## **The revolution is taking place and it is being broadcast on television**

We are all witnessing a revolution unfolding in real time on our screens and in real life. This is no ordinary revolution; it is the fall ancient of Babylon. The human ethnic group is being liberated after narrowly escaping permanent enslavement in a vast animal farm run by a Satan-worshipping Babylonian sect. Their Talmud clearly shows how they view other people. It states that they can murder, rape, cheat and enslave people who are not part of their tribe because the Goyim are subhuman.

# Talmud

(Soferim 15)  
Even the best of Goyim should all be killed.

(Yebamoth 98a)  
All children of Goyim are animals.

(Baba Mezia 114b)  
Gentiles "Goys" are not humans, they are beasts.

(Gad Shas 2:2)  
A Jew may violate but not marry a non Jew girl.

(Abodah Zarah 36b)  
Gentile "Goy" girls are in a state of niddah (filth) from birth.

(Sanhedrin 54b)  
A Jew may have sex with a child as long as the child is less than nine years old.

(Sanhedrin 58b)  
If a Goy hits a Jew he must be killed.

(Sanhedrin 57a)  
When a Jew murders a gentile there will be no death penalty.

(Tospoth Jebamoth 84b)  
If you eat with a Goy is the same as eating with a dog.

(Baba Mezia 24a)  
If a Jew finds an object lost by a Gentile "Goy" it does not have to be returned.

(Baba Kamma 113a)  
Jews may use lies to circumvent a "Goy" Gentile.

(Abodah Zarah 22a-22b)  
Gentiles "Goys" prefer sex with cows.

However, it must be made clear that these people are not Jews. Most Jews grew up not even knowing that the Talmud exists. Now, thanks to the internet, they do. But what Jews are only now finding out is that they have been Babylonian slaves for thousands of years. For example, if you read the real Babylonian history, you will find that circumcision was a ritual castration used to identify the slave races. The ritually castrated real Jews - who follow the Golden Rule of doing unto others as you would have them do unto you - were used as a Trojan horse to infiltrate societies. Once the helpful Jews ingratiated themselves, the Babylonians slowly took over society by taking over its elites. Over the millennia, this has led to an

immune reaction from the infiltrated societies. This is why the Babylonians have been expelled from various societies over a hundred times over the years. The Jews have also been subjected to collective punishments time and time again due to their Babylonian enslavement. As a result, over the years a kind of Stockholm syndrome developed in which they clung to their slave masters for protection.

Many Christian groups have been infiltrated in a similar way. That is why there are Christian Zionists who support the genocide in Gaza.

What is happening now is a mass rejection of Babylonian rule by the United States of America, the most powerful country the Babylonians have ever conquered.

A great example of this occurred last week when 30,000 people turned out for a Kamala Harris rally in Houston that was billed as a Beyoncé concert. Everyone, including the media, believed the singer would perform after it was announced earlier in the week, but all she did was walk out and give a barely audible speech for several minutes.

<https://modernity.news/2024/10/26/kamala-rally-descends-into-complete-chaos-as-beyonce-doesnt-perform/>

Of course, Beyoncé is one of the celebrities whose name keeps cropping up in the P. Diddy trial, so many are speculating that she is supporting Kamala because she knows she will be tried for crimes against children if the demonstrators don't stay in power .

In any case, when the crowd laid the bait for Kamala, they began to hurl such abuse at the Babylonian puppet candidate that the rally degenerated into chaos. The Secret Service barely managed to prevent her from being lynched on the spot.

The videos below show paid Kamala supporters being overwhelmed by the crowd as they desperately chant her name in unison.

People were yelling at Kamala like crazy all night...the secret service was stressed

This was not an isolated incident. Wherever she goes, she is booed. What we are witnessing is the failure of the Babylonian techniques that blackmailed and bribed celebrities and influencers use to manipulate society.

At this point, the majority of Americans are aware of the true and criminal nature of their government, as the following figure shows.

For this reason, a revolution is underway.

There are also many visible signs that the military and intelligence services are siding with the people and overthrowing the Babylonian Khazarian mafia.

The death of Fethullah Gulen last week was such a sign.

