Quotes re Al Bielek

Al told us that Reich was one of the first scientists employed by the CIA in mind control research. When he realized what the aims of the CIA were in the late 1940's Reich quit the program after sabotaging the research, but it was too late to stop them from using his work. [The Montauk Boys Program](#) was based on Reich's findings and the researchers forced the boys to engage in sodomy in order to get psychic control over them. Carol told me that the reason I was particularly uncomfortable at Montauk is because I had been one of the early recruits as a child. Al told us that many of the boys died before he was able to get the programmers to stop forcing their cooperation. This would help explain my hatred for this kind of activity. Al says that as he travels around the country he now recognizes many men who had been recruited in the program. The first few hundred were taken from the immediate vicinity. After it became apparent that this would lead to exposure of the program, they used the time tunnel technology (this had been used to abduct Al and his associates from around the country) to pick up boys, brainwash them, and return them before their absence was noticed. This technology was contributed by the B Sirians, whom Al says are the hardware

merchants of the galaxy. Carol and I are finding out what the aliens got out of that deal. [\[2001\] The Adventures of Don & Carol Croft – Parts 1 - 10](#)

The lone gunman that we hear about in assassinations, assassination attempts, school shootings, etc. are mind controlled individuals who had been 'programmed' to carry out those missions. Ted Bundy, the 'Son of Sam' serial killer David Berkowitz, Oswald, Timothy McVeigh, the Columbine shooters, Chapman, Sirhan Sirhan, etc. were mind controlled individuals who were programmed to perform these killings. Tens of thousands of young teenage boys were kidnapped and forced into a mind control training program called The Montauk Project starting around 1976. Al Bielek, under mind control, was involved in many areas of the secret Montauk Project. After slowly recovering his memories beginning in the late 1980's, he came to realize that there were at least 250,000 mind controlled "Montauk Boys" produced at 25 different facilities similar to the underground base at Montauk, Long Island. Many of these boys were to become 'sleepers', programmed to go into action at a later date when properly "triggered" to engage in some sort of destructive or disruptive conduct. Other Montauk Boys were woven into the fabric of mainstream American life as journalists, radio & TV personalities, businessmen, lawyers, judges, prosecutors, etc.

Quotes

Phil Schneider, for example, who knew the facts and had directly interviewed aliens himself in Area 51. He knew what was going on. He attended underground UN meetings - the real meetings are not held in New York at the UN Plaza. The policy-making meetings are held in the underground military bases (what he called the [DUM](#) [deep underground military) bases). They are all controlled and dictated to by the tall gray aliens. He personally attended two of these meetings and said, after the second one, he was working for the wrong people. That was why he quit his service as a geologist for the government. He said it was run by aliens. He said that the aliens are in back of UN policy, and that they are in back of so many things that are happening on the Earth. He says that they are gradually taking over and are running, shall we say, "The New World Order."

[Interviewed by Kenneth Burke at the Global Sciences Congress, Daytona Beach, Florida in August 1997](#)

I was time-transferred to 1983, where they did the full erasure of my full memory of my career and everything as Zeb Cameron. All my credentials were removed and erased. Dr. von Neumann knew it was happening. He didn't like it, but he couldn't do anything about it. They also pulled the age regression number on me, which was to reduce my body size to that of an infant. Now, they can take a person back to a fetus. This is a common and usual technique, now, and I know people who have gone through it, including my second son. (I have four sons by

the way.) My number two son, I found and I've met and know him. It's another long story.

He was also regressed back to a fetus; yes, the whole nine yards. I was reduced only to approximately a one-year-old boy. Why they stopped at this point, I don't know. I think part of the process they intended to put me through was subverted or failed. I know Dr. von Neumann interfered with it at one point. So, I was sent back to 1927 as approximately a one-year-old boy, because, my legal parents, whom I knew as my only parents for many years (Albertina Bielek, maiden name Kurchess, and my father Arthur E. Bielek) were the only parents I knew. I was totally wiped as memory, and I grew up as a kid, literally from a baby but, at the age of one by the birth certificate, which said March 31, 1927, by Christmas I would have been nine months old. [Interviewed by Kenneth Burke at the Global Sciences Congress, Daytona Beach, Florida in August 1997](#)

It's the transmitting signal itself. If you're sitting close to a transmitter or within reasonable distance; you would have to establish a criteria of field strength, and I don't know what that threshold is on this, but if you're radiated by the signals from the transmitter, if you're reasonably close to the actual physical tower, the transmitter, you're getting radiated, it's going to affect you physiologically.

