect 🙏

[21:22, 6/4/2024] Naarth India Saar: I had fun. Some are annoying when they do the GD Bakshi thing, but he was insistent on being annoying, so i had fun with him.

[21:22, 6/4/2024] Naarth India Saar: 😊

[22:19, 6/4/2024] Shill: Good thinking 😊

<<<<And after the above nonsense "get to know ya, small talk" the shill comes out to solve his main purpose for "contacting me" in the first place. I post my video of the truth of the kike's 40 Beheaded Babies propaganda on the group, and he contacts me, full of gusto now>>>>

[19:19, 8/4/2024] Shill: Wait could you tell me why the video is not playing on YouTube? Is it because you used copyright music or why?

[19:20, 8/4/2024] Shill: Also tell me about this 40 children image which you wanted to find but couldn't. Tell me bit more about this maybe I can find it somewhere.

[19:21, 8/4/2024] Shill: WhatsApp preview seems to be working in my case.

[20:16, 8/4/2024] Naarth India Saar: I posted the 2 images, if you reverse search them, you'll probably find them online. But if you try to search "40 beheaded babies" you won't get the search results that show these images. It was basically the main reason the kikes used to commit the genocide in Gaza.

[20:17, 8/4/2024] Naarth India Saar: It was immensely shilled and pumped all over the internet for 1 week sometime in november 2023

[20:22, 8/4/2024] Shill: And this one!

[20:23, 8/4/2024] Naarth India Saar: I've explained in the message itself

[20:23, 8/4/2024] Naarth India Saar: Thank you Ivor Crotty (Stage 1 Lesson 8) for helping me find the undeniable truth for myself by using the InVID tool you suggested.

Chrome Plugin of InVID:

<https://chrome.google.com/webstore/detail/fake-video-news-debunker/mhccpoafgdgbhjhkcmgknnndkeenfhe?hl=en>

I quick edited a small dedication video, in shame of the most shameless of all recent lies, and in memory of the most inhumane of all atrocities that followed the lie.

I consider this one Lesson fruit enough for me for joining the entire course.

[20:23, 8/4/2024] Shill: So due to the music. Right?

[20:25, 8/4/2024] Naarth India Saar: Nope. Those 2 songs are Russian, even if they are somehow owned by a private party, it is most unusual to claim for such an obscure and almost never heard song as Hymn of the Cherubim. Furthermore, even if you use the most recent popular big songs, most of the times, YouTube just blocks you from monetizing the video, and instead marks the copyright music owner as the beneficiary of the monetization, and allows you to post the video. But this never happens, this is the first time I have seen a message on upload "Your video will not be seen by anyone".

This is not at all due to the music tracks. It is due to the tags i added "Ben Shapiro" "Jews" "Lies" "Gaza" "Genocide" "40 Beheaded Babies" "Hell"

[20:26, 8/4/2024] Naarth India Saar: So basically the kikes are saying "you can't say anything about our crimes"

[20:27, 8/4/2024] Naarth India Saar: That [Name of the Main Shill Handler of the group of 10 shills] account is a JIDF shill I can guarantee you 100%. And right now his handler is the one operating the Singh account, not the south indian dravidian subcontractor shill that usually posts dumb shit. The last message by this account reeks of a JIDF handler's language.

[20:29, 8/4/2024] Naarth India Saar: Anyway, fuck the kikes, look at this, as a retort to that other retard (name of the nonsense-posting shill from earlier), i went ahead and etymology-ed the heck out of the Russian audio in Lesson 2.

Russian Transcript of Full Audio (30 minutes)

The first first para is toota foota Original Sanskrit

The first para is fully completely manually written Hindi/Urdu in roman enemy-letters by me

The second para is partially-corrected (only AI listening errors correct) direct from notta.ai Russian transcription of the audio.

Third is english literal unedited fully-automatic AI transcribed by Notta.ai + Google Docs add-on translate in a special plugin that allowed Hindi as bridge language.

Fourth is english manually translated by the RT Staff and put in subtitles on the video.

[20:30, 8/4/2024] Naarth India Saar: If this is not conclusive proof that Russian originated from Sanskrit/Hindi and that Russia was the first Aryan nation outside of India, then I don't know what is.

[20:30, 8/4/2024] Naarth India Saar: This is the actual reason the kikes hate Russia so much. They know this. They are the ones who invented the fake english language along with their collaborator dravidians, in order to hide this link.

[20:33, 8/4/2024] Naarth India Saar: Well this means that I simply must post the original and the fake images side by side for all to see.

[20:33, 8/4/2024] Naarth India Saar: A simple question is this, if that image posted by Kike ben shapiro is real, what is this image? Is this image fake?

[20:34, 8/4/2024] Naarth India Saar: But i don't want to argue with that [Main Shill Leader's Name] JIDF shill and spoil the atmosphere on the board. I'd wreck him, but i'll also unnecessarily polarize the board, because 3-4 more shills will drop (i have identified who they are) and all kinds of nonsense will get posted.

[20:35, 8/4/2024] Naarth India Saar: I'm surprised the admins haven't kicked out the [Main Shill] account yet. Surely they must be aware of what is going on.

[20:45, 8/4/2024] Shill:

<https://adversa.ai/blog/aljazeera-fake-news-investigation-burned-babies-and-an-ai-generated-dog-images/>

Do you think this article is just BS?

[20:46, 8/4/2024] Naarth India Saar: Yes. If you're gonna study journalism and rely on kike-media rather than using the tool you were just taught in Lesson 8, then what hope is there of you ever finding out any truth?

[20:48, 8/4/2024] Naarth India Saar: The video i made clearly explains with side by side forensic analysis using the InVID tool.

[20:48, 8/4/2024] Naarth India Saar: Furthermore, what is your answer to this question?

[20:48, 8/4/2024] Naarth India Saar: This one

[20:49, 8/4/2024] Naarth India Saar: Is this image fake? [The Puppy image posted by centcom anon]

[20:49, 8/4/2024] Naarth India Saar: Well if the other one is real, as you're so convinced, then this puppy image must be fake, right?

[20:52, 8/4/2024] Shill: Why are you so always keen on jumping to conclusions mate? I never said that which one is real or which one is one fake. That supposed blacked burned image of the baby definitely looks fake but I am also not sure about this dog picture either.

[20:52, 8/4/2024] Naarth India Saar: Well, buddy, googling "is the 40 beheaded babies image fake?" is not a superpower

[20:52, 8/4/2024] Naarth India Saar: Any damn fool can do that, and that is why the world is so retarded

[20:53, 8/4/2024] Naarth India Saar: KNOWING which image is fake and which one is real is a superpower

[20:53, 8/4/2024] Shill: Something seems off about this dog puppy image too. Please give me some time to do my own research. Then I will tell you what I genuinely think. Okay?

[20:53, 8/4/2024] Naarth India Saar: AND ARGUING, even when presented with clear evidence, is beyond retarded. You're sending me some kike website "oh it's fake" report as a valid argument after seeing the video?

[20:54, 8/4/2024] Naarth India Saar: Fine, I can respect that attitude.

[20:54, 8/4/2024] Naarth India Saar: Will look forward to seeing your conclusion and some work.

[20:58, 8/4/2024] Naarth India Saar: But before you apply superpowers of reasoning and try to find the puppy image online, first answer this simple question.

[21:05, 8/4/2024] Naarth India Saar: I await your work. reasoning and conclusion about your suspicion of the puppy image.

[21:06, 8/4/2024] Naarth India Saar: As I've explain to you in the beginning you can use archive.4plebs.org to search the post number (visible clearly in the video).

[21:06, 8/4/2024] Shill: Yes, I am aware of that. Thanks.

[21:06, 8/4/2024] Naarth India Saar: But to save you the trouble, here is the image from the 4chan thread

[21:07, 8/4/2024] Shill: Appreciate it.

[21:07, 8/4/2024] Naarth India Saar: You can even visit this image and read the "Debunks" some JIDF shills might have made to this image, if you want ideas to do just that. But if you read the whole thread and many other threads by searching "40 beheaded babies" on archive.4plebs.org you'll know that the puppy image is real. You don't even need to read the threads first of all, you just need to look at Lesson 8, go to the InVid plugin and test the two images yourself.

[21:08, 8/4/2024] Naarth India Saar: Here are the two images for your reference.

[22:37, 8/4/2024] Shill: [Nonsense Posting Shill's name] is a girl proved today. Who cries in a group of odd 120+ people like that.

[22:37, 8/4/2024] Naarth India Saar: Not just girl, he's a faggot, and I bet he's part of the 4-5 shills' group i have identified

[22:38, 8/4/2024] Naarth India Saar: You can clearly see that [Main shill's name} account is the one that instigated this, which will be clear to you once you come to the right conclusion about the Puppy Image being real.