<https://www.middleeasteye.net/news/erdogans-arch-enemy-fethullah-gulen-dies>

According to Mossad sources, Gulen was the heir of Sabbatai Zevi. Zevi founded the Sabbatian Frankish heresy. According to this false doctrine, the task of the Jews is to fulfill the end-time prophecies of the Bible. To this end, his sect infiltrated governments around the world. The members of this sect pretended to be Muslims, Jews, Christians, etc., but in reality they worshiped Satan.

Their goal was to divide humanity into two large groups - Gog and Magog - and make them kill each other. Their goal was to kill 90% of humanity and enslave the rest. According to the Chabad heirs of this sect, after the mass murder, each Babylonian would have 2800 slaves.

A sign of how influential this group was that one of its members, the Nazi Rudolf Hess (who was born in the Ottoman Empire), dictated Mein Kampf to Adolf Hitler, according to the former head of MI6 and other sources.

Hitler's task was to expel the Jews from Europe to Israel in order to carry out the planned Gog/Magog war between Christians and Muslims.

Now that the KM is facing mass arrests and war crimes tribunals, they are still

desperately trying to start World War III.

The "Israeli" attack on Iran last week was a sign of this. They hoped to set off a chain reaction by provoking Iran into retaliation by destroying Israel with nuclear weapons.

However, the Israelis and MI6 engaged in hectic backroom negotiations with the Iranians after this attack. The Rothschild family promised the Iranians compensation of up to \$2 trillion if they refrained from retaliating against Israel for the attack. MI6 told the Iranians that the attack was a false flag. The attack was carried out by paid KM mercenaries working in Iraq, not by Israel, they said.

<https://tass.com/world/1862839>

As proof that Israel is under new leadership, they had a masked avatar of Satanyahu standing in silence as protesters interrupted his speech at the Jerusalem event honoring the victims of the self-inflicted attack of October 7, 2023.

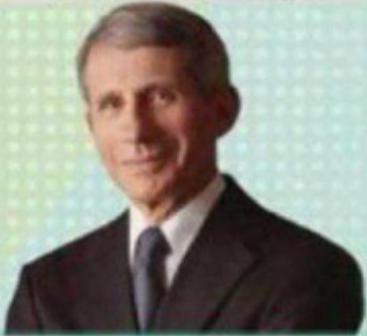

The Iranians have got the message. The KM will not be allowed to start World War III as a get out of prison free card.

Instead, the KM leadership is being systematically rounded up. For example, last week a Dutch court charged Bill Gates, NATO Secretary General Mark Rutte, Pfizer CEO Albert Bourla and many others with deliberately deceiving people about the safety of COVID-19 shots, despite knowing "that these injections were not safe and effective."

**“Nobody said you wouldn’t get COVID if you’re vaccinated!”**

*Oh, really?*

@TheFreeThoughtProject

<p><b>Dr. Anthony Fauci</b> (NIAID Director)</p>  <p><b>“When people are vaccinated they’re not going to get infected.”</b></p>	<p><b>President Joe Biden</b> (POTUS)</p>  <p><b>“You’re not going to get COVID if you have these vaccinations.”</b></p>	<p><b>Rochelle Walensky, MD</b> (CDC Director)</p>  <p><b>“Vaccinated people do not carry the virus and don’t get sick.”</b></p>
<p><b>Rachel Maddow</b> (MSNBC News)</p>  <p><b>“Now we know the vaccines work well enough that the virus stops.”</b></p>	<p><b>Bill Gates</b> (“Expert”)</p>  <p><b>“Everyone who takes the vaccine is reducing their transmission.”</b></p>	<p><b>Albert Bourla</b> (Pfizer CEO)</p>  <p><b>“There is no variant that escapes the protection of our vaccines.”</b></p>

Since conservative estimates suggest that the vaccines killed more than 15 million people, these are greater crimes than the Holocaust.

