

Part 1: Truth, Cabal, Jews&Satan, Aryans, Noah

Andrew Jackson waged a war against the world bankers in an attempt to protect US citizens from falling under their control. The international financiers have a certain *modus operandi*: take control of the money supply to gain limitless wealth, use that wealth to buy political power over a nation, then use that political power to forward their agenda of world domination. Jackson knew that if these international bankers gained control over the US banking system, then our politicians would one day become their puppets and we their slaves.

He was not wrong.

So, before I begin, I'd like to ensure that we establish a few ground rules. These are always a good reminder before beginning research:

<https://files.catbox.moe/fpkvtr.jpg>
<https://files.catbox.moe/ya9uj.jpg>

First, I need to provide a bit of background on these international bankers and their supporters. These international bankers against whom Jackson fought all happen to be Jewish. As they gained greater power through their financial efforts, they were eventually capable of using their wealth to influence entire nations by funding/allying with royal families. Together, they formed a very small clique who now control a vast majority of the world's wealth. In fact, they have so much wealth and power that these families can make it so they do not even appear on lists of 'the wealthiest people in the world'. In other words, they are so wealthy that they do not even count as being wealthy: *they are in an entirely different category altogether.*

As an example of how wealthy these individuals are, here is an infographic about one of these Jewish families. They are the Rothschilds:

<https://files.catbox.moe/z6dy8u.png>

This small clique of families, which includes but is not limited to the Rothschilds, are often referred to as the 'Cabal', but the Cabal, itself, originated as an ancient religion called the 'Kabbalah'. The Kabbalah is closely associated with the ancient Hebrew religion and involves various occult practices. It also has connections to the Jews referenced in the Bible as the 'Pharisees'.

Unlike what many people commonly believe today, these Jewish Pharisees did not just disappear after the New Testament came to a close. They continued living and continued practicing their Kabbalah religion which today is now called *Judiasm*. Those who practice this occult religion are often referred to as *Jews*.

But to clarify, the term 'Jew' can mean many different things, but for the purpose of this report, it refers to anyone who adheres to the religious practices of the Kabbalah and its religious texts, which sometimes referred to as the 'Talmud'. This excludes certain Jewish sects which reject that Talmud, such as Karaite Jews, as well as certain atheistic

Jews who consider themselves to be Jews merely due to a genetic lineage, but it includes Jewish rabbis who adhere to Talmudic teachings, as well as any person who attends a synagogue led by such rabbis or associates with other Jews who attend such synagogues. It also includes any Jew who lives outside of Israel but whose first loyalties are to Israel.

In short, the Cabal is made up of the Jewish international bankers who fund it, Zionists, Jewish rabbis, and all of their Jewish followers. This whole group is directed by the elite royal families of the world, such as the Rothschilds. These elite families are very secretive and very little is known about them other than that they are always Jewish or have strong Jewish connections.

One quick note about these Jews. They often call themselves 'God's chosen people'. They make this claim not because it is true or even because it is supported by religious texts; rather, they make this claim because of the benefits they gain for deceiving others into believing that God has bestowed upon them this 'elite status'. This "privileged" status is often used to avoid legal problems, unduly sway Christian opinion, and to unjustly reap financial benefits.

On the contrary, according to Biblical texts, the true people 'chosen by God' are the *descendants* of Abraham. This references a *genetic* lineage.

"On that day the Lord made a covenant with Abram and said, 'To your descendants I give this land, from the Wadi of Egypt to the great river, the Euphrates.'" -Genesis 15:18

But here is the problem: if God's chosen people are selected due to *genetic* lineage, then why do practitioners of Judaism resort to evangelism?

Here is an example: *"Woe to you, teachers of the law and Pharisees, you hypocrites! You travel over land and sea to win a single convert, and when you have succeeded, you make them twice as much a child of hell as you are."* -Matthew 23:15

If we keep in mind that no one is born with a religion, and that every adherent to any religion must have at some time been converted to that religion, and if we also bear in mind that God's 'elite status' has only been bestowed upon the *descendants* of Abraham, then we must conclude that it is impossible for Jews to claim to be 'God's chosen people' on account of their *religious* practices.

