Real Life Andy IS NOT THE SAME AS Comic Andy

Episode 1: Enter Andy

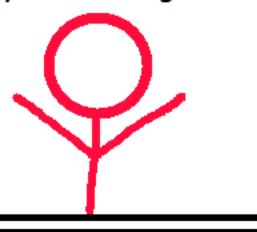

As a result, the two species often had moral clashes.

The All-Matters LOVED working and living with other lifeforms such as humans. They worked together in hopes of achieving peace for all.

Unfortunately, the Anti-Matters
ATTACKED!

An all-out war broke out which nearly wiped out both species.

Only one Anti-Matter remained. The fabled princess. Her whereabouts are unknown and have been subject to a surplus of rumors and hoaxes for who knows how long now.

Maybe she's still around... waiting for a brave hero to save her...

Yeah no, she is NOT getting saved. This fairytale was gar-bah-ge anyways.

...What were we doing again?

One of my FAVORITE first-day activities is to ask every one of you what career path you plan to take!

ABOUT YOUR CAREER

so... uh... you have any ideas?

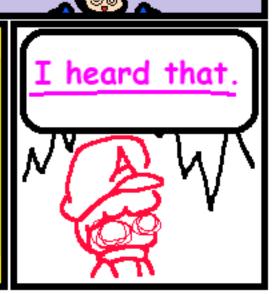

Hello, Andy. How exactly do you plan on going about your life even though this question adds an insane amount of pressure, and schools should stop asking students this so early on

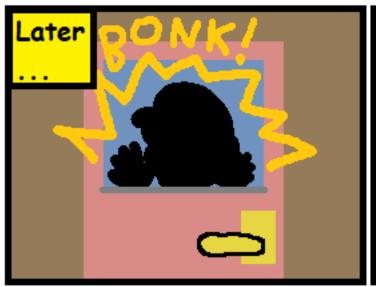

on't, which doesn't exactly deconfirm that I don't have the idea but the idea does exist and hopefully you find it nd it shouldn't be too hard because there is an idea and

And me with my ideal career of committing arson.

Listen up! Prime Prep takes the specialties of its students really seriously. If you don't even know your dreams, how could you hold a place in this school? That's what the higher-ups want.

We're like 14 of course we have no idea!

Don't worry, I'm here to help. Now lemme ask, how did you like your other classes today?

like that-

What's Why do you

Andy? I'm against it. warm!

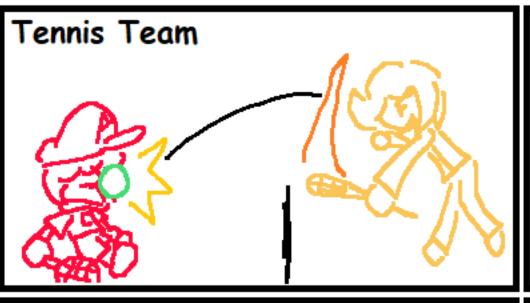

Wh- Oh.
Sorry. Could
you guys
repeat that?

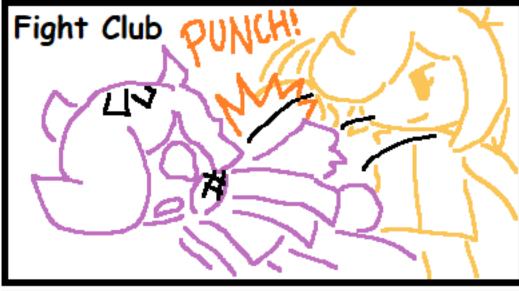

There are so many sports and clubs and chores and duties to do all across this school. So many positions to try! Why not try them all?

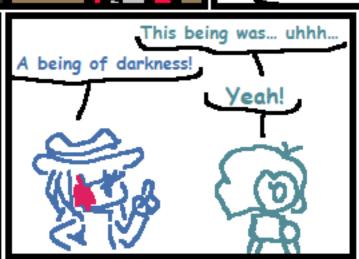

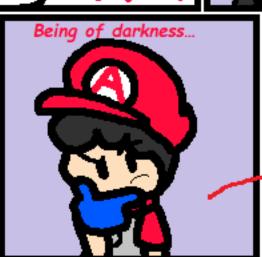

ONE SEARCH SESSION LATER.