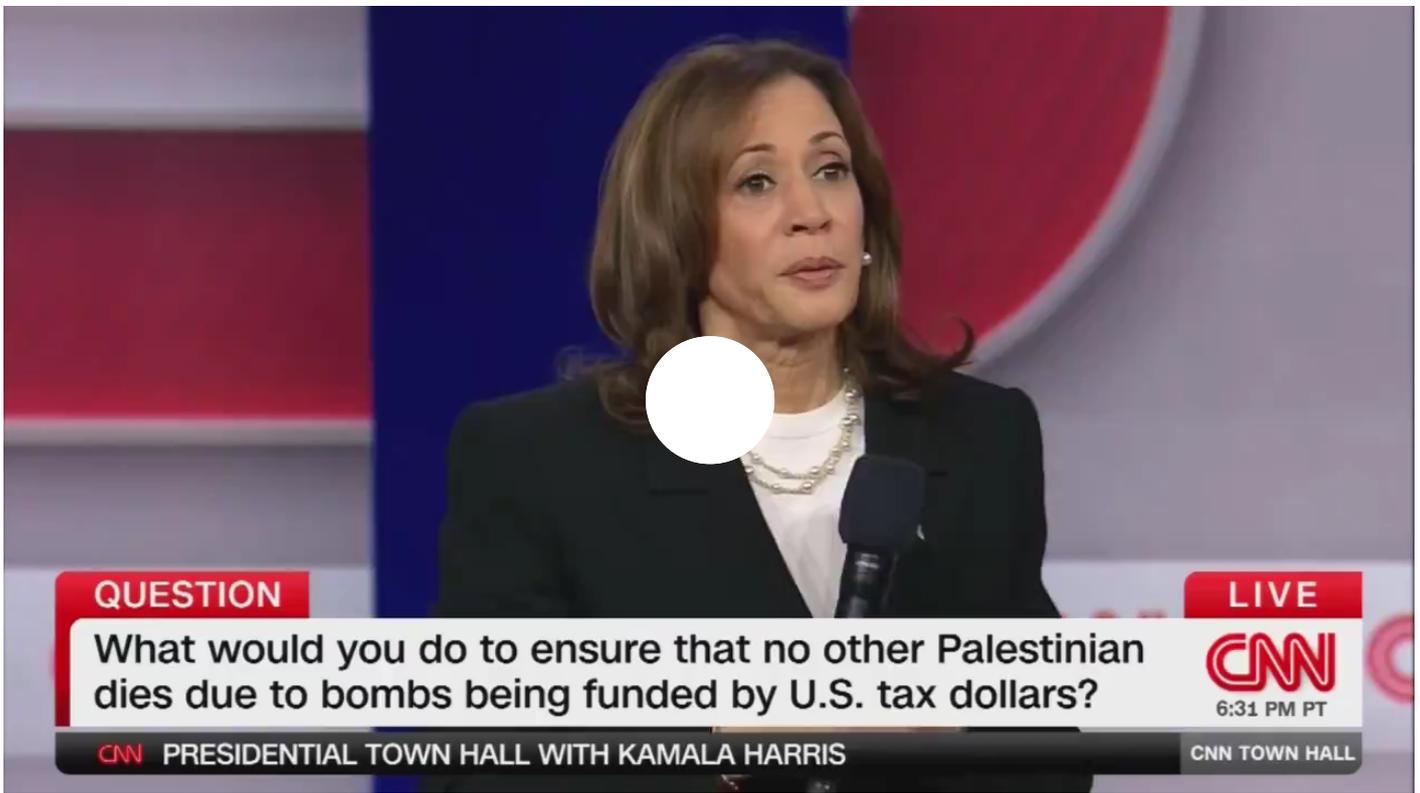

The fact that a Dutch court is making these decisions is important because Holland is part of the West and is the seat of the International Court of Justice. This means that they have serious backing and Bill Gates etc. have no way out.

The KM are freaking out because they know that a Donald Trump presidency will mean their downfall. In the video below, the last actor impersonating President Joe Biden says something like, "If we don't lock up Trump, he's going to kill us."

<https://benjaminfulford.net/wp-content/uploads/2024/10/Biden-says-we-got-lock-him-up-Trump.mp4>

A Kamala Harris actor wearing an obvious silicone mask tells Vanderbilt kid Anderson Cooper that Trump is a "fascist."

Elsewhere, she said, "Trump would invoke Adolf Hitler, the man responsible for the deaths of six million Jews."

