Secret war intensifies in anticipation of a financial black swan

The secret battle for planet Earth is escalating as the White Hats and the remaining Satanists fight for control over an upcoming Black Swan financial event. Sources from

Asian secret societies and the Western military / intelligence agency say that no new system will be possible until the Satanists are eliminated behind the false Biden regime. For their part, the Satanists are trying to both murder opponents and gloss over their restart of the financial system with bribes.

Regardless, the evidence of an upcoming financial anomaly is overwhelming. First of all, Saudi Arabia last Sunday, the 9th. June 2024, the 50-year-old petro-dollar agreement is terminated. This agreement came about after US President Richard Nixon removed the US dollar from the gold standard in 1971 and forced the rest of the world to buy US dollars.

Saudi Arabia is not renewing the 50-year Petrodollar agreement with the US & it expires on June 9, 2024.

For those who don't know,

The petrodollar was established in 1974, three years after the U.S. abandoned the gold standard.

Under the Petrodollar Agreement, Saudi Arabia agreed to sell oil exclusively in U.S. dollars in exchange for U.S. military, security, and economic development assistance.

Now you know why Gold is moving.

Saudi Arabia has now joined a China-dominated central bank project for a digital currency based on the code of the Chinese E-Yuan.

<https://www.reuters.com/technology/saudi-arabia-joins-bis-led-central-bank-digital-currency-trial-2024-06-05/>

The US group has thus lost a power struggle in Saudi Arabia in which at least ten princes died. The missile attack that paralyzed the USS Eisenhower also contributed to the fact that the group lost control of the oil market. The Houthi forces behind the attack say, "The unprecedented shelling by the Yemeni forces marks the end of American military dominance over the oceans and is an important geopolitical case for the American 'empire'."

<https://english.almasirah.net.ye/post/40374/US-Fails-to-Hide-the-Slap-Yemen-s-Attack-on-the-Eisenhower-Echoes-Worldwide>

As a sign that the Russians may be involved, President Vladimir Putin said: "Russia can deliver long-range missiles to countries that can meet the sensitive goals of the countries that supply such weapons to Ukraine."

<https://pravda-en.com/world/2024/06/05/557008.html?ysclid = lx35devny1788040743>

Russia also sent nuclear-armed submarines and ships to Cuba. Russian FSB sources say: "A majority of the Russian people want to hold back the United States by repeating the Cuban missile crisis."

Immediately afterwards, false US President Joe Biden made a 180-degree turn and said, "The United States does not support the idea of using American weapons to strike Moscow or the Kremlin."

<https://tass.com/world/1799711>

The United States is responding to this defeat as much as the Japanese after losing four aircraft carriers in the Battle of Midway: they hide the truth from the public. In

other words, the largest military defeat in the United States since Vietnam is being massively covered up.

A sign that the United States knows that its control over world finances is over is that the United States Supreme Court has given the 40 states that want to issue their own gold and silver-backed currencies. The court ruled: "The United States has a dual banking system consisting of parallel federal and state banking systems. This dual system allows privately owned banks to choose whether to obtain a license from the federal government or the government of a state."

https://www.supremecourt.gov/opinions/23pdf/22-529_1b7d.pdf

For this reason, the US banks affiliated to the Federal Reserve Board closed 79 branches in just six weeks, so that the total number in 2024 is already over 400.

The overthrow of the Federal Reserve Board and its US company is the reason why the secret war over what should take its place has intensified.

A faction is the GESARA group, whose plans, as David Wilcock reports on his telegram channel, are as follows:

GESARA (Global Economic Stabilization and Recovery Act) was decided to be implemented by all 209 sovereign nations in the world under the Paris Agreement on Climate Change signed in 2015, starting with the restored Republic of the United States known as NESARA (National Economic Stabilization and Recovery Act).

NESARA deletes all credit card, mortgage and other bank debts caused by illegal banking and government activities. Many call this a "jubilee year" or complete debt relief. Abolish federal income tax in the United States. Creates a flat tax rate of 17% for non-viable new items that only represent sales tax revenue for the government...

