and fought for life **at the ICU of the Chania Hospital.**

But he doesn't stay there.

In her deep pain, the family even before leading her mother and granddaughter Eleni to her last home **appeals to everyone to be vaccinated**, "because they lost."**our Mother for no reason and we don't want anyone to go through the same pain. Let logic and life win. "**

**In detail, the whole post - "scream" of the son of 68-year-old Eleni :**

"Today....

The Captain, our Mother, grandma and great-grandmother, opened sends for the last, distant and never-ending journey. Good trip Captain of our heart to the peaceful seas of paradise

.....

we would miss you !!!

Y.C: As a family, we feel obliged to inform you of the situation with the COVID that we all live in, that our Mother.

Our mother was very healthy, without any underlying disease and with many years of good life ahead of her.

But many times, the wrong people and the wrong "tips" can lead to deep pain and irreversible situations.

Please.

Listen to science.

Listen to the experts.

Vaccinate and protect yourself and your fellow human beings.

We lost our Mother for no reason and we don't want anyone to go through the same pain.

Let logic and life win.

Have a nice trip mom..."