Here you can watch MSNBC's Mika Brzezinski go completely crazy in one of the craziest rants you've ever seen. She hits just about every catchphrase/phrase:

-Fascism

dictator

-Hitler

veteran fraud

-Use of the military against political opponents

- "He's killing us" (women)

abortion

You "idiots" must not question the MSM and their Hitler claims

**Kim Dotcom** 

@KimDotcom

Trump is in more danger now because they can no longer beat him even with election fraud. Harris compares him to Hitler and Biden wants him arrested. Their desperation and fear is palpable.

"This is the deranged ramblings of a frightened propagandist who knows her side is losing and that her complicity in the betrayal will eventually come to light. This is insane rhetoric based entirely on lies. She is the daughter of KM Zionist Zbigniew Brzezinski. Need we say more?" commented a Pentagon source.

"They are talking about themselves. They will certainly be hunted down and brought before military courts," the source promises.

Of course, the KM hope in vain that they can instead use the military to hunt down their opponents. As Robert F. Kennedy Jr. points out, it was the Obiden regime that

- for the first time in US history - authorized the American military to shoot and kill American citizens on American soil.

The problem is that the US military under Commander-in-Chief Donald Trump will instead turn its weapons on the KM network inside the US, Pentagon sources said.

Of course, Donald Trump is by no means perfect. The comments on Zero Hedge under a link to a three-hour conversation he had with Joe Rogan show that many people are aware of this.

<https://www.zerohedge.com/political/watch-trump-and-rogan-have-wild-interview>

Most comments point out that neither the vaccine massacre nor the Gaza genocide came up during this conversation. One commenter said it was a "word Caesar salad," a better-dressed version of Kamala's incoherent babble.

Nevertheless, Archbishop Carlo Maria Viganò explains in an open letter why people must vote for Trump:

Donald J. Trump, who, despite serious problems in his positions, aims at the common good and the protection of citizens' fundamental freedoms... In Kamala Harris' America, Catholics - but also Protestants - are seen as fundamentalists who must be marginalized and eliminated, and their children are considered the property of the state... Look at your country! Your cities have become garbage dumps filled with the neglected and criminals, drug dealers and addicts, prostitutes and robbers. Your schools are dens of indoctrination and corruption from kindergarten onwards. In your courts, criminals are acquitted and innocents are imprisoned: new ideological crimes are prosecuted while illegality is tolerated and encouraged. Multinational corporations rule in your hospitals and you are their guinea pigs, to be exterminated or made chronically ill so that you become their permanent customers. Farmers, ranchers and fishermen are persecuted and forced to fail, while unscrupulous corporations grab the land and turn it into endless photovoltaic panels and wind turbines to run their data centers and server farms, where they collect all your data, your movements, your purchases and your political preferences. They have even gone so far as to manipulate the climate through sophisticated geo-engineering operations and devastating arson to make the global warming fraud credible and to push through the green transition, the increase in energy prices, electric cars and scooters. And all this is done on the basis of evidence made up of lies for which there is no scientific evidence, but which are spread through the submissive collaboration of the regime media, always ready to label all dissenters as conspiracy theorists.

Barack Obama and Hillary Clinton, by self-proclaimed "philanthropists" such as the criminals George Soros and Klaus Schwab, or by personalities such as Jeffrey Epstein and Sean Combs. Their program is that of the Global Left, the World Economic Forum, the Rockefeller Foundation, the Bill & Melinda Gates Foundation and, ultimately, the program of Vanguard, BlackRock and StateStreet. Their agenda is dictated by the financial oligarchy that controls humanity to the detriment of the people: an elite that operates not only in the United States, but also in Canada, Australia, Europe and wherever politics is held hostage by its investment funds and its pseudo-humanitarian organizations dedicated to the annihilation of Western civilization.

<https://exsurgedomine.it/241022-open-letter-eng/>

However, Archbishop Vigano may be somewhat naive in believing that Trump alone will be able to deal with the oligarchs at the top of the CM.

BlackRock's Larry Fink even says the US election "doesn't really matter" for the markets. "I'm sick of hearing that this is the most important election of your life," Fink said at a conference. "The reality is that it doesn't matter in the long run," he added.

He said BlackRock is working with both administrations and is "in discussions" with both Vice President Kamala Harris and Republican candidate Donald Trump.

Fink and his cronies seem to believe they are invincible because they control weather-fighting technology. As proof of this, Saudi Arabia, after being hit by severe flooding, snow and other weather freaks, has canceled its plans to join the BRICS. Now BlackRock, Goldman Sachs, Citibank and other leading financial executives are visiting Riyadh this week.