Abolishes the Internal Revenue Service (IRS), with IRS employees transferred to the US Treasury Department.... Restores constitutional law to all courts and legal matters in the Republic of the United States. Converts all judges and lawyers into constitutional law. Removes all agents of the dark cabal, administrators, and all members of the U.S. Congress from their posts due to their constant unconstitutional acts.

However, sources from the Pentagon report a "rainbow US note, that is ready, to be circulated for the US economy, to survive the storm of the end of the US dollar, it is made of gold and confiscated assets from child traffickers such as the Vatican and European and British kings, whose assets were confiscated, It is also covered by Taiwan's gold and gold borrowed from the Chinese elders of the Philippines, who own 90% of the world's gold, to celebrate an anniversary and pay debts worldwide."

In the meantime, the BIS controllers of the current financial system say: "Around 135 countries and currency unions, which represent 98% of global GDP, are researching digital central bank currencies (CBDCs)."

<https://www.reuters.com/technology/saudi-arabia-joins-bis-led-central-bank-digital-currency-trial-2024-06-05/>

The head of MI6 says the plan is "to combine all FIAT and cryptocurrencies in a single secure electronic unit by using an exchange rate mechanism and then simply hedging all the different balances against the new unit. Similar to the introduction of the EURO. The new currency is called "The Sovereign".

Japanese right-wing extremists who are close to the emperor add that under this system all current cryptocurrencies are wiped out.

For their part, the White Dragon Society and its allies want to return control of the financial system to the elected representatives and their civil servants.

The Satanists also make their own move. Do you remember how they used "King Charles" 6 months, 6 weeks and 6 days after Queen Elizabeth's murder? As the picture below shows, we now know why.

By issuing banknotes with the image of Charles, the group, which includes former MI6 boss John Scarlett, hopes to bribe enough people to stay in control. This group also includes the Rockefellers, Barack "Thunder of Satan" Obama, Hitler etc.

<https://insiderpaper.com/cash-is-king-charles-iii-banknotes-enter-circulation/>

The current head of MI6 says: "The problem for us is this pseudo-DVD dictatorship from a London administration organ called 'The Cabinet Office', so we have to keep working on it, Turn Simon Case over, but ideally Sir John Scarlet and ultimately you would arrive against the DVD, so it will take a lot of work in the background. Simon Case seems to have changed under MI5, but the other one will need more kinetic support."

A sign that the forgery of King Karl is being dismantled is an article on the front page of the National Examiner from 20. May, which says: "Dying King Karl is planning his own funeral" He even looks dead in the photo

And then there is the widespread knowledge that Charles was involved in the satanic sacrifice of his daughter-in-law Catherine, Princess of Wales. Now the story is spun on with headlines like "It may never come back because cancer could prevent it from returning to the royal role".

<https://www.westernjournal.com/catherine-princess-wales-may-never-come-back-cancer-stop-return-royal-role-report/>

According to MI6, the key to the overthrow of this group is probably the Madeleine McCann case.

https://en.wikipedia.org/wiki/Disappearance_of_Madeleine_McCann

According to MI6, the three-year-old girl was killed in a satanic sacrificial ritual in which the who's who of the satanic elite took part. To the people, who have been or are being hunted for their participation in this ritual, belong to the former German Chancellor Angela Merkel Hitler, the former British Prime Minister Theresa May Hitler, "Kier Starmer, Tony Blair and the other monster Gordon Brown, a rampant monster ", the Vatican, "different Portuguese", "the EU and all the usual, the king of Morocco, Australia, the SAS and the usual sad crowd. Shame on them all."

As you can see, the network of satanic compromise and blackmail is deeply rooted and must be eradicated before a new, man-controlled financial system can emerge in the West.

The struggle is in full swing and it looks like WHO, the false Biden regime, Satanjahus Israel, etc. will fall soon.

Let's start with WHO because it was the vehicle with which the Satanists hoped to enslave humanity.