Now there's a very good example of this. Measurements were made of this in Portland, Oregon. Oregon is perhaps unique in this in that they have all of

their FM, AM, and TV transmitters upon Mt. Olympia, and it's an ungodly collection of transmitters in one location. Right next to this transmitter site are all kinds of residences, people living there.

The rate of leukemia is very high in Portland in that area; and one private doctor did a private study on this to try and correlate what is doing this, what's going on, looked back in the case histories, the family histories, etc.. He found out that people that lived in the vicinity of those transmitters came down with this particularly nasty form of leukemia and he finally determined that if they lived there long enough the rate of succumbing to leukemia was 100%. There were no exceptions. If they moved away from that area they would recover as long as they didn't have it fatally already.

The physiological symptoms in the sites of the transmitter within a mile or so were severe, very severe. The people knew it, in some cases and they just got the sense and said, "I don't like it here, let's go somewhere else," and they go someplace else and they get over it.

I was up in that site once with a friend Bill who was working as a chief engineer down at the local AM, FM and TV stations in Portland and he'd have to go up and do maintenance occasionally in that tower in the transmitter section. He says he hated to go up there. He says you're up there half an hour and your brain just scrambles, you can't think straight anymore.

You walk in the door and they have this fluorescent tube over the door, it glows day and night He told me, he says,

"That's not wired to anything." I say, "What do you mean it's not wired to anything?" He says, "There's no connections. You can hold that thing in your hands and it will light up like a Christmas tree. That's how much RF is coming out of this building. We're subjected to that as long as we're in here., They have problems occasionally where the equipment just fries itself, particularly some of the solid state components which are highly susceptible to this sort of thing. He said, "You don't want to stay up here very long. I don't want to. I have to come up here to do maintenance. When go home I have quite a time getting over it. It takes overnight." It just scrambles the normal function of his brain. He can't think anymore as to what he's doing, what he's up there for, what tools to pick up, what he's actually working on. The continuity of thought is lost. [Interview with Al Bielek](#)

Preston's checked into the records and found that this particular type of advanced technology, electroshock therapy equipment is what they officially call it. It's now very advanced computerized with floppy disks and very small electrodes instead of the old big patch pads they used to put on people and tape the down. They now have tiny little probes 50 millimeters square and they attach them to certain critical sensitive points on the body, about 8 of them. And there's a computer program they now use which will induce the Reichian orgiastic state by electronics and hold it to that state and in that condition a human mind from conscious to subconscious is

completely aligned and opened.

Consequently you can remove buried information in the subconscious, reprogram the person, do whatever you want in that sense. And when the program is over they close it down, restore the person to the so-called normal state with either blocks on memory of the whole thing happening or a whole total implant of what went on that day as a substitute to memory or whatever they want to do. They usually put in a substitute memory. It's happened to Duncan once. We had quite a time running that down but we did.

They can do this to anyone they want. They grab them physically and take them off to one of the hospitals. The law is that any hospital or institution in the U.S. that accepts federal funding must by law have one of these machines on their premises and there must be certain personnel, very limited, trained in its use. Now it can be used for "nominal" electroshock therapy in the normal mode which doctors use, thought it's much more sophisticated now and less damaging. Or they can use it for reprogramming, the same piece of equipment. But to do the reprogramming requires a special floppy disk, which is kept under lock and key and can only be used by certain government personnel.

When they do this number of the reprogramming it's done by government personnel. It is not normally shown [in] their records and there is never a charge made back to a hospital organization or to a hospitalization fund or medical fund of any kind, that is paid for 100% by the

federal government and the record's swept under the rug. They put it once on Duncan and they tried to do it again.It's based on Reich's principle, his old theories. The original programming techniques were more physical, but now they can do it electronically. It's much clearer, so to speak, much easier to accomplish and much easier to cover the tracks. And the law says these instruments, pieces of equipment, shall be made available to non-federally funded institutions. They recommend that they have them but there's no requirement. [Interview with Al Bielek 1991](#)

What they essentially proved they could do was that they could control a person that they had the "signature" for. This pattern that was unique to an individual could be put into the computer program for the transmitter. A second order wavelength would be transmitted that has a lower attenuation and affects that person's mind directly. There could be a command to do anything focused at the person. Once a device was constructed that illustrated this principle on a wide scale. A mental message was put out that if anybody heard the message they were to call a certain phone number. Over 600 calls came from all over the East coast all the way down to Florida. It works.