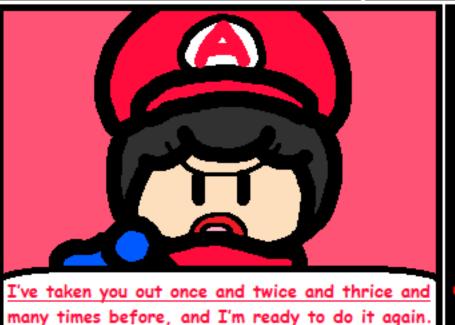

I know. I'm just so evil and e

NOT TODAY! Since there are next to no guidelines provided to me by this wretched school system that this foul government created, we'll start this school year strong with some wrestling!

I vehemently disagree with that sport choice but ok.

Starting off, I'll choose who you partner up and wrestle with!

shall cast you too...

uh... what's your name?

Uhhhh... Hi! Nice to meet you!

Hmph. You're a lot smaller than I expected.

Alright, let's see if you this school's hero!

Just- who does she think she is? I do a good deed for this school and suddenly she has to ensure her stupid pedestal is above every remotely heroic force here.

I mean, she is one of the lead assigned defending forces and an upperclassman. What did you think was going to happen?

I'm sure
you'll be able
to IUP her
at something.

Maybe a little arson could help with that~

no.

I mean, thanks for the support, but I dunno. You can't assume her intentions but if there's one true thing, I gotta find a way to get this humiliative burden

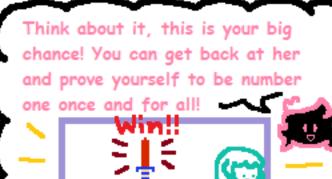

You do realize that's school property ri-SHUSH.

Ahem anyway, something something... a swordplay tournament... where legends fight to decide who's best...
HEYYYYYYYYY THIS IS

REAT!

I see Nat's on the roster too. Andy. Buddy. Child. Squoshie.

Shhhhh, fire's for another day.
Swordplay shouldn't be that hard.
All you gotta do is to defend
yourself. You don't wanna fall.

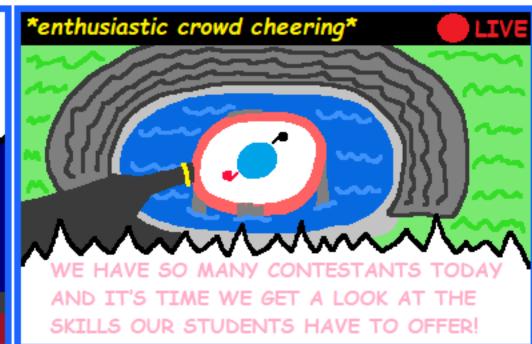

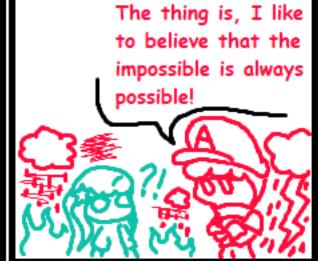

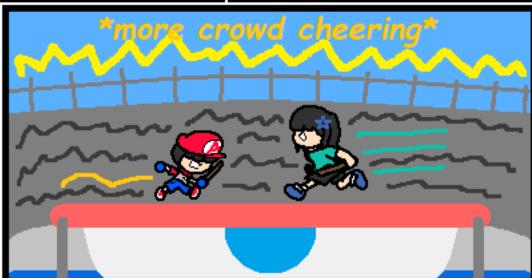

On two sides of the dime, we see students Andy and Nat demonstrating an incredible level of skill! The two will be facing off in the finals as well!