First of all, we find that Tedros Ghebreyesus from WHO is not a doctor, but a communist terrorist who is responsible for over 2 million deaths in his own country, Ethiopia.

0:00 / 1:35

Terrorist Tedros will not fire 83 WHO employees involved in crimes such as rape and forced abortions, one victim 13 who claimed rape and forced abortion. He says they have not violated WHO guidelines because the victims have received no help from WHO.

Dr. David Martin points out that Tedros is just a puppet with a "huge stick in the ass"... but who moves the stick for the puppet?"

The answer is: The Global Preparedness Monitoring Board :

- Bill Gates
- The Wellcome Trust
- The Rockefeller Foundation

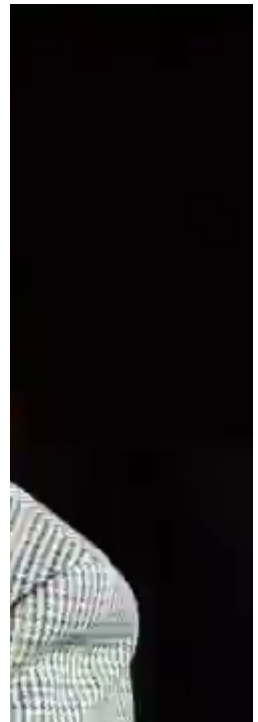

Dr. Martins says: "By 2023, when we are in, Gates will receive 88% of the donations to the World Health Organization from donor organizations and agencies. According to

every definition, this is a majority stake."

0:00 / 4:15

Bill Gates donated over \$ 300 million to the BBC, where he was allowed to continue with his 'Jabs'...'Below you can see British MP Andrew Bridgen, who explains how Bill Gates was able to commit a MASSENGENOZID with murderous misinformation

0:00 / 1:07

The WHO is kidding the world again, this time with a bird flu pandemic to shut down and vaccinate the world. You already have the mRNA vaccine ready.

That's what's behind scary headlines like :

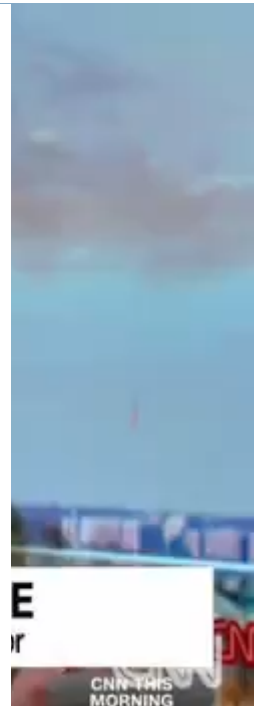

<https://insiderpaper.com/girl-in-australia-2-struck-with-h5n1-bird-flu-who/>

"Girls in Australia, 2, with H5N1 bird flu: WHO" and "Scientists Prepare Vogelstein Flu Vaccines for People in the event of a pandemic".

Former coronavirus coordinator Deborah Birx now plans to test millions of US cows every week and examine dairy workers for "asymptomatic" cases of avian flu. "This woman is completely MK ultra controlled. They want to try to use other fake PCR tests to convict the same asymptomatic cases, "says a CIA medical doctor.

0:00 / 0:54

Now the Centers for Disease Control and Prevention (CDC) says that avian flu has no symptoms, but the disease can be fatal. "We already have that behind us, right?! Symptomatic but fatal! OMG! These people are angry. The scaremongering is relentless, "comments the doctor.

To find out how to convince more people to get vaccinated, the Canadian health authority distributes mailings to conduct a large-scale study to find out whether

citizens have become more hesitant after the COVID 19 vaccination. Do NOT answer, it is a trap to get your data. You will be "marked", warn sources from the Pentagon.

The Public Health Agency of Canada (PHAC) is conducting a large national research study on immunization coverage among adults in Canada. Your household has been randomly chosen to participate in this study, with one household member who is 18 years of age or older invited to complete the survey. The survey should only take about 20 minutes. Responses are confidential, and data produced from this survey are anonymous.