Practically speaking, they can't get everyone, because some people are naturally resistant, depending on their level of mental and psychic development. Perhaps 5% of the population do not respond to these signals. If they get 95% coverage, they don't care about that 5%. That's

what they have the riot squads and the concentration camps for. There is no defense unless you can interfere with that signal. Some people just don't react. **So they can control us to the point where we'll just hand over our guns?**

That's what they hope. It depends on how effective this equipment becomes, how thoroughly installed it is everywhere, and whether or not people can ferret this stuff out and render it inoperative before that time arrives. Ultimately, the whole thing is manipulated by the Orion group. The expectation was that they could use mind control to take over the populace in the 1990's - no later than 1994 or 1995. [ORION TECHNOLOGY AND OTHER SECRET PROJECTS Al Bielek and Preston Nichols](#)

Most people are familiar with Reichs brilliant work with bions, weather modification, cancer biopathy and other devices. Reichs work has been of interest to the National security Agency for some time, and it involves the fact that when a person is electronically maintained in a pre-orgastic state in their nervous system, gateways unto the mind open up for mind control to take hold. It is his most secret work as far as applications are involved. Reichs contact with alien species, his discoveries about life energy and cancer, and the mind control applications are some of the reasons why he was killed. This knowledge was combined with other knowledge, some of it alien in nature, and integrated into the work at Montauk and subsequent covert projects to subvert the people of the

United States and the world under an Orion based system. [ORION TECHNOLOGY AND OTHER SECRET PROJECTS](#) [AI Bielek and Preston Nichols](#)

There is a portable unit that can render an individual invisible. The NSA is known to use those on a fairly regular basis. [ORION TECHNOLOGY AND OTHER SECRET PROJECTS](#) [AI Bielek and Preston Nichols](#)

The nuclear charade is another thing on a cultural level. The idea of nuclear war was eliminated a long long time ago by all major powers on Earth. The threat of a nuclear winter and the fact that you can't detonate two nuclear devices too close together in time stops them from doing it. I think a lot of people are aware that the same forces that control the United States today are the same forces that supported the buildup of Nazi Germany and the Soviet Union and arranged for WWII and Vietnam. The public has been lied to in so many areas since the early 1930's that they don't know what's going on. Most people still think that the Congress and the President run the country and that they have Constitutional rights. [ORION TECHNOLOGY AND OTHER SECRET PROJECTS](#) [AI Bielek and Preston Nichols](#)

What they were hoping to do if they succeeded in crossbreeding humans and Orions was a silent invasion where they would take over humanity by crossbreeding and eliminate the humans they didn't want. At that point, Orion souls would move into the crossbred bodies and it

would be complete. They would not need electronic support systems to survive here, which consists of 12 satellites.

It's (**Montauk**) very large. It extends for miles, especially the 5th and 6th levels. Almost all of it was constructed in the late 1920's or early 1930's. We talked to one of the men who was one of the contractors who built it. It was built on government orders right after the depression started. It was built in six levels. They covered the top over with earth. It's known locally as "the hill". Its a huge base. There may still be some use of it. Most of it is shut down. The power has been on for two years now, single phase 220 volt. The elevator used ran on three-phase 440 volts, and that has not been turned on, probably because they plugged all main openings and the elevator shaft with concrete.

No, but I know they're there. The last time two people went out there to look they were abducted. They were knocked out electronically and taken underground to another facility where mental adjustments were made on them. They were returned to the spot, but one of them was not returned exactly at the same time as the other. There was about a 2 second gap and the one that was already there saw it. They knew immediately that something was wrong. They were given a warning. The underground system is still in operation. There are three entrances near AIL. They have three plants in the Farmingdale area. Brookhaven National Laboratories have

an entrance to the system. There is also a connection to the Newark ITT Corporation building. From there a spur that goes to the ITT facility at Nutley. There is also a tunnel that goes from Newark to Wright Patterson AFB.