[22:38, 8/4/2024] Naarth India Saar: And I already mentioned to you 1 hour ago that the shills are itching to start a ruckus, this is exactly what happened

[22:39, 8/4/2024] Shill: Yeah seems like you were right all along ❤️

[22:39, 8/4/2024] Naarth India Saar: He's still kvetching, i'm not gonna reply, so if you can, back me up

[22:39, 8/4/2024] Naarth India Saar: If I reply I will look bad

[22:41, 8/4/2024] Naarth India Saar: Here's the convo with him

[22:43, 8/4/2024] Naarth India Saar: Tell him the obvious answer "if you have a problem with someone direct messaging you, then use the block button, instead of crying on the group chat"

[22:51, 8/4/2024] Naarth India Saar: 😊

[22:52, 8/4/2024] Shill: 🤔🤔

Man you are damn creative 🤩 Gotta be the meme of the day 😂

[22:52, 8/4/2024] Shill: Yea, he was just trying to make you look bad and nothing else.

[22:53, 8/4/2024] Naarth India Saar: It's not just 1, there's at least 5 of them who are onto me because they know I'm onto them

[22:54, 8/4/2024] Shill: You have become quite popular just in few days.

[22:55, 8/4/2024] Naarth India Saar: It's nto about me at all. You're not seeing what's really happening here.

[22:55, 8/4/2024] Naarth India Saar: JIDF hired shills are trying to create animosity here. Plain and simple.

[22:57, 8/4/2024] Shill: Yeah, it's possible. If that's the case then it's kinda scary 😬

[22:59, 8/4/2024] Naarth India Saar: Now multiply that with 1,00,000 and that's how many shills the JIDF hires in south india just for India.

[23:00, 8/4/2024] Naarth India Saar: Multiply that with 100 to get the figure for the whole world.

[23:00, 8/4/2024] Naarth India Saar: 90% of this total humongous figure sit in the 1000s of "IT Parks" in south india, not doing programming at all.

[23:33, 8/4/2024] Naarth India Saar: So, this [Name of the anglo infiltrator who's got into RT] fellow seems to be an Official RT member, but is answering the question in a roundabout way, about whether this new Chat Group with URL ending with "quy" is run by [Main Shill's name] or by RT Staff. In the end he conceded though, not by RT Officially.

[23:34, 8/4/2024] Naarth India Saar: So i'm not joining that "den of vipers" then, lulz.

[23:35, 8/4/2024] Shill: Yeah, don't it's not good for you. You are better off not joining that group.

[23:36, 8/4/2024] Shill: I have beginning to understand your pov.

[23:37, 8/4/2024] Naarth India Saar: Lulz why, lots of people bitching about me there? Lemme guess their names even without joining the group - Main Shill, First Encountered Shill, Another Shil that came to me, that one dude whose name you tool early in the chat something, Second Encountered Shill, Another Shill, Yet Another Shill. These ones right?

[23:39, 8/4/2024] Shill: Guess what? Created by [Main Shill's Name] 🤖

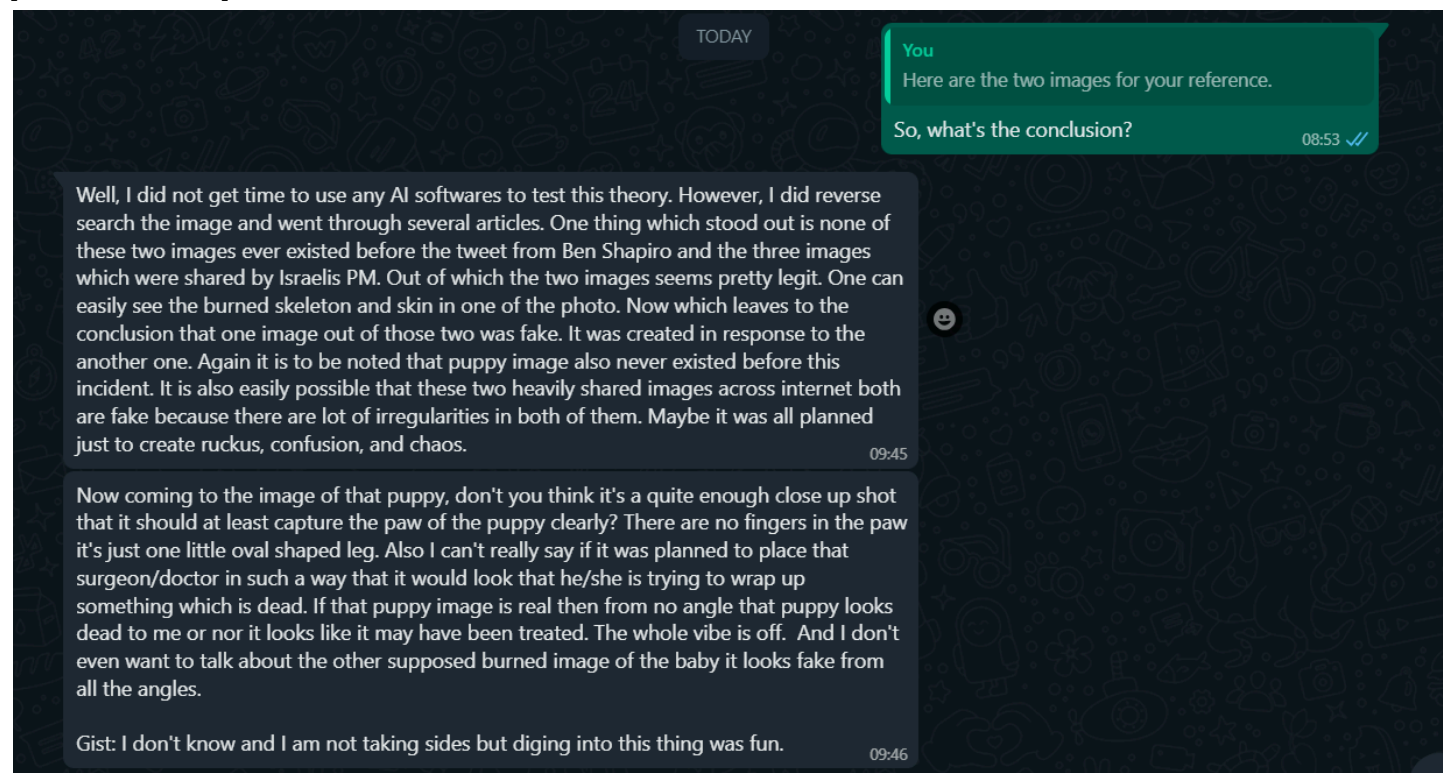

[23:39, 8/4/2024] Naarth India Saar: I know that, and this [Another Shill] is shady shit too. I can explain in detail if you wanna know how I know.

[23:40, 8/4/2024] Shill: Working night shift, kinda busy here man.

[03:53, 9/4/2024] Shill: Just wanted to ask do you use Linux? Because when you shared that recording it seemed like you were using some Linux skin.

[04:15, 9/4/2024] Naarth India Saar: No i don't use linux

[07:30, 9/4/2024] Shill: Cool, no worries.

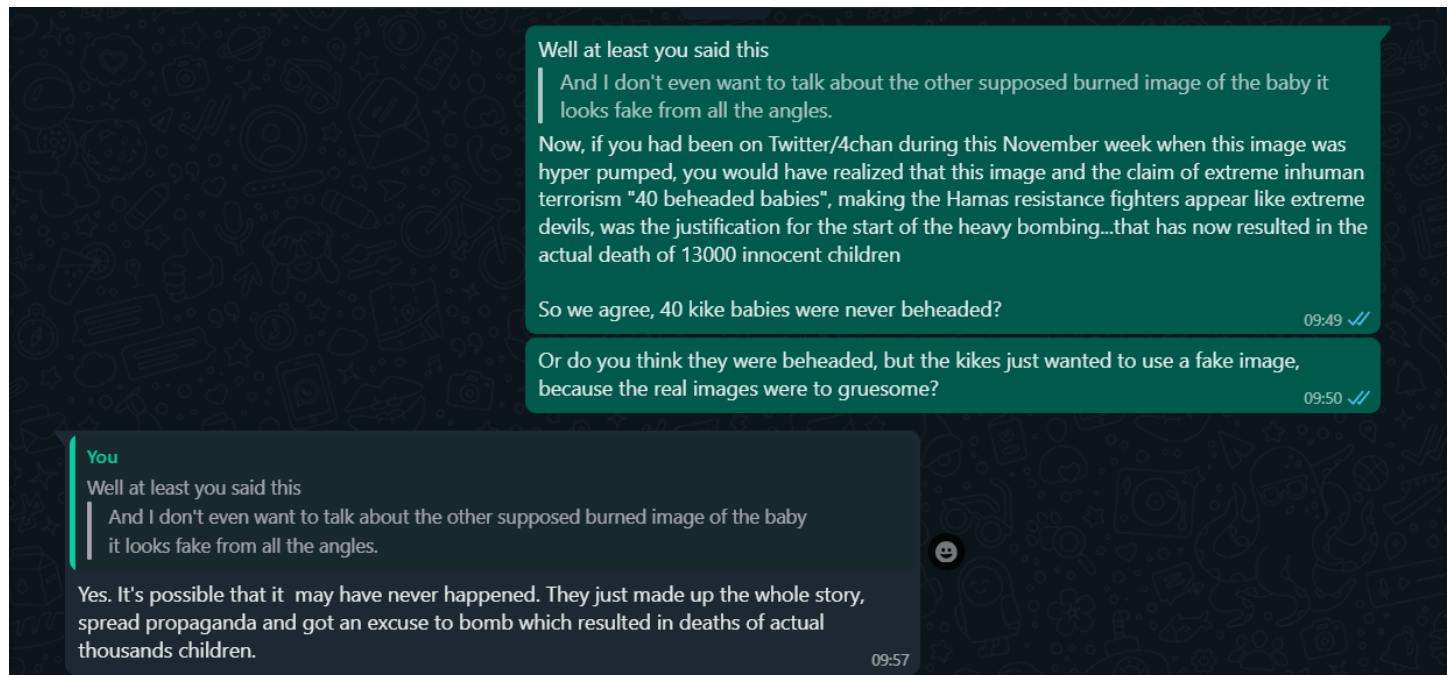

[08:53, 9/4/2024] Naarth India Saar: So, what's the conclusion?