In short, the Jews are deceiving Christians into believing that those Jews are 'God's chosen people'. On the contrary, Jesus, himself, makes it clear as to who has chosen the Jews. In the following image, you can see that Jesus calls the Jewish Cabal the 'children of Satan':

<https://files.catbox.moe/0n8vm9.jpg>

Of course, Jesus said these things for good reason. Here are some references from the Jewish Cabal's Holy Book:

<https://files.catbox.moe/m4inic.png>

As one final example, I offer Jesus' argument that the Jew's holy texts are simply man-made ideas:

"Some Pharisees and teachers of religious law now arrived from Jerusalem to see Jesus. They asked him, 'Why do your disciples disobey our age-old tradition? For they ignore our tradition of ceremonial hand washing before they eat.'

Jesus replied, 'And why do you, by your traditions, violate the direct commandments of God? ...you cancel the word of God for the sake of your own tradition. You hypocrites! Isaiah was right when he prophesied about you, for he wrote,

*'These people honor me with their lips,
but their hearts are far from me.*

Their worship is a farce,

for they teach man-made ideas as commands from God.'"

-Matthew 15:1-9

Now, as you have seen from the above references, the people who call themselves 'Jews' today are not the followers of Peter, James and John, as many seem to believe; rather, they are of the followers of the Pharisees and the enemies of both Christ and this world.

I mentioned all of this only so that you would have a background understanding of these international banking elite Jews, as well as a small understanding of their religious belief system. This understanding is important for what follows in this report.

In short, these international banking Jews believe that they are the masters of the world, and their religious texts demonstrate that they view all other people as mere cattle to be enslaved. They also believe that if any cattle resist their enslavement, those cattle must be *slaughtered*. (Their word for cattle is 'goyim' (plural) or simply 'goy' (singular).)

This brings us to the *Aryans*.

The word 'Aryan' is a scientific term often used in the previous centuries to describe a particular race of men, but which has fallen out of more recent use due mainly to the fact that Hitler often used this term.

So, what is an Aryan? Many years ago, there was a man named Cyrus the Great. His life story was recorded in Xenophon's historical account entitled the *Cyropaedia*. Cyrus founded a great civilization in Iran. Cyrus's people became the strongest, most civilized race of men in ancient history, and they spread out across Europe to establish all of the great ancient civilizations in the ancient world. As they spread throughout the world, these people were called by the land of their origin: Ar-yan = Ir-yan = Ir-an = Iran. So it appears that the Aryan race were the descendants of Cyrus the Great; at least, this was the earliest reference to the term that I could locate.

Just as these people who settled into the new lands called themselves Aryans, their descendents in these new land again settled into newer lands, calling themselves by the new lands of their own origins. For example, some Aryans settled into the Caucas

mountains, but their descendents who came from the Caucus mountains called themselves Caucasians, and likewise for the Angos who settled in England (Anglo-land) and the Saxons in Germany. However, each of these races originally descended from the Aryans who originated under Cyrus in Iran. Since each of these fair-skinned races originated in Iran, they are collectively called *Aryans*.

As a side note, it has been postulated that these Aryans were, themselves, one of three originating races of men, who were themselves, the sons of Noah. The fair-skinned Aryans, it has been suggested, were descendents of Japheth, the son of Noah, whose families settled in the Middle-East and later into Europe after the Great Deluge. In turn, the second race of men, known as the Semitics, it is claimed, were the descendents of Shem, the second son of Noah, whose families migrated into Asia after the Flood (Shem > Shem-ites > Semites). Lastly, a dark-skinned race of men known as Negroes are claimed to have descended from Noah's last son, Ham, and whose families settled into Africa after the Flood.

Part 2: Races, Aryans, IQ, Kalergi Plan, Luther

It is important to point out that there is much contention over the specifics of these ancient peoples. Some have suggested that the Negroes are actually Semitics, whereas the Asians are the descendents of Ham. Unfortunately, I am not well enough versed in ancient history to offer any further advice as to the accuracy of this information.