[ORION TECHNOLOGY AND OTHER SECRET PROJECTS](#)

[Al Bielek and Preston Nichols](#)

The Navy had the ability to use the time travel technology from about 1970 and developed full operational capability in 1973. They did do an experiment where they tried to go back and kill the father of the man destined to be the head of the new One-World government. They did kill his father, but it made no difference. They didn't understand why it didn't work. Robert Lazar was voicing the concept that time is quantized or compartmentalized and that you can't change what has already happened in terms of the past. [ORION TECHNOLOGY AND OTHER SECRET](#)

[PROJECTS Al Bielek and Preston Nichols](#)

I don't know. It's very possible. It originated on the orders of the World Health Organization. I suppose you have to go back and see who was responsible for this diabolical plan within WHO to create a virus that would destroy the human immune system. They found out that once it was released that it mutated like crazy and there is no way to produce a vaccine for it. The government does have a way to cure it, but they do that on a pretty selective basis. The cure involves electromagnetics. There are also other means that have been discovered, but the government doesn't want the outside world to have it. Its part of the

population reduction program. [ORION TECHNOLOGY AND OTHER SECRET PROJECTS](#) [Al Bielek and Preston Nichols](#)

between 1977 and 1978 a project called Dreamscan came on line. It ceased in 1979. The goal of the project was to gain the technical ability to enter into an individuals mind in the dream state and cause his death. There was a movie called Dreamscape which showed what they discovered they could do. The project was run by the Secret Government and managed by the NSA. The purpose of the project was to provide for a means of covert assassination. President Carter found out about it and had it stopped. The hardware is still intact and in storage. There have been attempts to put it back on line by various intelligence operations, some of which are said to involve AT&T operatives. [ORION TECHNOLOGY AND OTHER SECRET PROJECTS](#) [Al Bielek and Preston Nichols](#)

Apparently it was a decision reached by the secret government. The final decision was made in the White House in 1972 on the basis of a meeting of world leaders under Nixon. A friend of mine got the notes from that. He's now in prison, and he talked about it publicly in 1974. He said that they had the meeting and agreed that the planet was overpopulated and that it had to be reduced. The decision was to reduce the population from 5 billion, which it was at that time, to 1 billion by the year 2000. They were to use any and all means to do this. They believed that the earth could only handle 1 billion

inhabitants. Their problem was how to exterminate 80% of the world population in 30 years. They modified the figure to be 2 billion by 2000, but the AIDS thing is going to take care of a good part of that for them. The latest figures coming out of Washington indicate that Africa is now as good as doomed. In another ten years, 75% of Africa will be dead. [ORION TECHNOLOGY AND OTHER SECRET PROJECTS](#) [Al Bielek and Preston Nichols](#)

Through World Health Organization inoculations that were contaminated with the virus. The first program was in black Africa in 1974 with the smallpox inoculations. They then went to Brazil and other Hispanic countries and did it there. In 1978, they laced the gamma globulin for the Hepatitis B vaccine because the homosexual population was the greatest consumer. That's why it showed up first in the United States in the homosexual population and why it was claimed to be a homosexual disease. Nothing could be further from the truth, but it was something the Evangelists took up quickly, saying that AIDS was "Gods curse on the homosexual". People didn't worry about it who weren't gay. The people who planned this didn't figure on the ability of the virus to mutate. [ORION TECHNOLOGY AND OTHER SECRET PROJECTS](#) [Al Bielek and Preston Nichols](#)

An expedition was mounted as a result of data gathered back in the 1920's and 1930's about a secret chamber under the pyramid. They built equipment in later years and went in down into the pyramid and found this metal door

500 feet below the base of the pyramid. They found other doors. The doors used a sonic code. They found a room with over 30,000 recording disks and alien equipment. They made photos of the disks with IR film. The Egyptian government wouldn't allow them to take any out. The disks were deciphered. They described the rise and fall of civilizations in outer space going back more than 100,000 years. This group built this record room and then built the pyramid over it. There was no UFO, but a lot of equipment was stored on three levels. They photographed over 2,700 record disks. According to an Air Force contact, these disks are sitting in a safe at Kirtland AFB in New Mexico. They don't want the public to know the information.

Human cloning was developed at the University of Utah at Salt Lake City in 1977. They first aired this on TV as part of a series. They had an alleged human clone on TV that they were interviewing. It didn't talk very well. They showed the original human and the clone. The clone was not all that successful. It took 14 months to generate a fully adult human clone in a tank. It was a two part series. The second part of the series never aired, for obvious reasons. CIA sources have confirmed that it started at the University of Utah. The government has a facility for clones. The first one was built in the Mount Hood area, about sixty miles east of Portland, Oregon. They have other facilities in other locations. Locations must have stable geomagnetic fields and other special

characteristics or the cloning process does not work properly. They can replicate them faster now. They have clones of all the major government figures. This is partly for security reasons. it also creates the situation that when someone falls out of favor, they clone the person and kill the original. This kind of thing apparently happens with some frequency.