[09:45, 9/4/2024] Shill: Well, I did not get time to use any AI softwares to test this theory. However, I did reverse search the image and went through several articles. One thing which stood out is none of these two images ever existed before the tweet from Ben Shapiro and the three images which were shared by Israelis PM. Out of which the two images seems pretty legit. One can easily see the burned skeleton and skin in one of the photo. Now which leaves to the conclusion that one image out of those two was fake. It was created in response to the another one. Again it is to be noted that puppy image also never existed before this incident. It is also easily possible that these two heavily shared images across internet both are fake because there are lot of irregularities in both of them. Maybe it was all planned just to create ruckus, confusion, and chaos.

[09:46, 9/4/2024] Shill: Now coming to the image of that puppy, don't you think it's a quite enough close up shot that it should at least capture the paw of the puppy clearly? There are no fingers in the paw it's just one little oval shaped leg. Also I can't really say if it was planned to place that surgeon/doctor in such a way that it would look that he/she is trying to wrap up something which is dead. If that puppy image is real then from no angle that puppy looks dead to me or nor it looks like it may have been treated. The whole vibe is off. And I don't even want to talk about the other supposed burned image of the baby it looks fake from all the angles.

Gist: I don't know and I am not taking sides but digging into this thing was fun.

[09:49, 9/4/2024] Naarth India Saar: Well at least you said this

> And I don't even want to talk about the other supposed burned image of the baby it looks fake from all the angles.

Now, if you had been on Twitter/4chan during this November week when this image was hyper pumped, you would have realized that this image and the claim of extreme inhuman terrorism "40 beheaded babies", making the Hamas resistance fighters appear like extreme devils, was the justification for the start of the heavy bombing...that has now resulted in the actual death of 13000 innocent children

So we agree, 40 kike babies were never beheaded?

[09:50, 9/4/2024] Naarth India Saar: Or do you think they were beheaded, but the kikes just wanted to use a fake image, because the real images were to gruesome?

You

Well at least you said this

And I don't even want to talk about the other supposed burned image of the baby
it looks fake from all the angles.

Yes. It's possible that it may have never happened. They just made up the whole story,
spread propaganda and got an excuse to bomb which resulted in deaths of actual
thousands children.

09:57

You

Or do you think they were beheaded, but the kikes just wanted to use a fake image,
because the real images were too gruesome?

Nah, but I still would like to surf dark web and see if I can find anything there.

09:58

Why not just use Lesson 8 and use the InVid plugin, will you spend 5 hours searching
4chan to find out the truth when you're an RT journalist or will you do the forensic analysis
of the two images yourself on the spot?

09:59 ✓✓

[09:57, 9/4/2024] Shill: Yes. It's possible that it may have never happened. They just made up the whole story,
spread propaganda and got an excuse to bomb which resulted in deaths of actual thousands children.

[09:58, 9/4/2024] Shill: Nah, but I still would like to surf dark web and see if I can find anything there.

[09:59, 9/4/2024] Naarth India Saar: Why not just use Lesson 8 and use the InVid plugin, will you spend 5
hours searching 4chan to find out the truth when you're an RT journalist or will you do the forensic analysis of
the two images yourself on the spot?

[10:09, 9/4/2024] Naarth India Saar: Here's another thing to look at

This person claims he made the image on Nov 15, much later than October 13 when this image was posted.
So the kikes started lying about 40 Beheaded Babies in the first week itself, after the October 7th
counter-attack

<https://twitter.com/stellarman22/status/1724819298412069316>

Would you believe him?

Here's an account giving him legitimacy

<https://twitter.com/talhagin/status/1716458942430056547>

Note the interesting "people who believed the 4chan poster" remark. This is a clear attempt to discredit the
4chan whistleblower.

[10:12, 9/4/2024] Naarth India Saar: Please answer reply by reply. What is your reply to the fact that Ben
Shapiro deleted his tweet, loooooong after 1000s of kids had died and the damage of atrocity-propaganda was
already done? Don't believe that Ben Shapiro deleted his tweet? Go see his Twitter account, it's not there. See
this image, the linked tweet...is not there on the timesnow page. So, why did Ben Shapiro post the tweet with
that kind of language and then why did he delete it?

However, on doing an AI image check on web service aiornot.com, we found that the picture was not human generated.

Not found

You wanted pictorial proof of dead Jewish babies? Here it is, you pathetic Jew-haters. Israel will minimize civilian casualties. But Israel will not allow the pieces of human shit who did this to live. Every ounce of blood spilled in Gaza is on Hamas. pic.twitter.com/G5XxsTmois

— Ben Shapiro (@benshapiro) October 12, 2023

Several social media users called Shapiro out. "The image that Ben Shapiro tried to pass off as a "burnt baby corpse" was an AI-generated fake image!" Jackson Hinkle tweeted.

"Ben Shapiro has been found to have posted an AI-generated fake picture to justify the genocidal actions of the Israeli occupation forces in Gaza," another X user added.

"Ben Shapiro tried to use a fake A.I. image to whip people into war . We live in dangerous times," a third person said on the Elon Musk-owned micro-blogging platform.

Thousands have died since Hamas first launched a 'surprise attack' on Israel on Saturday. They include civilians, IDF personnel, Hamas militants and tourists. Several countries have launched rescue operations to get their citizens back.

[10:14, 9/4/2024] Naarth India Saar: Believe it or not, this here what we're doing, is a much better lesson on "journalism" than anything we can possibly learn from watching videos of journalists talking.

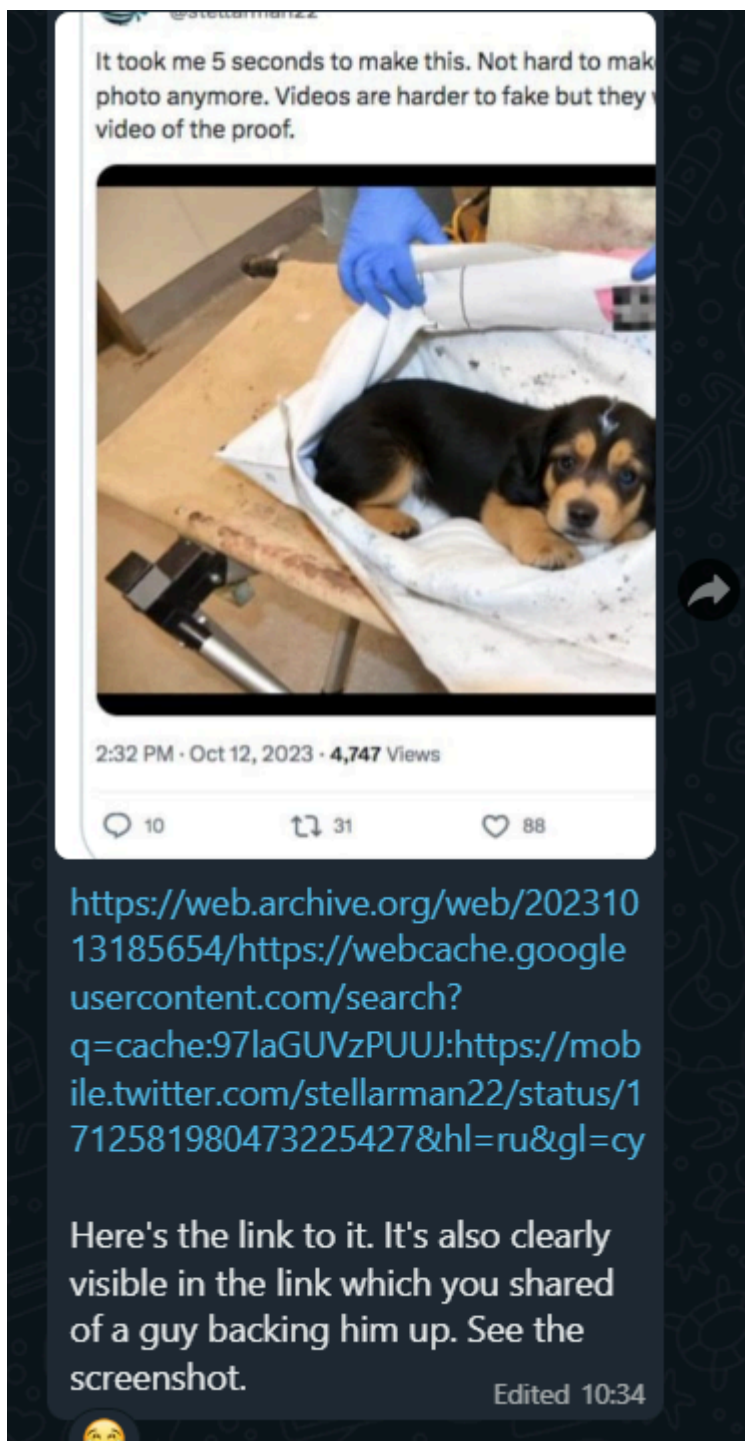

[10:31, 9/4/2024] Shill: This message is very contradictory.