However, what is important is understanding that the races of men have developed distinct racial characteristics and distinct behaviors which are unique to their race. For the purpose of this report, the race and behaviors which concerns us the most is that of the Aryans. Their defining racial trait is their desire to live free in this world.

And that trait poses a terrible problem for the elite Jewish bankers. Remember that these Jewish bankers want to become the masters of this world, and their religious texts demonstrate that they view all other people as mere cattle to be enslaved. Unfortunately, Aryans have a bitter distaste for enslavement, and because of this, the elite Jews view these Aryans little more than "cattle" fit for the slaughter.

...but more on this in a moment.

First, I'd like to point out a few more defining characteristics of the Aryan race. These racial features are what causes Aryans to so desire freedom.

The first important racial attribute is that Aryans are a trust-worthy people, and because of this, they are very trusting of others, and tend to form strong emotional bonds with those around them. These bonds result in a kind and generous people who are strongest when they are with their friends and allies. Here is a great example I found of Aryans being Aryans:

<https://files.catbox.moe/clcyhx.jpg>

The ability of Aryans to empathize with others is the Aryan's greatest strength, but it is also their greatest weakness, because it makes them easy prey for shysters, liars and smooth-tongued scam artists, who view Aryans as little more than an easy mark. Aryans are a trustworthy people, but this has allowed non-Aryans to infiltrate into the civilizations they have built, corrupt them, and then eventually bring about their ruin.

A second defining trait possessed by fair-skinned Aryans is the fact they have managed to preserve a high level of IQ. Here is a graphic showing the results of IQ testing performed on white Americans, black Americans, and the African race:

<https://files.catbox.moe/r09tg6.jpg>

The following graphic is provided simply to illustrate the authenticity of the previous graph:

<https://files.catbox.moe/pv7eqv.jpg>

It should not need to be noted that 'skin tone' does not *cause* low IQ, but the correlation between these two features is clear, and for a distinct reason: both skin tone and intelligence are racial features; that is: they are genetic. Since both skin tone and intelligence are genetically inherited, it should not surprise us that they correlate with such a high degree of accuracy. More over, since high IQ levels are required for self government and criminal abatement, it should also not surprise us that low IQ directly correlates to both totalitarian forms of government as well as the degenerate criminal actions. All of these points are demonstrated in the following graphic:

<https://files.catbox.moe/711n2f.jpg>

A very common misconception is that individual IQ is determined by socio-economic factors. However, while socio-economic factors do play a very minimal role in intelligence, an individual's racial traits play so much larger of a role as to make socio-economic factors negligible:

<https://files.catbox.moe/xp17wy.jpg>

<https://files.catbox.moe/wx8olw.jpg>

It is important to note that the threshold for one to be considered 'mentally handicapped' is having an IQ of less than 85. As suggested by 'skin-tone' graphic above, this number was selected seemingly because once a population's IQ drops below 85, they lose the ability to satisfactorily govern themselves and can no longer survive except only under totalitarian forms of government which control these people through a draconian justice system.

Of course, these scientific facts suggest that most blacks and almost all Africans are born 'mentally handicapped' and ought to be considered unfit for equitable citizenship within any free state.

When this inconvenient truth was discovered by IQ testers in the 70's, the threshold for "mental retardation" was quickly and silently adjusted down to 70:

<https://files.catbox.moe/la8r4a.jpg>

The important take-away that I am trying to make is not that skin tone leads to criminal behavior, but that skin tone, IQ and behavior are all *racial* attributes. The correlation between skin tone, IQ and behavior is a direct result of them being racial attributes. The importance of this fact will come into play shortly when we discuss the Kalergi plan, but until this, I will offer one more piece of evidence to support this thesis:

<https://files.catbox.moe/auf90x.png>

One last thing that should be noted about the above data is that our current racial classification system does not account for Aryan descent nor skin tone, but instead uses a very subjective and vague qualification system that merely uses an individual's racial self-identification. That is to say: many who are classified as "white" are not actually *Aryans*, and this can lead to distortions in the data. For example, the amount of crimes committed by "whites" in the above graphic is disproportionately high, and that the criminal behaviors of actual Aryans is much lower than the above data suggests. This is demonstrated by the following example consisting of four "white" criminals:

<https://files.catbox.moe/pixkcs.jpg>

Despite these complications surrounding racial IQ, the most important take-away is that different races have differing IQs and differing racial behaviors, both of which result in different races have different capabilities of adequately governing themselves, and it is for these racial reasons why Aryans are willing to fight for their freedom.