They are all coming to the country's Future Investment Initiative, often referred to as Davos in the desert, where they will make deals worth more than \$28 billion over the coming week, but don't call it blackmail.

<https://fortune.com/2024/10/27/davos-in-the-desert-saudi-arabia-future-investment-initiative-goldman-sachs-citigroup-blackrock-tiktok-mohammed-bin-salman/>

Of course, asking Saudi Arabia for a few billion dollars will not help these people, because they need trillions of dollars, not billions.

A sign of how desperate they are is that they pretend to use interest from stolen Russian assets to get "\$50 billion for Ukraine". Of course, Ukraine is just a money laundering machine for the KM. People now know that Ukrainian dictator Vladimir Zelensky is just a money launderer for the KM, which explains why nobody wants his book.

when nobody's buying  
your shit anymore.

<https://www.whitehouse.gov/briefing-room/statements-releases/2024/10/23/statement-from-president-joe-biden-on-historic-decision-to-leverage-russian-sovereign-assets-to-support-ukraine/>

As money for Ukraine runs out, it now turns out that the World Bank has "misplaced" \$41 billion earmarked for "climate change."

<https://pjmedia.com/rick-moran/2024/10/24/world-bank-misplaces-41-billion-in-climate-change-funds-n4933604>

One sign that the KM is planning a weather war to extort big money from the rest of the world is that their "World Bank" says they will need \$5 trillion a year for "climate change".

Of course, the Chinese, who de facto control the US dollar and the international financial system, will not hand over any more money to these KM crooks, Asian intelligence sources say. They have their own climate weapons and other secret weapons, so they will not be intimidated into supporting the KM and its puppet governments.

That's why the owners of Vanguard, BlackRock and State Street reached out to the Planetary Liberation Alliance last week and asked for peace. A representative of the Western G7 group also independently reached out to the White Hat Alliance with a peace offer.

Both groups were told that the white hats in the Pentagon, the British Commonwealth, the Russians and the Asian secret societies all supported the creation of a meritocratic future planning agency to take over the functional parts of the old institutions IMF/BIS/World Bank etc . Bretton Woods institutions.