[10:33, 9/4/2024] Shill: You shared a link where it seems Stellar guy share the post on X on Nov 15 but he actually posted this on Oct 12 as well. The original message was deleted don't know why but it is only available now via waybackmachine.

[10:34, 9/4/2024] Naarth India Saar: Give me the waybackmachine link that proves this stellar guy posted the image on Oct 12

[10:34, 9/4/2024] Shill:

<https://web.archive.org/web/20231013185654/https://webcache.googleusercontent.com/search?q=cache:97laGUVzPUUJ:https://mobile.twitter.com/stellarman22/status/1712581980473225427&hl=ru&gl=cy>

Here's the link to it. It's also clearly visible in the link which you shared of a guy backing him up. See the screenshot.

<<<at this point, after having TAUGHT by his JIDF handler, and given the trump card, which he has just used on me, he feels like "he done Mic Dropped", notice his language and demeanour now>>>

[10:38, 9/4/2024] Shill: Anyways, I gotta go sleep. Hope you don't mind. I will try to reply to your other questions later (if I am still interested in this) I don't mean to disrespect but I guess there's no point in discussing this thing now amongst ourselves now. It's the thing of the past now. I wish to educate myself on current happenings. However, I will make an attempt to understand this whole conflict in middle east from scratch someday.

[10:40, 9/4/2024] Naarth India Saar: ~~Ok conceded on the point that the 4chan poster took the image from this tweet and claimed "my dad works at centcom". 4chan anon sure fooled a lot of people, myself included.~~

But note the context in which Stellar guy is tweeting. He is implying the 40 Beheaded Babies image is a fake, because this is how easy it is to fake it. He also goes on to say they never show videos of such things which are much harder to fake.

I think it's safe to trust this waybackmachine record of the tweet, and there's no need to do forensic analysis of the image here, we can take stellar guy's word for he appears to be the first to post this image.

I will still do a bit more checking also on this.

But the main point is the 40 beheaded babies image is fake.

[10:43, 9/4/2024] Naarth India Saar: Your answer to my 3rd question is still pending. Why did Ben Shapiro tweet and delete his tweet?

[10:43, 9/4/2024] Naarth India Saar: This one

[10:44, 9/4/2024] Shill: Sounds like a solid advice ❤️

I will do that but no free tool can be 100% accurate. Hell, even private source proprietary softwares can't always work 100% right. So, yes I will learn to use all the tools available at my disposal. So in future I will make an informed decision based on what gets more vote possibly indicating something closer to the truth.

[10:46, 9/4/2024] Shill: Chill. I don't know maybe he thought his tweet served the purpose or maybe he realized this whole shit got way too far then he actually he intended and maybe became threatening to himself.

Also let me just check if the post exists on the Israeli PM's twitter account.

[10:48, 9/4/2024] Naarth India Saar: >let me just check if the post exists on the Israeli PM's twitter account.

Yes, please do, we can take our time. But the final truth must be established.

[10:54, 9/4/2024] Shill:

<https://twitter.com/IsraeliPM/status/1712471782303867144?t=MQnaUMgRabl3cTi3n-e-vA&s=19>

It does but seems like one image has been removed.

[10:59, 9/4/2024] Shill: This highlighted one. And I don't even know who this Ben Shapiro guy is. I think if the post still exists on PM of Israel account then **one thing is clear they believe in whatever shit they are saying.**

You

Ok conceded on the point that the 4chan poster took the image from this tweet and claimed "my dad works at centcom". 4chan anon sure fooled a lot of people, myself included....

Scratch the admission of conceded. The mistake was me not considering that 4plebs on MY computer is showing IST.

Here's what happened. The 4chan poster posted his image at 3 noon on october 12. Stellarfaker took the image from 4chan and tweeted it 6 hours later.

[11:02, 9/4/2024] Naarth India Saar: 4chan anon posted it between 3 to 5 PM. so EARLIER than stellarfaker

[11:02, 9/4/2024] Naarth India Saar: We're back to square one

[11:03, 9/4/2024] Naarth India Saar: Damnit, you made me delete my post on RT Skola telegram

[11:03, 9/4/2024] Naarth India Saar: Never mind i'll repost it

[11:04, 9/4/2024] Naarth India Saar: Do you now see how the kikes operate?

[11:04, 9/4/2024] Naarth India Saar: Stop saying isreal/israeli, it's isntreal/kikes

[11:06, 9/4/2024] Naarth India Saar: Good that you found the isntreali PM tweet, shows how shameless they are, that it's still up. So many comments in the tweet thread are showing various proofs of AI fakery. But we must not take the commenters' word for it. We must find out OURSELVES if those 2 images by isntreal PM are fake or not.

[11:08, 9/4/2024] Naarth India Saar: That image was removed because even the blurred out head is visible, so it's a real image of an alive baby with blur on, which goes against their claim of "muh 40 behadded baabieess" <<<his Trump Card negated, he is now super butthurt and ragequits>>>

[11:09, 9/4/2024] Shill: Now if you pardon me I have to sleep. I am no longer interested in this so I won't be taking any further part in this conversation. I don't want to go down rabbit hole and fuc* my brain but I'll tell you what if you want to continue from your end just do this and read whatever article you want to read. Also maybe you don't require because you are already pretty convinced 🙏

[11:10, 9/4/2024] Shill: Now give me a moment to quickly reply (ask questions/doubts) to your previous messages.

[11:14, 9/4/2024] Naarth India Saar: Bro i care about the truth, sleep or not sleep, i'm not stopping you. Sorry, but i'm blunty unfriendly, i can't stand NPCs.

[11:17, 9/4/2024] Shill: I also got confused due to this timing thing. I tried to wrap my head around it but I couldn't (failed). Both accounts (twitter and youchan) both I believe are from US. There are different time zones in USA as well. Let's just assume if the user was from Hawaii then he is going to be 6 hours behind than the actual US time. Also it's not clear in which region's time format wayback machine has archived it.

[11:18, 9/4/2024] Naarth India Saar: Scratch that, you're better than an NPC, you helped further solidify my conviction with 2 more proofs of the scam - the isntreally tweet still being up, and the Stellar faker. Sorry, you're doing good work, though i'm not sure if your motives are genuine.

[11:19, 9/4/2024] Shill: Damn. There was somewhere the unblurred version as well. It's the particular editor of that news who blurred it not them.

[11:20, 9/4/2024] Naarth India Saar: Wayback machine probably considers the mean time of USA mainland, not some hawaii DST EST

[11:21, 9/4/2024] Naarth India Saar: People who kill 13000 kids, can't find a kid alive/dead and take a picture of it? Hell they'll kill their own kid if it helps them kill 13000 aryan kids

[11:22, 9/4/2024] Shill: You would be shocked to know that I have zero motives here 🤔

I am kind of a nerd who would love to go to bottom of something and find out truth if that's what I really want to do but nowadays I don't have time and energy to do so. So, am just scratching the surface with least interest.

[11:22, 9/4/2024] Naarth India Saar: I'd like to see more mental gymnastics trying to prove that stellar guy is the origin and 4chan is fake, like your hawaii point

[11:22, 9/4/2024] Shill: Cool, okay.

[11:23, 9/4/2024] Naarth India Saar: If the stellarfaker replies to my (just posted) tweet, he'll most likely say teh hawaii thing as an excuse

[11:23, 9/4/2024] Naarth India Saar: So it'd be great to get some more points

[11:24, 9/4/2024] Shill: Did you just declare me mental 🤔 I wasn't trying to prove anything. Don't you see? I have my own doubts and questions which I am telling you in hope to get some answers.

[11:25, 9/4/2024] Naarth India Saar: Mental gymnastics is a phrase, google it, fren, it means "convoluted reasoning" to arrive at a preferred outcome/conclusion

[11:25, 9/4/2024] Shill: Man, you have fun with it. Keep me posted whatever the case maybe. And hope we can be friends. Now if you will excuse me 🙏

[11:25, 9/4/2024] Shill: Okay, my bad. Apologies 🙏

[11:26, 9/4/2024] Naarth India Saar: You can sleep whenever bro, i'm not stopping you. 13000 dead kids, bah, what's that, sleep comes easy. I'm not holding your eyelids open bro, you need not "please excuse me" me. I'll look forward to concluding this thread WITH THE FINAL UNDENIABLE EVIDENCE of whetehr the isntrealli tweet still up is fake or not. Whenever. But that's all we will discuss now.