In short, Aryan empathy and trustworthiness, plus Aryan high IQ, plus the Aryan willingness to fight for their freedom, all work together to pose a very serious threat to the elite Jewish bankers' plans for world domination. As a result of this, Jews intend on bringing about the complete genocide of the Aryan race.

Aryan Genocide is sometimes called 'White Genocide', but originally, this plan was called the *Kalgeri Plan*.

Their plan is two-fold: first, eliminate the strongest and bravest Aryans through repeated wars. Then immigrate low IQ Africans into Aryan cultures with the intent of race-mixing so that the next generations will be a new race of brown people, who have a high enough IQ to work, but a low enough IQ so that they will never present a threat to Jewish financial enslavement.

In short, by eliminating the white Aryans, the Jews will have forever established their rule over this Earth:

<https://files.catbox.moe/wetlz6.jpg>

<https://files.catbox.moe/im370i.jpg>

<https://files.catbox.moe/inwjt2.jpg>

<https://files.catbox.moe/r7e0es.png>

To sum up: these international banking Jews believe that they are the masters of the world, and their religious texts demonstrate that they view all other people as mere cattle to be enslaved. They also believe that if any cattle resist their enslavement, those cattle

must be slaughtered. Since the Aryan people pose a threat to this Jewish plan, the Jews have begun implementing the Kalergi plan in an attempt to genocide white people by replacing the freedom-loving Aryan race with obedient slave-race of mixed Negroids.

The Kalergi plan is not the first time the Jews have attempted to seize power over others. Historically, the freedom-loving Aryans have always fought back against Jewish subversion, and time and time again, patriotic Aryans have thwarted the Jews' plans. As a result of this, the Jews have come to desperately hate Aryans. In fact, they hate Aryans so much so that a term has even been invented for this hatred: *loxism*. Here are a few examples of loxism in action:

<https://files.catbox.moe/fr7xpo.jpg>

<https://files.catbox.moe/rue1ry.jpg>

Everything which has come before this has been intended as background for understanding everything that follows.

Next, I will provide several examples of the Jewish Cabal implementing their plans throughout the world.

Martin Luther in his book, *The Jews and their Lies*, (which is found here <https://files.catbox.moe/k67pui.pdf>), Luther claimed that if this Jewish Cabal ever managed to seize control over an entire nation, then the massacre of Christians would soon follow. In Luther's time, he did not foresee it as a possibility that the Jews could seize total political power in any nation; however, over the next few centuries, the elite Jewish bankers would rapidly increase their wealth, and with it, their ability to seize political power.

The Jews finally gained direct control over their first nation in 1917. The elite Jewish international bankers financed, infiltrated, and then instigated a national coup in Russia, and after assassinating Tsar Nicholas II, they had finally done what Luther never thought possible: they seized absolute power.

Luther's words would prove to be terribly and horribly prophetic, because the first task of the new Jewish rulers was to create the greatest mass-murder of white Aryan Christians the world had ever seen.

It is vital to understand that the Bolshevik revolution in Russia during 1917, which led to the mass genocide of Russian Aryans, was really a *Jewish* revolution:

<https://files.catbox.moe/p267rl.png>

<https://files.catbox.moe/0ziu9s.png>

<https://files.catbox.moe/di384d.jpg>

Here is a British report on the danger that Jewish Bolshevism represented, and the fear that if left uncontested, the Jews would spread their power across the world in hopes of world domination:

<https://files.catbox.moe/7j5tx6.png>

An American Intelligence report stating that 79% of the Bolshevik Commissars were Jewish, most of whom were *American* Jews who went to Russia for the purpose of establishing Jewish rule in Russia:

<https://files.catbox.moe/9uv7qc.jpg>

Bolshevik leaders were Jews:

<https://files.catbox.moe/v972lb.png>

Further proof of Karl Marx's ancestry:

<https://files.catbox.moe/yqkbh0.png>

After seizing power in Russia, the Jews starved over 7 million Aryans as part of their plan to secure their power. This terrible atrocity later came to be called Holdomor. Why did the Jews intentionally bring about this genocide? ...because it was "good for the Jews."