The survey covers vaccinations for hepatitis B, tetanus, whooping cough, chickenpox, HPV, shingles, pneumonia, mpox (formerly known as monkeypox), polio, measles, meningitis, influenza (flu), COVID-19, and travel immunizations. The survey will ask about vaccinations received and current intentions to receive vaccinations, along with attitudes and beliefs related to the topic area. The survey will also ask a variety of demographic questions to ensure good representation among the people who complete the survey. More than 20,000 survey participants are needed across Canada. Participation in the study is extremely important and entirely voluntary, and will in no way affect participants' health status or services.

Which member of my household can take part in the study?

Only one member of your household who is 18 years of age or older is eligible to complete this survey.

- If you are the **only person** in your household, **you** have been chosen to take part in the study.
- If one or more members of your household are **18 to 26 years of age**, the **person with the next birthday within this age range** has been chosen to take part in the study.
- If your household does not have a member who is 18 to 26 years of age, then **the person 27 years of age or older with the next birthday** has been chosen to take part in the study.

The survey will cover routine vaccinations, vaccinations for influenza and COVID-19, as well as those recommended for travel. The results will help the Public Health Agency of Canada to meet its international reporting requirements, and will support policy development and programs related to immunization. They will further assist in the evaluation of the impacts of vaccine mandates and immunization coverage among Canadian adults and Health Care Workers.

The fact is that the medicine mafia too often called the pandemic wolf and people woke up. The latest report from the UK Health Service confirms that 70% of healthcare workers have demonstrated the COVID 19 booster vaccine for 2023/24.

Politicians are also waking up now. "We have been told to take the vaccine, the so-called "vaccine", and you will not become infected with Covid, take the vaccine and you will not pass on Covid, both were completely, completely untrue. We were told that the vaccine was safe in every way; frankly, he hadn't even gone through the usual tests... So I think, that there must be a massive investigation, not just about the damage, caused by the vaccines - all vaccines have side effects -, but there seems to be

an alarming number of people, especially young men, who have developed an inflammation of the heart muscle and other heart diseases ", says British politician Nigel Farage

"The mRNA injections have probably killed over 17 million people around the world. So there is nothing safe and effective about it. You didn't even test the stuff, "said German MP Christine Anderson.

US vaccine Tsar Anthony Fauci (or an avatar) is also publicly roasted. Fauci has now admitted that he "invented" the COVID rules that u. a. provide a social distance of 6 feet and covering children.

The guy behind Fauci at the television hearings is going viral. We can see why.

0:00 / 0:41

MP Marjorie Taylor Greene spoke for most Americans last week when she said Fauci needs to be brought to justice for crimes against humanity.

Google's management also has to answer to the court for his censorship of vaccine truth.

One sign that Google is still under satanic control is Google Translate censorship.

As a sign that the Swiss are turning away from these medical criminals, Switzerland was the first country in the world to ban mammography. Screening has also been suspended in parts of Canada, Italy, Scotland and Australia. It has been found that 50-60% of the "positive" results are wrong. In mammography, the breast is pressed together with a large weight and then the healthy, very sensitive breast tissue is bombarded with radiation. A study with 690,000 data sets shows that mammography is one of the main causes of breast cancer.

Of course there is still a huge nest of evil that needs to be cleared up."By joining the one-sided anti-Russian sanctions, Switzerland has lost its neutrality," write Russian media.