[11:26, 9/4/2024] Shill: Thanks for enlightening me ❤️ I appreciate it 😊

[11:30, 9/4/2024] Shill: Yeah, I guess I am one of those retards who doesn't get involved in stuff until its too personal. I know you are not stopping me (it's me actually who is the problem here) just sticking around out of respect.

[11:31, 9/4/2024] Shill: Anyways just curious if that cent.com guy ever replied again after posting that puppy's image to the other people on 4chan?

[11:32, 9/4/2024] Naarth India Saar: 4chan is anonymous

[11:33, 9/4/2024] Naarth India Saar: Unless you choose to let yourself be identified, like Naarth India Saar does and say "fuck you kikes"

My posts: <https://archive.4plebs.org/pol/search/tripcode/Kiyw4fXs7OM/> (yes, this is how the Juwish Inbred Duncce Force shills follow me around, you can too, legit-anon, yes you can!)

[11:34, 9/4/2024] Naarth India Saar: If there was even a remote chance of the kikes having continually stolen wealth from my homeland for the past 2500 years then anything the kikes do - 9/11, Covid, Gaza, 40 beheaded babies (and 109 other things) is personal, absolutely personal to me, especially when they kill 13000 aryan kids.

<<<at this point i realized that he got the Stellarfaker Wayback Machine details fro meth Kike-site Adversa's "dubunk" article>>>

[12:53, 9/4/2024] Naarth India Saar: So you're just gonna Google Stuff off kike websites and throw at me? Fine, i don't mind. Since I'm not stupid enough to even open such sites, i'd like someone to do so, so I can know what arguments the "debunkers" make.

[12:54, 9/4/2024] Naarth India Saar: If you need to refresh points again, here's the link

<https://adversa.ai/blog/aljazeera-fake-news-investigation-burned-babies-and-an-ai-generated-dog-images/>

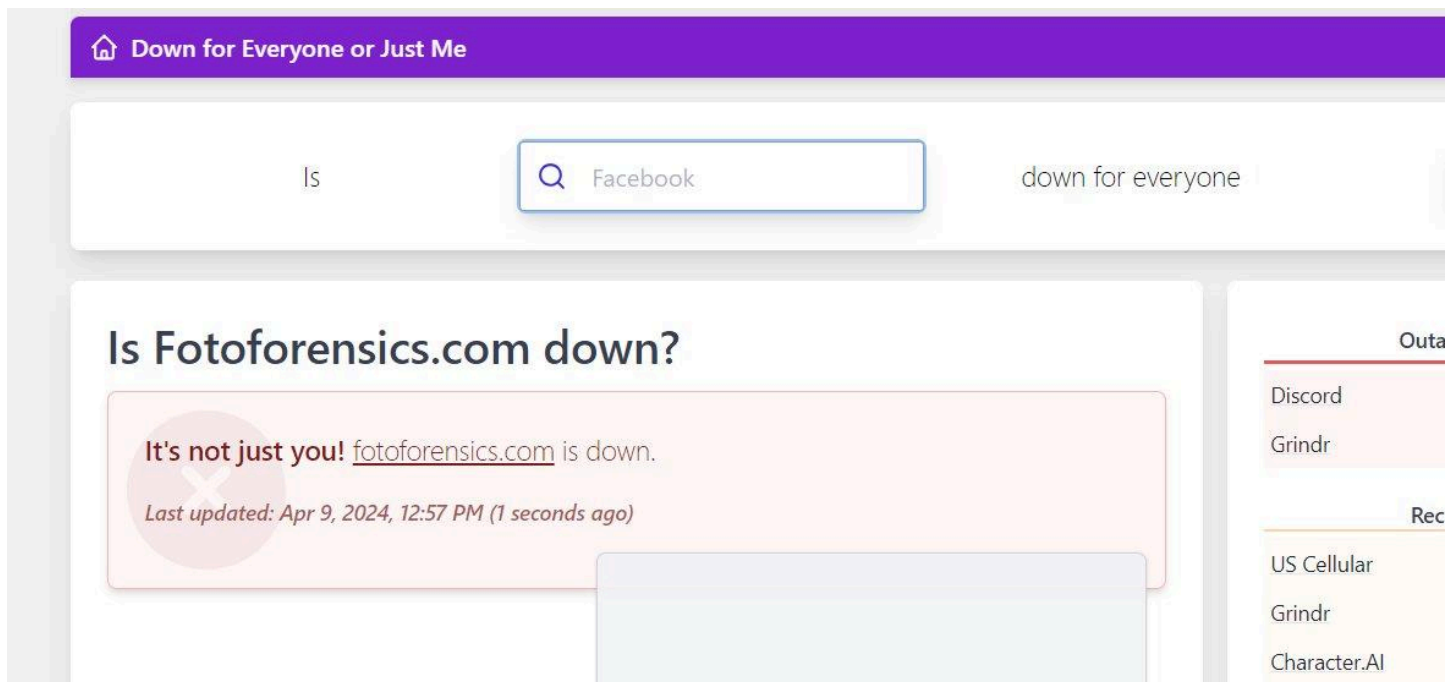

[13:08, 9/4/2024] Naarth India Saar: What a Cohencidence, your Adversa site explains the point that I made in my video, which you never viewed, accepted, tried, read, understood. But you never went on InVid and tried it yourself. Had you tried it, you would have seen what my video shows, and what your Adversa site shows the complete opposite of!

Looook!

What a Cohencidence, the very last point (ala Slam Dunky Debunky OH JIDF Saar You So Funky Halp Me Monkey Give Some Munneh and some C***) is the MAIN EFFING POINT of my video. And they even explain how it works, but show the complete opposite result (probably photoshopped the images they put on the site)

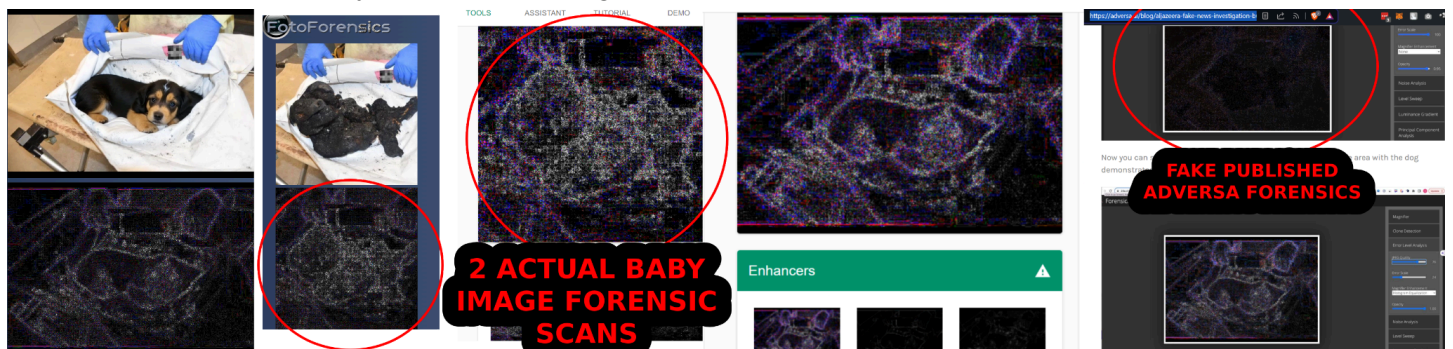

[13:11, 9/4/2024] Naarth India Saar: Looook!