<https://files.catbox.moe/sdo0dh.png>

Their plan, which allowed them to so effectively seize power in Russia was also attempted in Germany at the end of WW1. In 1918, the Jews led an army of over 2 million people in an attempt to seize power over Germany so as to create a second Holdomor in Germany. It is no coincidence that all of the revolutionary leaders of this coup in Germany were Jewish:

<https://files.catbox.moe/98jmgm.png>

Unfortunately for the Jews, the Germans were more aware of the Jews' sinister ploys, and a free company of German Aryans rose up to quell this Jewish insurrection. After this insurrection, the Weimar Republic was set up in Germany.

After their failed attempt to seize complete political power in Germany, the Jews began the process of weakening the German people by infiltrating the Weimar Republic. They accomplished this with the wealth from their international bankers, and used that wealth to gain control over the German media as well as to buy influence with the German politicians. They used their wealth to gain control over German schools as well. Through these three areas, the Jews began to push degeneracy into the Germany culture.

Understand that Aryans are a trustworthy people, and this included the Germans who were of Aryan descent. It also explains why the Germans were so trusting of the

powerful bankers who suddenly took such interest in their nation after the fail coup. Many Germans did not realize what the Jews were doing to them until it was too late.

The following graphic explains the degeneracy that the Jews pushed upon the unsuspecting and trusting Germans. You may not want to read all of the following, but to gain a full understanding of the vileness of the Jewish plan to sow degeneracy and discord, I suggest you at least read up until the part involving the poor, poor goose.
<https://files.catbox.moe/ewbmis.jpg>

Why create this kind of degeneracy? It is because of control. For the Jews, it is always about how to take control over the goyim. A degenerate population is easy to control and enslave. When Aryans are left to themselves, they grow large, happy and industrious families, who in turn, build large, powerful and free nations. These nations are difficult to control and will put up resistance when their freedoms are infringed. On the other hand, a degenerate population is too busy pursuing their degenerate desires to much care whether or not anyone has suppressed their freedoms.

Degeneracy is about control.

So the Jews pushed degeneracy upon the German people, and these Germans, who falsely believing these international bankers were like themselves, allowed them to degrade their nation and their children, realizing only too late what was happening.

The degeneracy being pushed by the Jews during the Weimar Republic was the key factor that led up to the events surrounding Hitler's Third Reich and WW2. For this reason, it is important to understand the terrible conditions that the German people were facing while under the rule of Weimar.

Besides moral depravity, the treaty of Versailles (which was enacted after WW1), resulted in an economically destroyed Germany. This treaty unfairly and unduly punished the German people for a War they were not even responsible for starting. It also disarmed the Germans to the point that their enemies were capable of (and did!) march onto German land and enslaved Germans at gunpoint. This happened in the Ruhr between 1923 and 1925. Moreover, the treaty seized German lands and delivered those lands to other nations. This forced the German people living on those lands to fall under the jurisdiction of those other nations. One particular point of contention was the Danzig Corridor, where Polish Jews used their political power and influence to massacre the newly annexed Germans. So many German men were murdered and so many German women were raped by the Polish Jews, that over a million Germans were forced to flee their homes.

Why did Poland lead the attacks against Germany? Could it be because there was a veritable army of Jews in Poland with which the Jewish Cabal could command to do their bidding?

<https://files.catbox.moe/wuxyss.jpg>

With wanton moral decay infecting the heart of German, coupled with the financial ruin of her countrymen, and combined with direct attacks against the German people from enemy nations on every side, Germany during the Weimar Republic was on the utter brink of despair.

Then Hitler rose to power.