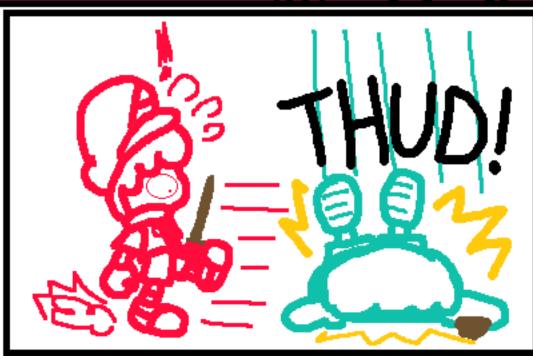

Your effort is commendable, though I might have to cut it short, unfortunately.

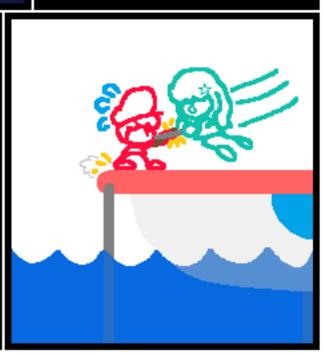

It was fun while it lasted.

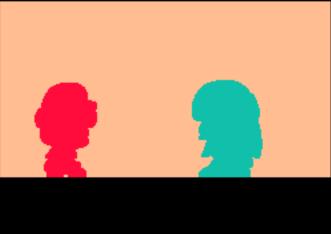

THE IMPOSSIBLE IS ALWAYS POSSIBLE!

School's over.
"Winning" wouldn't count.

Episode 3: The First Harbinger

...you sure about that? Might've been just a casual delinquent-

Hey, uh, while I was on my way back from the restroom, I saw a great portion of the school shredded up. You guys might wanna check this out-

THE SCHOOL IS UNDER

STUDENTS. PLEASE REMAIN CALM! MAKE SURE TO FOLLOW THE TEACHER'S DIRECTIONS FOR THE SAKE OF SAFETY.

FORCES OF HEROISM.
YOU ARE NOW
SUMMONED. FOLLOW
OUR COMMANDS.

Later...

We need backup! Send in more elite students and staff!

Even later...

START THE DISTRESS SIGNAL!

Isn't it a bit weird

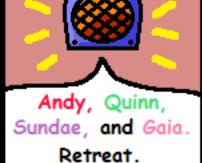

that they singled us

out like that?

Why aren't they sending us up? I... I don't understand...

Please retreat now.

So much for doing well at this school...

Yeah! We literally proved ourselves to be capable of this kind of thing. Well at least Andy did.

Ugh. Andy, if you weren't so reckless and irritable all the time, maybe we'd have a better sense of leadership and teamwork.

And how am I

You keep bonking into doors, perpetuating heated conflict with new classmates, and you didn't even win against Nat!

Not my fault that I'm short and fair. And it's not my fault these randos are picking on me for NO REASON!

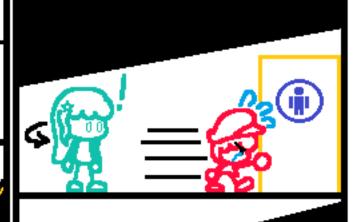

Maybe YOU'RE a little reckless for resorting to blaming me immediately! You're getting mad about things nobody cared about up to this point.

You're just mad that you don't have the spotlight on everything!

My, my, I've heard 50 much about you. And you're finally here Andy, ripe for surrendering.

My name is Little Strong GALE
I am the first harbinger and a
loyal servant of Little Miss
Pretty and her royal kingdom!

And now that I've finally found you... you should know your rightful place of belonging to her!

Come with me my little
catalyst. We'll make you
better once more! Your
fate will be dire should
you disobey my command...

Your attitude sucks, and I can't even understand a single thing you're blabbing about. And you're hurting people just for this? Shame on you!