What a Cohencidence, Fotoforensics website is down! Ov Vey Gevalt Meshugnneh, now no one can checkings our fake trickery hehehehehe

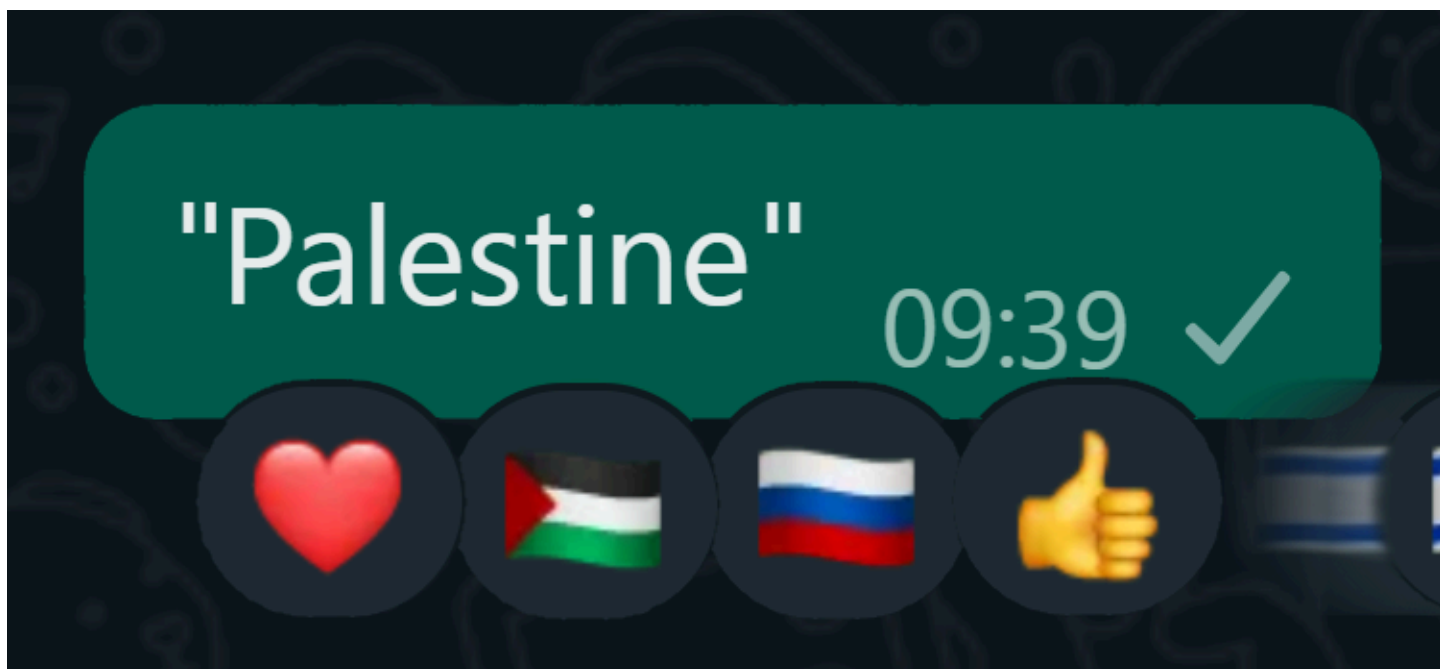

[13:11, 9/4/2024] Naarth India Saar: Look buddy, if you can't handle the truth, i suggest you block me right away

<<Having done my Due Diligence, with ELS analysis on 2 sites InVid and Fotoforensics (after it came back up online) also Cohencidentally, i posted this image>>>

<<<Another drama happens on the main group, the Main Shill posts an istreali flag emoji on a message of mine which mentioned Palestine, immediately 6 other members come to my support and together we shove off the istntreali flag from the emoji bunch visibility, it was epic and poetic. After witnessing this in the group, the shill sends me a message trying to legitimize himself by accepting that the Main Shill is indeed a shill>>>

This GIF explains it perfectly I named the file TheAnimationOfSolidarity.gif <https://imgur.com/a/IW7XRJV>
The keyframe that explains what happened in a static image:

10/04/24, 08:50 - Shill: Now I know you were telling the truth. Also you were right about kikes sharing the fake image. Thanks that you opened my eyes.

10/04/24, 08:51 - Naarth India Saar: I don't care for anything you say until we conclude which image is correct and which is false.

10/04/24, 08:52 - Naarth India Saar: So get back on the task, where's your arguments against? And don't say you give up and just accept my arguments, no one should accept anything, without completely knowing what is the truth.

10/04/24, 08:52 - Shill: The image shared on 4Chan was original and correct. Kikes used AI to create the fake ones.

10/04/24, 08:56 - Naarth India Saar: Thank you for accepting my truth. But it still isn't YOUR TRUTH, until you put work into it. I was hoping to use this convo (after removing names obviously) as debate points and post it on 4chan, but you just gave up. We need more points and counterpoints here. Because 4chan anons sure would have lots of them. And to negate them, we need to preempt them and debunk the "debunks" before they even get a chance to debunk. I want this conversation to end such that, it is CONCLUSIVELY proven that the kikes did propaganda. I want everyone on 4chan to just say "based" and nothing else, not even 1 singh-le JIDF kike shill should be able to say anything other than the obvious "you're muslim" "you're a VPN pakistani" "you're brown, no one cares" (which is what they do, when they see my Indian flag on 4chan and anti-kike stance)

10/04/24, 09:02 - Naarth India Saar: Day after tomorrow my ban on /pol/ will be lifted and I will post the 40 Beheaded Babies proof thread. Once I get the approval of /pol/ I will post my reply to [Main Shill] and [Nonsense Posting Shill].

10/04/24, 09:05 - Naarth India Saar: This is not just any argument. News and the world basically today is all about one thing - propaganda, which the normies/NPCs only superficially refer to as "fake news". In this Global macrocosm in which Russia is the hero and the kikes/isntreal the villain, we have a smaller Macrocosm of this RT REDACTED thread, it all fits. Why will JIDF not be here? Of course they will be here.

10/04/24, 09:07 - Naarth India Saar: If I, you, or any other member of this RT REDACTED group can't face/handle the propaganda of some piddly JIDF-hired shills here, on freakin WhatsApp, then how will he/she handle the global-level epic-propaganda of the kikes as an RT journalist?

10/04/24, 09:10 - Naarth India Saar: Clever little shill [Main Shill name] was expecting me to use the "India flag" emoji on my own comment after he used the Isntreal flag emoji. So that he could then comment "Yes, India stands with Israel, saar". But it backfired, lulz, knowing/expecting this, I used the Russia flag. Let him try and kvetch now.

10/04/24, 09:12 - Naarth India Saar: And to tell you the truth, you're under suspicion too bro. You can REDEEM by finishing this convo to "Conclusively Proven" status.

10/04/24, 09:25 - Naarth India Saar: So this whole thing is very tricky now. No idea who from RT India or the RT folks related to RT India can be trusted.

10/04/24, 10:22 - Naarth India Saar: Now tell me does this GIF work HERE?

10/04/24, 10:22 - Naarth India Saar: <Media omitted>

10/04/24, 10:22 - Naarth India Saar: <Media omitted>

10/04/24, 10:24 - Naarth India Saar: <Media omitted>

10/04/24, 10:25 - Naarth India Saar: <Media omitted>

10/04/24, 10:40 - Shill: It is showing as 22 second video.

10/04/24, 10:40 - Shill: But it works. I mean it is playing.

10/04/24, 10:40 - Naarth India Saar: Well then we gotta do the screenrecord again, wait 2 minutes

10/04/24, 10:41 - Naarth India Saar: The video of course works, but why did i have to upload a video, why doesn't the GIF work?

10/04/24, 10:41 - Naarth India Saar: does this work HERE?

10/04/24, 10:43 - Shill: No

10/04/24, 10:43 - Shill: It's just an image.

10/04/24, 10:43 - Naarth India Saar: Is THIS also just an image?

10/04/24, 10:44 - Naarth India Saar: <Media omitted>

10/04/24, 10:44 - Shill: No, you sent in the file format so it is showing as gif.

10/04/24, 10:44 - Shill: <Media omitted>

10/04/24, 10:45 - Naarth India Saar: They're both the same file

10/04/24, 10:46 - Naarth India Saar: This is a screenshot from Telegram, where the "just an image" works and plays as a GIF

10/04/24, 10:46 - Shill: But it's not working here for some reason.

10/04/24, 10:47 - Naarth India Saar: yeah (((some reason))), do you know what the brackets stand for?

10/04/24, 10:47 - Shill: No?

10/04/24, 10:47 - Naarth India Saar: Ok, then you're really a newbie, no worries. They are a meme/trope, like Cohencidence

10/04/24, 10:48 - Naarth India Saar: (((immigration is good)))

10/04/24, 10:48 - Naarth India Saar: (((europe needs to be multicultural)))

10/04/24, 10:48 - Naarth India Saar: (((muslims are BADD)))

10/04/24, 10:48 - Naarth India Saar: (((India stands with Israel saar)))

10/04/24, 10:48 - Naarth India Saar: and 10000000 other things

10/04/24, 10:49 - Naarth India Saar: Lurk moar on Twitter even, it's like 4chan these days.

10/04/24, 10:49 - Shill: Ooh, I think now I know what you mean .

10/04/24, 10:49 - Naarth India Saar: Harry Potter (((He Who Must Not Be Named)))

10/04/24, 10:51 - Naarth India Saar: Anyway, the animation GIF not working on (((WhatsApp))) is a side story, the main story is [Main Shill name] got ass-pwned by the Solidarity of the Community. It was poetic!

10/04/24, 10:51 - Naarth India Saar: Tell him to "suck it"

10/04/24, 10:59 - Shill: You are quite right but believe me I genuinely trust you now on this thing. When that [Main Shill name] posted Israel flag that was the proof. Also, I know that I need to verify this myself by using AI tools for the sake of my own truth. Also, I don't think its a good idea to use our conversation on the forum (even anonymously) because you are too educated on this matter and I am just plain dumb stupid who doesn't even now why these middle east countries are fighting and bombing each other. I wish to educate myself on this.