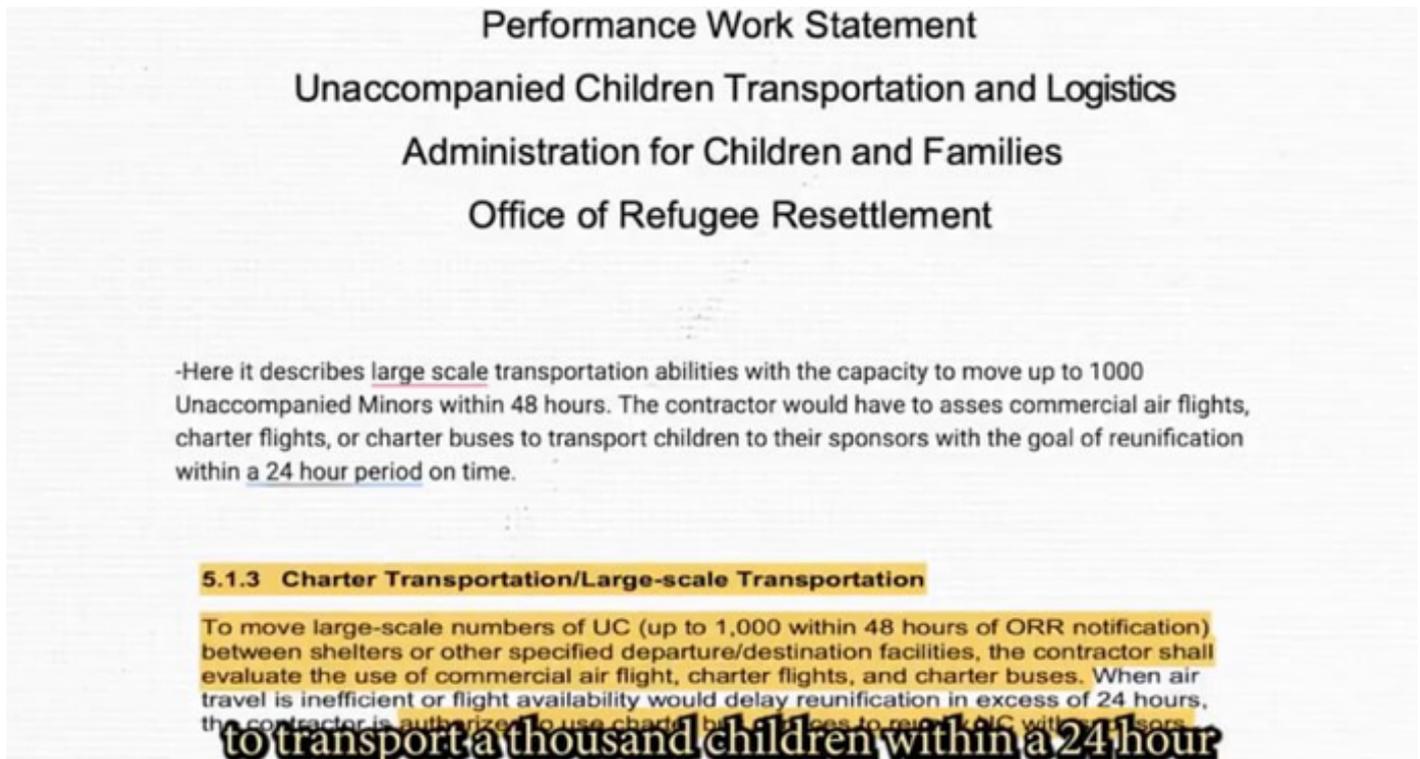

This agency would work in complete transparency for the people and the planet. Although an agreement in principle has been reached, the remaining areas of KM control must first be cleaned up, according to sources involved in the negotiations.

The biggest purge, of course, concerns the international network of pedophiles and child murderers. As former Club of Rome and high-ranking UN official Calin

Georgescu points out, over 8 million children disappear from this network every year.

Here is the latest proof that this is true:

A General Services Administration (GSA) contract specialist spoke with investigative reporter James O'Keefe about the federal government's awarding of a major contract to a staffing company that transports unaccompanied children across the country.

"When I found out that GSA had awarded a contract to a company that transports unaccompanied minors, I was blown away," said Clarissa Rippee, GSA senior contract specialist, in an interview with O'Keefe published on X.

<https://www.zerohedge.com/political/once-you-know-you-cannot-unknow-whistleblower-exposes-how-feds-fund-industrial-sized>

Rippee explained that the GSA, on behalf of the federal government, has awarded MVM, a private security company with ties to the CIA, NSA, FBI and Homeland Security, a massive \$347 million contract to transport unaccompanied minors across the United States.

[https://x.com/realmuckraker/status/1838955113718722583?ref\\_src=twsrc%5Etfw%7Ctwcamp%5Etweetembed%7Ctwterm%5E1838955113718722583%7Ctwgr%5Eodb546bea8873co2e21cb2fb182126c76427386%7Ctwcon%5Es1\\_&ref\\_url=https%3A%2F%2Fwww.zerohedge.com%2Fpolitical%2Fonce-you-know-you-cannot-unknow-whistleblower-exposes-how-feds-fund-industrial-sized](https://x.com/realmuckraker/status/1838955113718722583?ref_src=twsrc%5Etfw%7Ctwcamp%5Etweetembed%7Ctwterm%5E1838955113718722583%7Ctwgr%5Eodb546bea8873co2e21cb2fb182126c76427386%7Ctwcon%5Es1_&ref_url=https%3A%2F%2Fwww.zerohedge.com%2Fpolitical%2Fonce-you-know-you-cannot-unknow-whistleblower-exposes-how-feds-fund-industrial-sized)

Here is anecdotal evidence from one of my sources:

"I have friends in Los Angeles who are firefighters (one of them is a former LA County chief) and they said that the places they pick up children who have committed suicide are not in the very poor and less privileged areas of Los Angeles (of which there are many), but in the Beverly Hills/Bel Air and surrounding wealthy areas, which are basically all the hills and valleys around the Getty Museum (heavily populated by Lubavitch-Chabad and hardcore Zionists who have immigrated from all over the world) .They said it is an extremely disturbing but unfortunately common thing to pick up very young children who hang themselves in the bedrooms of their mansions or from the trees in the yard... or they just intentionally overdose... AND they are as firefighters not allowed to write about it or talk about it publicly..."