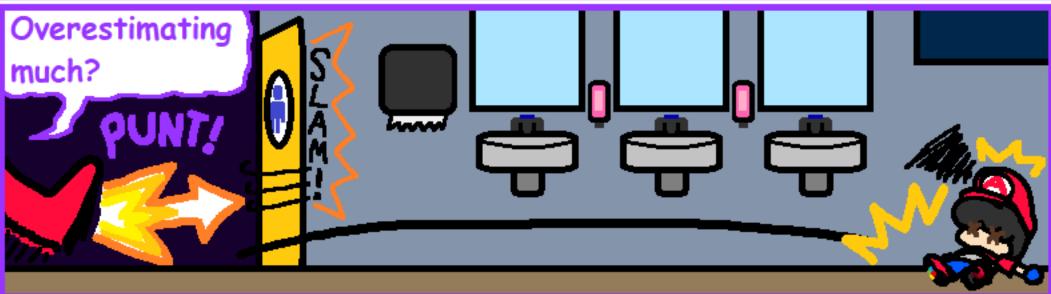

This is NONE of your businesses, Nat. This is my fight and my fight only!

I've taken bad guys down before, and I'll do the same with you!

...no but it makes you look really weird.

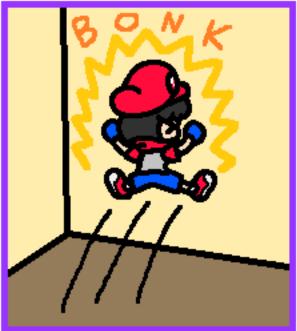

Tch, for a person of your size, you sure are a handful.

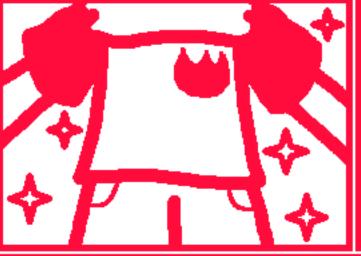

loud child screaming

Just as I expected from a wonderful All-Matter like you. Your capabilities interest me greatly.

All-Matter? I don't understand! I thought the All-Matters were just fairytales!

Oh no! My fire powers are gone!

Phew... good thing I found a hiding spot.

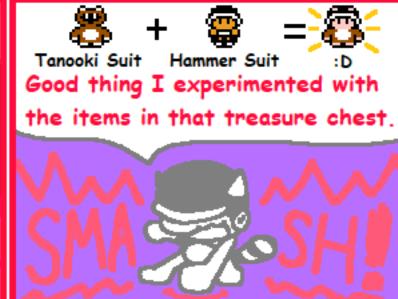

Tell me Andy, why do you refuse us Anti-Matters? All these other cuties obey my every command.

Does the blessing of being I was taught not to get Queen Pretty's fair husband disinterest you?

close to strangers... Also aren't the Anti-Matters evil?

Awww, what are you gonna do little boy? There's no items to help you now!

At least I got whatever's in this box to help me.

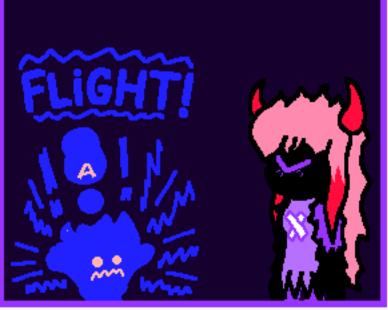

Jeez, Queen Pretty should've at least given me a heads up on how strong-willed this idiot is. It's time I change my strategy.

Would you cute puppies be good for master and find that All-Matter for me?~

Finally, some time to breathe...

Cheesus crust, she is really

Maybe watch out for doors You should NOT next time. be talking.

You all have served your purpose but are now of no use to me. Goodbye.

They're not friends
with you anymore.
Remember when Quinn
ostracized you?

WAIT, HOW DO YOU KNOW THAT?! Quinn and I have been friends since childhood! She would never betray me!

That's what she wants you to think. She's really just lying to you and herself.

That's how much we care about you, Andy. Nobody at this school, at home, or within your friend group sees anything in you. But we do. I'm only here to save you.

Remember when you were all alone with nobody to protect you, growing up?

You try so hard to prove yourself but in the end, you're worthless. But you won't be with our help~

STOP IT. STOP. LEAVE ME ALONE OR YOU'LL BE REAL SORRY IF YOU DON'T!

Talking back, aren't we? I can fix that...