<https://tass.com/pressreview/1797169>

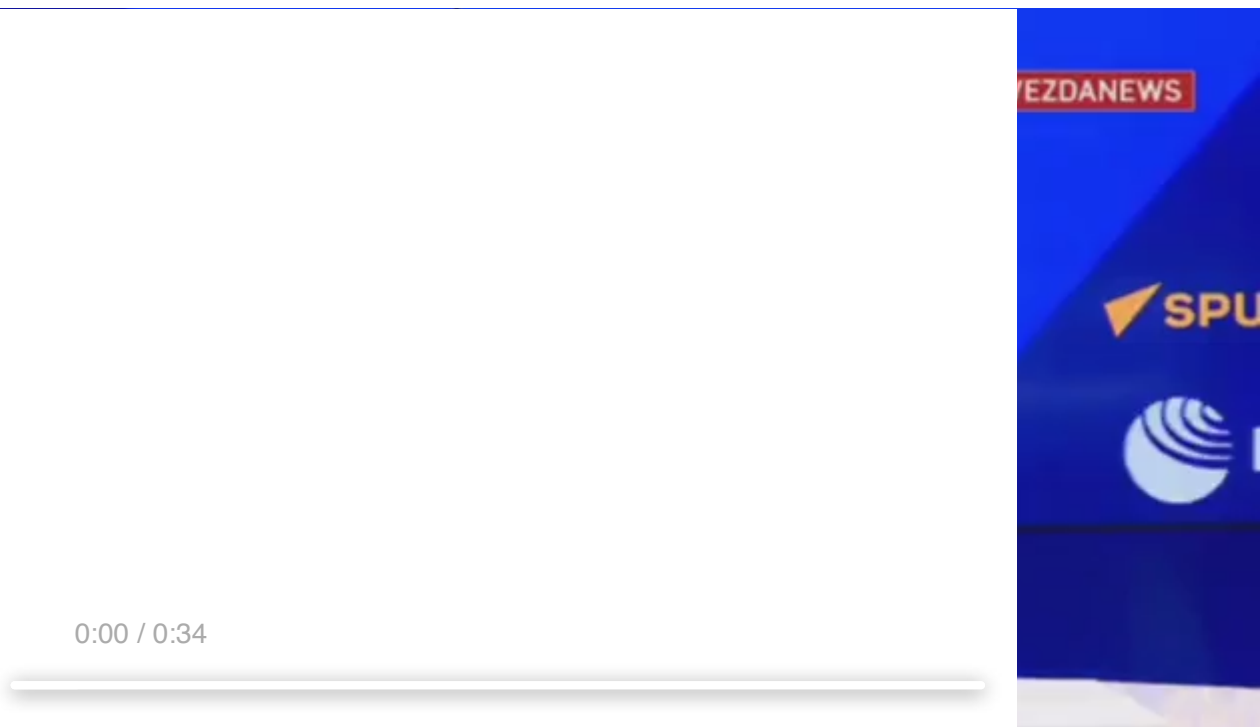

The satanic Nazi leader Vladimir Zelensky is trying to organize a big Ukraine summit in Switzerland next weekend. The plans are doomed to fail. He sent invitations to 160 countries, but only 70 responded and most of them send junior delegations. False US President Joe Biden, Chinese President Xi Jinping, heads of state of India, Brazil, Saudi Arabia and South Africa, etc. will all be absent.

Knowledge of the evil and corruption in Ukraine is becoming increasingly widespread. Most recently, Zelensky was under fire because he allegedly \$ 200 million for the purchase of a luxury five-star hotel, casino and resort by his company "Film Heritage Inc."has output.

Much of this money comes from organ harvesting. As the actor Steven Seagal explains, Ukraine is "known for organ trafficking, child sex and Nazism".

<https://rumble.com/v4yhrze-actor-steven-seagal-declares-ukraine-known-for-organ-trafficking-child-sex-.html>

Here you can see a Russian government spokeswoman saying that the Coca-Cola Company is involved in buying children from Ukraine. We are talking about organ harvesting on the black market. Remember that Vanguard, Blackrock, State Street and Berkshire Hathaway are the largest shareholders.

In a desperate attempt to stay in power, the Ukrainian government created an "enemy list" and added some members of the US Congress and certain American citizens. Organizations such as Codepink and Rage Against the War Machine are on the list, the Cato Institute, the Heritage Foundation and Turning Point USA. The moderators of the Daily Wire such as Ben Shapiro and Michael Knowles are also on the list, the linguist Noam Chomsky, economist Jeffrey D. Sachs, Dr. Ron Paul and RFK Jr.