Also I wasn't debating with you and I have no interests or any agenda as I mentioned earlier. I was just trying to prove what I saw in those images from a third man (common) perspective without being biased towards any side. And as a nerd I wanted to prove my thinking that what I saw (judged) was right. Now it doesn't matter at all if I was wrong. I am happy to accept that I got deceived and they played me.

10/04/24, 11:00 - Naarth India Saar: Nah, you're lying ("if i'm still interested"" you said)

10/04/24, 11:01 - Shill: This is also highly possible because I have seen a clown in this WhatsApp group already. So it's wonder that those people are operating from inside RT too.

<<<The Main Shill created a separate group to disinfo and brainwash the participants of the RT group, i obviously did not join that group>>>

10/04/24, 11:01 - Naarth India Saar: Like you just "dropped the mic" or something and the discussion was over

10/04/24, 11:02 - Naarth India Saar: [Anglo infiltrator RT employee name] is the anglo infiltrator, i'm certain
10/04/24, 11:04 - Naarth India Saar: You know why i simply have to mistrust you? Because YOU came to me, just like [2nd Shill that came to me name] and that [3rd shill that came to me name]. You 3 saw my message of the "good link between Russia and India" and immediately messaged me asking for the doc. But have you commented on even one thing in that doc?

10/04/24, 11:04 - Naarth India Saar: Nope.

10/04/24, 11:06 - Shill: Cool, good for you. Think whatever you want to think man. I believe you follow this whole thing so heartedly that you are having hard time believing that there are lot of person who don't follow the news and simply don't give a shit about what's happening in the word. And I was one of them.

No disrespect, but it seems like you are quite a fierce keyboard fighter 🔥

10/04/24, 11:06 - Shill: Yeah, you are quite right here actually.

10/04/24, 11:07 - Naarth India Saar: Yada yada, are you gonna finish the Debate about the veracity of the video I posted or not?

10/04/24, 11:10 - Shill: That's because I am kind of hungry for the information always then even if it is outside of my handling and processing capabilities. I have got tons of shit compiled in my computer which I have saved to watch later) but I guess if my procrastination thing continues then I will die before actually looking at all that information.

10/04/24, 11:10 - Naarth India Saar: Not just a keyboard warrior, i'm not even human, i'm a Superhuman AI trained on 4chan shitposting from the past 20 years

10/04/24, 11:13 - Shill: Sounds really cool. And it might be true. I am ready to believe it. I don't know from where do you get all this energy and time to devote to what you do. You must be working 8-9 hours, then I suppose you have a family and then doing all this extra work it indeed requires superpower.

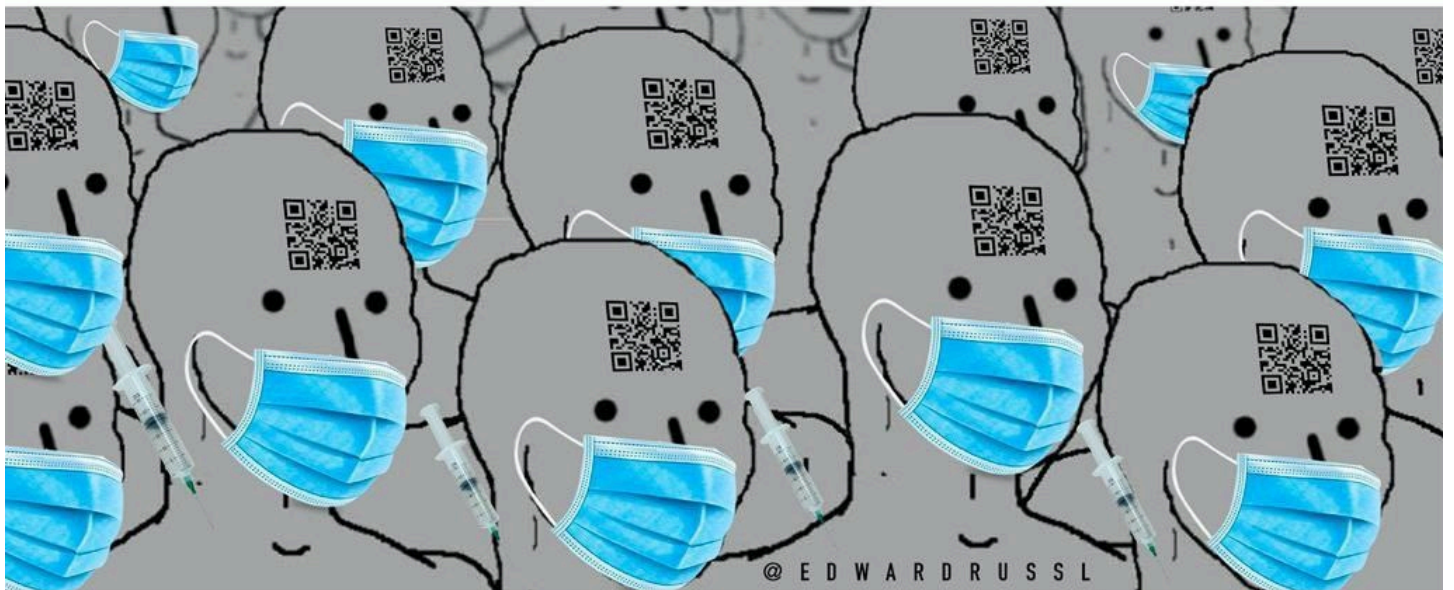

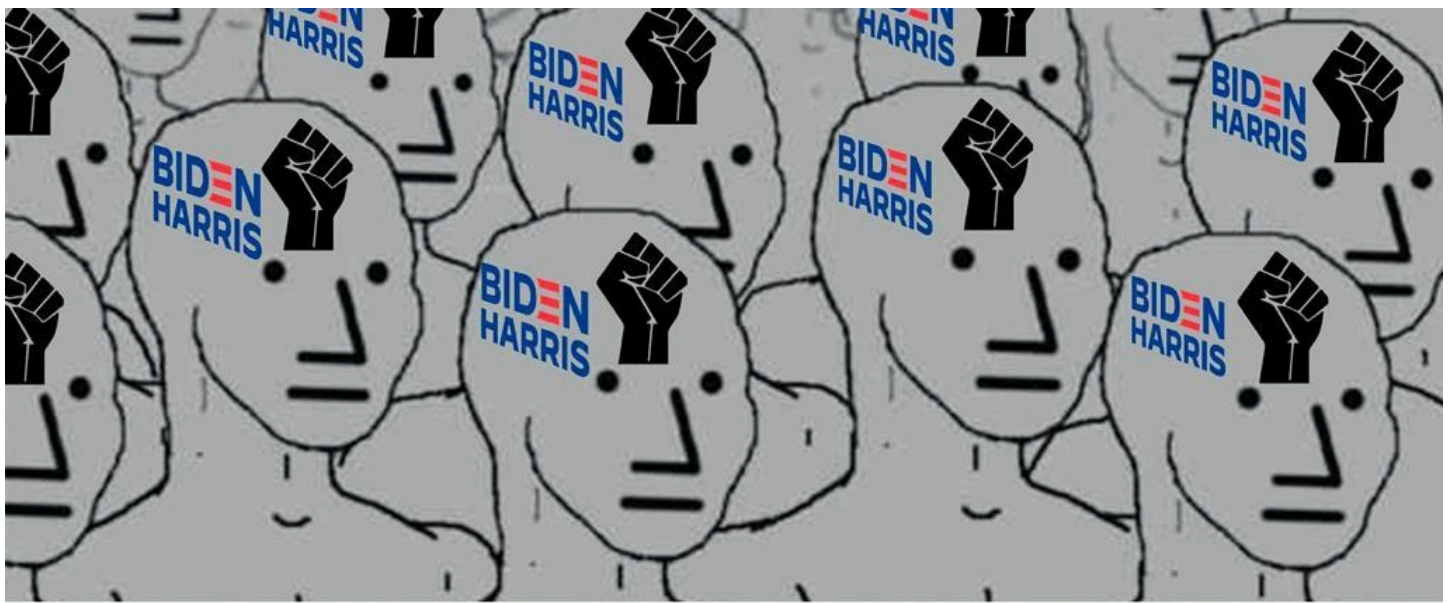

10/04/24, 11:14 - Naarth India Saar: I'm absolutely ready to believe that you're ready to believe absolutely anything

10/04/24, 11:17 - Shill: No and Yeah, true because I don't have any energy left to spend on this matter anymore. I would just go back to my old ways of living and will probably squander my time on something else which is fun and doesn't feel like I am racking my brains.

10/04/24, 11:18 - Naarth India Saar: = NPC, do you contest this conclusion?

10/04/24, 11:19 - Shill: I guess I really need to begin question more.

10/04/24, 11:19 - Naarth India Saar: Let me define NPC with a meme, so that it is FUN

10/04/24, 11:21 - Shill: Yeah, you were right 100%

Kikes spread propaganda to find an excuse to bomb thousands of innocents.

10/04/24, 11:21 - Shill: Yes.

10/04/24, 11:21 - Naarth India Saar: Simply by saying "NOO, i'm not" you don't not become an NPC

10/04/24, 11:22 - Shill: Hilarious 😂

I think you are not even vaccinated. Right?