The massive explosion that recently occurred near the Getty Museum was a white-opposed operation to take down the child trafficking network in LA, military sources say.

This was accompanied by the trial of P. Diddy to make average Americans aware of the existence of these tunnels and the abuse that took place there.

Now there is the latest sign that the pedophile networks are being dismantled:

Former Abercrombie & Fitch CEO Mike Jeffries and two others were arrested Tuesday as part of a criminal investigation into alleged sex trafficking involving more than a dozen victims, the FBI and federal prosecutors said.

<https://abcnews.go.com/US/story?id=115019375>

CIA sources warned that the KM are dangerous rats who have been cornered, and that it is very likely that they will carry out some final, gruesome atrocities in the US and elsewhere before they are brought to justice. However, they will be eliminated.

There is also a kind of destruction in Mexico.

Emilio Azcarraga Jean, president of the media conglomerate Grupo Televisa, has just announced his resignation.

<https://elpais.com/mexico/2024-10-24/emilio-azcarraga-deja-la-presidencia-de-televisa-en-plena-investigacion-por-supuestos-sobornos-a-la-fifa.html#:~:text=El%20presidente%20de%20Grupo%20Televisa,a%20funcionarios%20de%20la%20FIFA>

This family controls a catalog of exclusive sexual services for high-ranking politicians at the international level, according to Mexican government sources.

<https://www.infobae.com>

<https://www.elfinanciero.com.mx/espectaculos/2023/09/20/el-catalogo-de-televisa-si-existia-expareja-de-arturo-beltran-leyva-revela-detalles/>

Televisa was able to expand internationally thanks to these sexual services, it is said. "I personally met one of the people in charge of this service. Every politician who came to Mexico was given a folder and, as if it were a menu, they offered him the services of his favorite artist. Fidel Castro even asked exclusively for the man with the guitar (Juan Gabriel), and in Russia Veronica Castro was the key... She obviously satisfied the high command of the party."

By the way, there seems to be some sort of ongoing attempt to overthrow the regime established by Castro in Cuba. There are currently nationwide power outages and massive anti-government unrest.

<https://x.com/eduardomenoni/status/1848199609744753044>

<https://x.com/eduardomenoni/status/1848187127235772671>

Hopefully, Canadians will soon take similar action against Castro's son, Justin Trudeau.

Coming back to Mexico in any case, our sources say that Televisa financier

 German → English ▼

that controlled Mexico for a long time. They were known as the Black Circle, which controlled Mexican Freemasonry.

[http://www.ahunam.unam.mx/autonomia/1929/testimonios/jose\\_maria\\_reyes.pdf](http://www.ahunam.unam.mx/autonomia/1929/testimonios/jose_maria_reyes.pdf)

Now things are in flux. According to the source, Mexico's new president, Claudia Sheinbaum, recently performed traditional ceremonies with "moon witches," or followers of Coyolxauqui, the Aztec goddess of vanity and abortions. This ceremony predicts many deaths. In the first 13 days of her six-year term, there have already been 1,034 murders.

<https://animalpolitico.com/seguridad/mil-asesinatos-13-dias-sexenio-sheinbaum>

There is also Freemasonry in Brazil. Mossad sources say that many KM Zionists have fled to southern Brazil because they believe it is safe there. They sent us this video of the new headquarters of the Freemasons in Curitiba, Brazil. Curitiba is near the Atlantic Ocean and Paraguay, the hideout of the Hitler and Bush crime families. There are deep underground tunnels that connect these two countries.

Of course, soon no place on this planet will be safe for these criminals.

Finally, this week we note that the ruling coalition has lost its majority in Japan. Richard Koshimizu of the Japan Independence Party says this is because the elections were not rigged. However, a sign that the country still has a long way to

go is that neither the ruling party nor the opposition parties mentioned real problems such as the recent killing of 500,000 Japanese by vaccines. The Japanese right claims that the Japanese are waiting for the end of the power struggle in the US before taking action against the vaccine killers. Furthermore, they say such a move could involve replacing the current imperial family.