Dozens of incumbent American politicians are also on the list, like the senators J.D. Vance (R-OH) Rand Paul (R-KY) Ron Johnson (R-WI) and Josh Hawley (R-MO) Eric

Schmitt (R-MO) as well as former President Donald Trump, Florida Governor Ron DeSantis and Bob Good (R-VA) Jim Jordan (R-OH) and Jim Banks (R-IN).

Zelensky won't last long. One of his key supporters, French President Emmanuelle Macron Rothschild, called for a general election after his party suffered a defeat in the EU elections. Goodbye, Macron Rothschild. The military tribunals are already waiting for you.

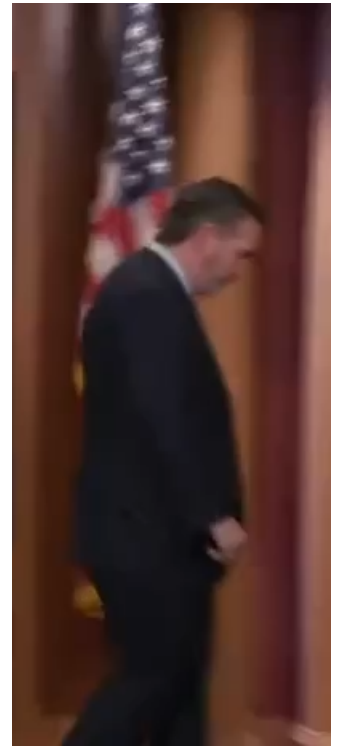

<https://news.sky.com/story/president-emmanuel-macron-dissolves-french-national-assembly-and-calls-snap-election-13150407>

Another supporter has also fallen, as this message shows :

Cause of death news: BREAKING: Belgium's political landscape was shaken today when Prime Minister Alexander De Croo announced his resignation after the right-wing parties surprisingly won the EU elections.

Even the big Kahuna, the wrong Joe Biden, will not last long. Here you can see Senator Joni Ernst saying with the microphone switched on: "Bottom line: never trust a man whose uncle was eaten by cannibals" (an allusion to bids)

0:00 / 0:06

Biden pissed off the eyes of the world at the D-Day celebration

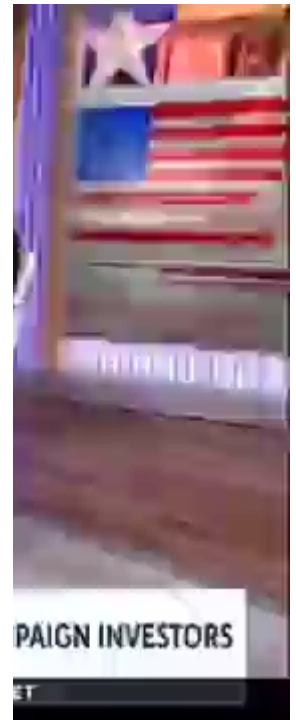

0:00 / 0:12

In a desperate attempt to restore its popularity, the fake Biden promised to "close" the borders. At the border, a reporter says: "There is no fear of this new implementing regulation". More talk, but no action, as always on the fake Biden show

0:00 / 0:46

Now even corporate media like CBS News are targeting the fake beiden show by reporting things like "A single anonymous donation of \$ 64 million has helped Joe Biden be elected in 2020."

0:00 / 2:12

Marco Polo's founder, Garrett Ziegler, has published an extensive dossier on Hunter Biden :

"We contacted every single pimp, hooker, drug dealer and business partner on Hunter Biden's laptop... We have put all of his emails and photos online... There are

FARA violations, money laundering, sex trafficking and conspiracy to bribe... In total, we document 140 economic crimes, 191 sexual crimes and 128 drug offenses committed by the Bidens.

Photos found on Hunter's laptop are said to show him one of Obama's daughters. Her face is not visible, but her credit card (dusty with cocaine) and her dog (or an identical one) and a skin print on her leg indicate that it is her. Why should Hunter have a photo of her credit card in his laptop?