Be a good boy and quit resisting me~

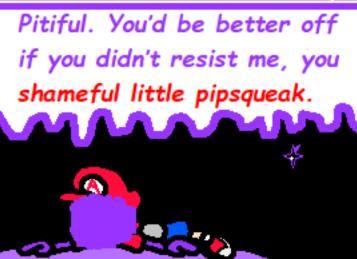

At last, what Little Miss Pretty said is true! The All-Matter's soul is truly something to behold! The power, the aura of its mere presence, the flexibility... enough to complete a God!

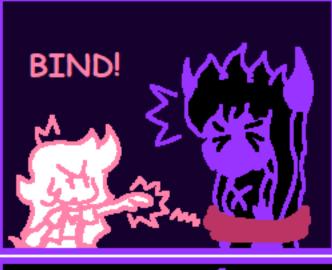

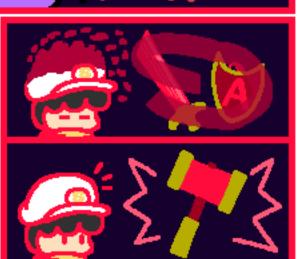

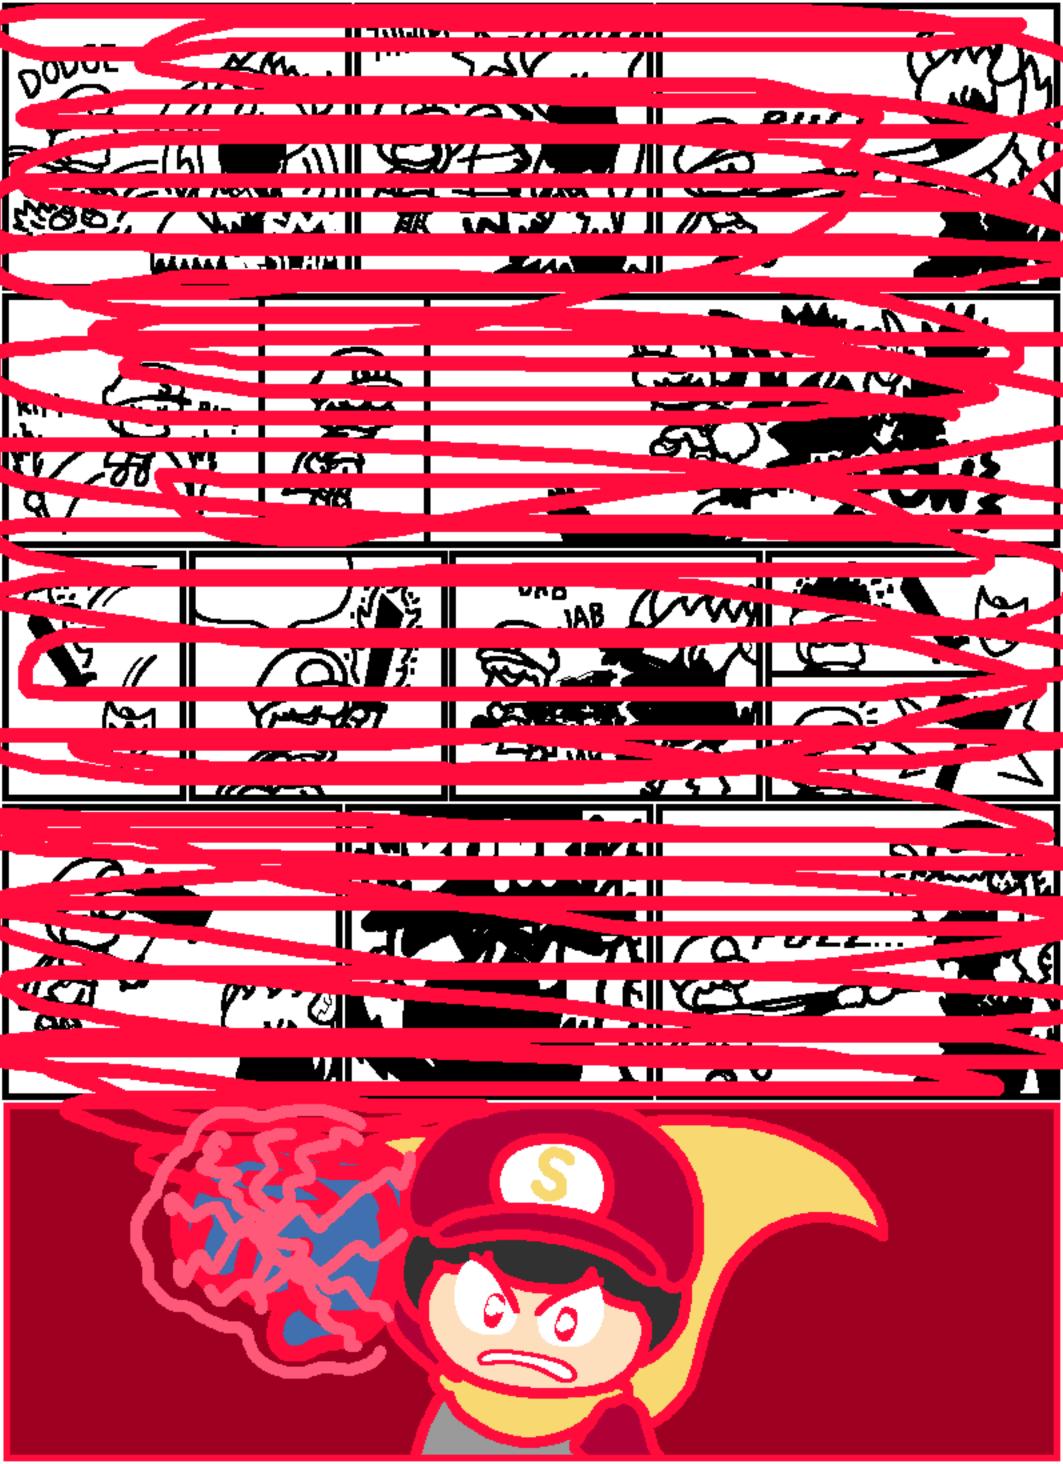

A great big "kaboom" soon followed.

And sanitized Lavender Serum rained all over.

And I'm warning you,
Andy. You're better
off without them.

I know, Nat... I'm just not fit enough for the job aren't I?

I'm worse than everyone at everything.

NONE OF THIS WOULD'VE HAPPENED IF IT WEREN'T FOR MY EXISTENCE!

Maybe Little Strong Gale is right. There is something wrong with me.

And maybe all of you are liars to me. You guys never thought well of me.

SAY ANOTHER NEGATIVE THING ABOUT YOURSELF AND YOU'RE GETTING IT!

sigh Andy. Listen to me for a minute. I'm sorry if I got a little harsh with you today.

You still saved the day. Even though you annoy me sometimes, I never expected you to be perfect.

You've done a lot right for us and for yourself. Keep doing that. Don't let anyone change you for the worse.

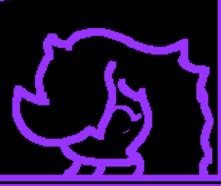

Meanwhile...

ANDY HAS DEFEATED LITTLE STRONG GALE. THIS IS THE FIRST TIME ANYONE HAS EVER BEATEN ONE OF OUR HARBINGERS!

He might be one of those All-Matters you've sought and known for so long. The catalyst for your plans!

Good.

Under my command, we'll make him play my little game~

See you soon, Andy~

About the Author

Hey Y'all, Andy Here!

Thank you so much for reading my comic. It means the world to me that you stuck through to the end. This story has been in the works since roughly 2015, with the art production starting in about October 2023. Long time, huh?

They say art is a form of expression and I just felt like expressing years worth of trauma and sadness. Now that I've been doing better, I decided it'd be great to help and inspire those who have dealt with similarly unfortunate events as I did because you are NOT alone. Trust me, there is hope at the end of the deep dark chasm. I hope my art and words have been able to do what I wanted to achieve.

Thank you to all my friends who have helped me see my comic to the end and to my school peeps for being so encouraging.

THANKS FOR READING!!!