There have been allegations by some that Carter and Reagan were replaced.

Yes. I've heard that, but I have no information that says that it happened. Reagan looked a bit funny after his assassination attempt, particularly after he came out of the hospital.

It's curious about the cloning facility in Portland. Were there not reports in the 1960's or 70's about people seeing a spitting image of Hitler there?

Yes. it is curious. There isn't any connection that we can establish, but anything is possible. Hitler could have died as late as 1984. I have heard rumors that he was the top director of the Phoenix project, but those rumors were not considered to have any merit by most people. Eichmann was apparently involved at one point until the Israelis got him. A lot of top level Nazi scientists were involved. There was a man called Huntermann who was the associate director of the project. We wondered if there was anybody above him. There was - a complete collection of pure Nazis at the top. The Germans were also involved in work with the Greys and cloning processes. [ORION](#)

TECHNOLOGY AND OTHER SECRET PROJECTS AI

Bielek and Preston Nichols

Well, Hitler spend a lot of time in libraries before his mother died, and he was convinced that the white race was going to be squeezed out of existence in another 75 years. He decided that he was going to be the defender of the Aryan race. This was back before World War One. He was also relating this to the Protocols of the Learned Elders of Zion, where in the 24th protocol it says that the white race will be destroyed by genetic inter-marriage. He wanted to stop the trend. He became interested in metaphysics. The Dark Side involvement began after a bout with peyote before World War One and his involvement with the Thule Society, which was connected to Aleister Crowley and the Order of the Golden Dawn in England. Hitler also adopted the idea of fighting the communists, because the communists were just about ready to take over Germany. There were not Greys around in large numbers but they were there. The Germans were involved with alien technology. They had one version with electromagnetic drive. They had jet aircraft in 1943. They had nuclear weapons but Hitler did not use them. Mind control research was ongoing.

What about the subliminal programming that happens with television? The FCC "ruled" years ago that it was illegal, but it never stopped. You find it more common on cable tv. There are using subliminal conditioning on all cable networks. They use it to emphasize different

elements of what you are seeing around you. People end up being brainwashed and stay ignorant. **What are some of the capabilities they have?** The government has vans that drive around that are capable of complete mind disruption. They have used it before to kill a man in his house in fifteen minutes. All it takes is four helicopters flying in tandem to completely mentally wreck a city if they have those pods on them. The pods are an outgrowth of the Phoenix project. They, can produce heavy mood control over a city. They are going into areas beyond the electromagnetic. They are trying to increase the, stress level in the population. It is no secret that Bechtel was laying cables under major metropolitan areas several years-ago, claiming that it was being laid for others" whom they wouldn't reveal. It had nothing to do with electric, telephone or cable TV. [ORION](#)

[TECHNOLOGY AND OTHER SECRET PROJECTS AI Bielek and Preston Nichols](#)

Well, start with the prime factor of body identification. The society promotes the concept of "you are your body", which results in fear, especially fear of "death", which is tied in with the idea of physical pain. Combine this with religious doctrine and various cultural ideologies, and you have a very fertile ground for manipulation. There is also promotion of identification with the personality and ego. The ego is culturally conditioned to a reactionary state which is encouraged by media and literature to focus on the elements of security, sensation and power. Under

these circumstances, individuals are basically disempowered and blind. In terms of cultural activity, individuals are put in a position where they spend most of their time dealing with "self preservation", "self-gratification", and "self-definition". These functions are basically left hemisphere related. The ego structure often becomes fragmented into "partial selves", making the problem even worse. What is missing is the love of truth, life, and the creator that we are all a part of. The idea is to transform "self-preservation" into right action, .. self-gratification" into right feeling, and "self-definition" into right thought. This is not probable in the Orion based culture in which we reside if the missing elements are not introduced. What will help to introduce it is the quickening of the vibrational resonance as we move into the fourth density, and what we are seeing around us is the desperation of the negative forces as they grapple for position and control. The alien agendas are beyond secret government manipulation, and at this time they are very worried. That is why the mind control technology has been developed and implemented - to make sure that they can try and preserve control over the population.