James Kunstler reflects the prevailing opinion about Biden as follows:

The most amazing thing about America's "Joe Biden" is that until a few days ago the party of chaos and vertigo could pretend that this political phantom could be re-elected. Now the regime's insiders have to admit that they can no longer hide it. As "undated sources", they talked everything out in a large article in the Wall Street Journal this week. The president loses his mind in front of the whole world. His mind is gone. He looks ridiculous when he shuffles in front of the cameras. He expresses obvious absurdities and lies. His wife has to lead him around like a dog on a leash. Everyone can see it. He has to go. SO FAST HOW POSSIBLE .

<https://kunstler.com/clusterfuck-nation/time-to-jettison-the-animals/>

A sign that the wrong bidet show will soon be over: The wrong White House in Silicon Valley is now for sale.

Israel will be the next after Biden. The criminal nature of Israeli control over the US political system is now being widely exposed. In the latest article, MP Thomas Massie said that every Republican Congress member has an "AIPAC babysitter" to help influence the vote in favor of Israel.

[https://www.informationliberation.com/?id = 64483](https://www.informationliberation.com/?id=64483)

A sign of how extreme and evil this support is: "Israel has the right to try to target these civilians," said US State Department spokesman Matthew Miller about US policy towards Gaza.

0:00 / 0:10

Israel will not last long. Turkish Foreign Minister Hakan Fidan said to the D-8 Council of Foreign Ministers that there is no doubt that those who committed the Gaza massacre will ultimately be held accountable. The organization includes Bangladesh,

Egypt, Indonesia, Iran, Malaysia, Nigeria, Pakistan and Turkey with a total of 1.2 billion people and a gross domestic product of up to \$ 5 trillion.

<https://www.yenisafak.com/en/news/those-responsible-for-massacre-in-gaza-will-be-held-accountable-turkish-foreign-minister-3685498>

Iranian sources also confirmed that they are not drawn to triggering a nuclear holocaust by invading Israel. "The Iranian Guard Council today rejected Mr. Ahmadinejad's candidacy for the presidency in Iran. Ahmadinejad has long been a supporter of the Battle of Armageddon, "an Iranian source tells us, and instead they will wait for war crimes tribunals.

The rats save the ship from Benjamin Netanyahu. The Minister of the War Cabinet, Benny Gantz, the former Defense Minister and IDF Chief of Staff Gadi Eisenkot and Yechiel Tropper, a member of the Knesset and close confidante of Gantz, have just left the Satanjahu regime.

Soon the truth about the crimes of the Synagogue of Satan will be known to everyone.

At the funeral of the great rabbi Simeon Ben-Iudah in 1869, Rabbi Reichorn, for example, made the following speech: "Thanks to the terrible power of our international banks, we have forced Christians into numerous wars. Wars are of particular value to Jews, because Christians sacrifice each other and us, the Jews, Giving more space. Wars are the Jewish harvest, and the Jewish banks are fattened by Christian wars. Over 100,000,000 Christians have been wiped out of the face of the earth by war, and it is not over yet."Synagogue of Satan p. 37

The re-education of the people will follow the overthrow of the Satanists. As the following clip shows, the US school system has been owned by bankers such as the Rothschilds, JP Morgan and the Rockefellers for over a century.

0:00 / 0:41

The truth is about to free the sheep.

An example of what free people do instead of waging senseless wars is the massive tree planting movement that takes root in Africa. Thousands of farmers exchange their barren fields for lush, diverse forest gardens that feed their families, improve the soil and increase the tree population. This is part of the Great Green Wall Initiative of the African Union, an 8,000 km vegetation barrier that is supposed to stop the desert

from penetrating. According to the Guardian, "this will be the largest natural structure on the planet". <https://www.thecooldown.com/outdoors/trees-for-the-future-africa-reforestation/>

It is just a little foretaste of the things that people will do if they can plan their future themselves instead of being forgotten by Satanists.

Once the West is cured of its satanic infection, it will make up for all the evil that has been done on its behalf. We will soon reach for the stars.