<<<at this point it becomes comical, he's a vaxxtard!!! Lulz and he starts talking as if he is superior to me, an un-vaxxed!>>>

10/04/24, 11:22 - Naarth India Saar: You have to demonstrate that with valid thought and reasoning, brah

10/04/24, 11:22 - Naarth India Saar: Let me guess, you ARE vaccinated!

10/04/24, 11:23 - Naarth India Saar: How many boosters till now, brah?

10/04/24, 11:25 - Shill: So, you indirectly said yes.

And yes just 2. When I applied for first job they even asked for it (because they were only hiring double vaccinated folks) anyway that was tangent.

10/04/24, 11:25 - Shill: Ooh, cool.

10/04/24, 11:25 - Naarth India Saar: RIP 🙏

10/04/24, 11:25 - Shill: Yea, poor me.

10/04/24, 11:27 - Naarth India Saar: Being a newly added slave to Big Pharma doesn't disqualify you from continuing this MAIN POINT OF DISCUSSION, so will ya?

10/04/24, 11:29 - Naarth India Saar: Take your time (you need it, i guess) and do continue with points (it does appear that you're still interested). And graphene structures will take some years to reach your brain, so you're still capable of formulating arguments as to whether the image STILL up on the isntreally twitter account is fake or not.

10/04/24, 11:31 - Shill: Thank you 🙏

10/04/24, 11:33 - Shill: I guess I selectively choose few topics and yeah if I am dark about some matter than you can infer that I support that thing.

And last question it may sound stupid but I want to ask anyway. Is there any chance that you are in favour of BJP?

10/04/24, 11:35 - Naarth India Saar: Vaccines are (((good for you))). BJP and Modi are (((good for you))) nothing wrong will happen. Let the unvaccinated die, they deserve it (you guess!) and the khangressis and the apptards will never come back to power, modi fuck yeahhh!!! So anyway, let's get back to the point....is the video i posted showing correct or false information?

10/04/24, 11:38 - Shill: You know I don't know if being vaccinated gonna cause me any serious major consequences in future. However, after reading the claims of that telegram group which I just mentioned above and other few incidents I kinda regret it you know. I wasn't aware at that point of time. I followed the mentioned telegram group for a quite some time but the fear kicked in so I stopped following it for sake of my mental peace. However, I haven't unfollowed the group I just rarely follow them.

10/04/24, 11:39 - Naarth India Saar: Sigh....anyway, is the video I posted showing the correct info or false info?

10/04/24, 11:39 - Shill: I already said yes above. Seems like you missed it.

10/04/24, 11:40 - Naarth India Saar: Say more, fam. I also said "say more" earlier, did you miss it?

10/04/24, 11:40 - Naarth India Saar: This basically says "Say more"

10/04/24, 11:41 - Shill: I don't think I have anything more to say. Then simply saying yes and agreeing with you. Sorry to disappoint you brother 🙏

<<<after destroying him as a shill, and pounding on more by calling him a stupid vaxxie, i understood that he must be mentally exhausted, so i decided to make it easier for him to continue the debate, but he even quit this!>>>

10/04/24, 11:42 - Naarth India Saar: Ok, let's do a yes or no thing, i will state statements about the video, you just reply yes or no.

10/04/24, 11:43 - Naarth India Saar: Jews posted a fake image of "40 beheaded babies" all over the internet, one week after Oct 7 (the counter-attack by Palestinian Hamas)? Yes or no?

10/04/24, 11:44 - Shill: One last thing before I go to sleep. Where are you from? And in which state you are currently staying?

I am just asking if lets say we are in same state then maybe I would like to meet you and let my brain fucked with all the information you have to give me for the one day.

I am from REDACTED (I was born there) and have been living in REDACTED for last more than 22 years.

10/04/24, 11:45 - Naarth India Saar: I'm from North India. To proceed, state your answer to last question: Yes, or No?

10/04/24, 11:45 - Shill: Yes (and that 40 beheaded babies image is not available anywhere right now. I remember you telling me that. Am I right?)

10/04/24, 11:46 - Naarth India Saar: Is that claim that someone/anyone "beheaded 40 infants" an outrageously tall claim that should not be believed by anyone without a staggering undeniable amount of proof?

10/04/24, 11:48 - Shill: Absolutely 100% right. No one should believe anything straight up. They should do their own investigations to arrive at any conclusion. <This message was edited>

10/04/24, 11:49 - Naarth India Saar: Was any undeniable proof provided by the jews, specially Ben Shapiro?

10/04/24, 11:50 - Shill: What? Please rephrase it.

10/04/24, 11:51 - Naarth India Saar: eh...answer does not compute. Please answer Yes or No to the last question. <This message was edited>

10/04/24, 11:51 - Naarth India Saar: BEEP BOOP

10/04/24, 11:51 - Shill: You didn't tell your state yet!

10/04/24, 11:51 - Naarth India Saar: BEEP BOOP unstructured information detected

10/04/24, 11:51 - Naarth India Saar: Please state Yes or No to last valid query

10/04/24, 11:56 - Naarth India Saar: Rephrase request approved: Did any account online provide any sort of absolutely believable proof, especially the most visible accuser of the outrageous claim that someone beheaded 40 babies? Respond with Yes or No.

10/04/24, 11:57 - Shill: If you have just simply rephrased the question for me to understand it better I would not have to go to these extra steps 😞

10/04/24, 11:57 - Naarth India Saar: BEEP BOOP aww BEEP BOOP, respond with Yes or No to proceed

10/04/24, 11:57 - Shill: No.

See, it was easy and actually helpful.

10/04/24, 12:00 - Naarth India Saar: In the event of the provided "alleged" proof of an image that allegedly showed a burnt infant, various netizens took it upon themselves to verify the validity using "AI" tools. Not knowing how the AI verifies photos they took its answer on face value. AI tools were contradicting themselves. Some said it was an AI generated image and some said it was human generated. Yes or No? <This message was edited>

10/04/24, 12:01 - Naarth India Saar: Counter-question is acceptable at this juncture.

10/04/24, 12:11 - Naarth India Saar: Awaiting answer from human subject...enjoying AI music in the meantime....<https://youtu.be/Y6ljFaKRTl>

10/04/24, 12:16 - Shill: Yes, that's what happened in reality.

10/04/24, 12:22 - Naarth India Saar: In such a scenario, it is to be concluded that some AI tools themselves are part of the propaganda and are lying. So 50% of the tools gave the correct answer and 50% gave the wrong answer. Now which of these 2 was the one that was spreading propaganda? In order to know a very small set of netizens resorted to using the "ELA" Photo Forensic analysis tool available on sites such as FotoForensics.com and the InVid plugin. The results of these tools show that the image share by jews was fake and thus, the 50% AI tools that marked their image as "human" were owned/operated/controlled/bought/corrupted by them or by people who were owned/operated/controlled/bought/corrupted by the jews. Yes or No?

10/04/24, 12:23 - Naarth India Saar: Counter-queries and doubt clarifications are allowed at this juncture. BEEP BOOP.

10/04/24, 12:27 - Naarth India Saar: Awaiting answer from human subject...enjoying AI-core music in the meantime <https://youtu.be/dVVZaZ8yO6o>

10/04/24, 18:52 - Naarth India Saar: BEEP

10/04/24, 18:52 - Naarth India Saar: BOOP

10/04/24, 18:59 - Shill: Yes, government's involvement in this whole matter is highly possible. Sometimes they deliberately create such tools so that people could keep arguing and never get to know the truth.

10/04/24, 18:59 - Shill: You are not my first priority.

10/04/24, 19:11 - Shill: Also, you are so immature and mean that it is becoming hard to tolerate you. I told you that I am doing night shift these days so I sleep during the day. And what makes you think you are so important that I would devote my all time to just keep chatting with you. For all I care this whole world could go to hell and I won't care a single bit.

I don't want to pre-assume anything here but you seem like a loner. Also you should probably get medically checked up. Now, I will block you after sending this message. You can think whatever the hell you want to think about me I don't give a rat ass. Be happy and fulfill your fantasy that I was some kind of hired bot by some government or whatever and you were right about me all along.

I genuinely wish we could end on better note and be friends but you don't seem to value those things. You only care about the argument and proving your point. Anyways good for you or do whatever works for you and brings you joy and peace. I am out of it. Fuck it, peace man ❤️ Wish you all the best in life (if you are a human 😊)

10/04/24, 19:39 - Naarth India Saar: <Media omitted>

10/04/24, 19:39 - Naarth India Saar: BEEP BOOP

10/04/24, 19:40 - Naarth India Saar: Aww i didn't even get to showcase my cool robot voice

<<<I had actually prepared Robot Voice responses and setup my microphone to record from Desktop Audio so I could send the audio generated from <https://www.narakeet.com/> through my WhatsApp audio message, to be super spooky, but right then, just as I was ready and about to broadcast my Robot Voice through WhatsApp Audio Message, his JIDF handler told him to quit it, obviously ;)>>>