The first thing Hitler did was expel the Jewish central bank so that the German people were no longer enslaved to Jewish usury. Then he prevented the Jews from controlling the media to once again free the minds of the German people. Last, he then put an end to the tyrannical reign of Jewish degeneracy that had been push upon his people:

<https://files.catbox.moe/zlelf0.jpg>

<https://files.catbox.moe/w83tsk.jpg>

By simply eliminating Jewish influence in Germany, Hitler turned the worst economy in Europe into the strongest in the world. It only took five years!

From the brink of utter despair, the Germans rose to become the mightiest nation in Europe, and all it took to accomplish this was to give these Aryan people 5 years of freedom from Jewish enslavement.

But the Jews would not have it. They could not allow *any* Aryans to live free. Moreover, what if news of their freedom began to spread to the enslaved Aryans in other nations? What if other Aryans awoke to the chains the Jews has secreted over them in the black of night? The entire Jewish plan for world domination might come to ruin! And so the elite Jewish bankers declared war Germany *in 1933*:

<https://files.catbox.moe/z3y3e4.png>

Before WW2 even began, Jews were demanding the extermination of all white people: starting with those in Germany. Was it really Hitler who started WW2? Or is that just what the Jews want us to believe? Was Hitler really the aggressor, especially since the Jews had been waging war against the German people for the past 6 years?

I wonder (((who))) wrote the following: "nothing but the complete extermination of whites" ...of WHITES???

<https://files.catbox.moe/was0vz.png>

And then there are these:

"The fight against Germany has now been waged for months by every Jewish community, on every conference, in all labor unions and by every single Jew in the world. There are reasons for the assumption that our share in this fight is of general importance. We shall start a spiritual and material war of the whole world against Germany. Germany is striving to become once again a great nation, and to recover her lost territories as well as her colonies. But our Jewish interests call for the complete destruction of Germany..."

– Valadimir Jabotinsky (Jew), in Mascha Rjetsch (January, 1934)

“Germany is the enemy of Judaism and must be pursued with deadly hatred. The goal of Judaism of today is: a merciless campaign against all German peoples and the complete destruction of the nation. We demand a complete blockade of trade, the importation of raw materials stopped, and retaliation towards every German, woman and child.” – Jewish professor A. Kulischer (October, 1937).

“Our fight against Germany must be carried to the limit of what is possible. Israel has been attacked. Let us, therefore, defend Israel! Against the awakened Germany, we put an awakened Israel. And the world will defend us.” – Jewish author Pierre Creange in his book *Epitres aux Juifs* (1938)

“Germany must be turned into a waste land, as happened there during the 30-year War.” – Das Morgenthau-Tagebuch, *The Morgenthau Diary* (p. 11)

“Kill the Germans, wherever you find them! Every German is our moral enemy. Have no mercy on women, children, or the aged! Kill every German — wipe them out!” – (jewish) Ilya Ehrenburg, Glaser (p. 111)

“In losing Germany, Jewry lost a territory from which it exerted power. Therefore it was determined to reconquer it.” – Louis Marschalko, *The World Conquerors : The Real War Criminals*

Part 4: WW2, Holocaust, 6 Gorillian

After reading these quotes, is it really all that shocking the Polish Jews attacked and murdered Germans who were now, because of the Treaty of Versailles, living in Polish territory? Is it really shocking that these Germans fled for their very lives into Germany, begging Hitler to protect them and their children?

Of course it is not shocking at all.

What is shocking, however, is the extreme patience with which Hitler responded to these Jewish attacks. Time and time again he pleaded to the League of Nations that Poland should immediately cease its genocide of Germans. Twelve times, Hitler negotiated for a peaceful solution to prevent the ruthless murder of his people, and 12 times his offers were rejected until at last there remained only one means left for him to protect his people...

The international Jewish Bankers were headquarter in London, and they controlled the media outlets across most of the world, but must assuredly in England. They used this power, coupled with their puppet Churchill, to manipulate the English people into bringing war to Hitler. War was what the Jews wanted. Nothing else would suffice:
<https://files.catbox.moe/gg9ean.jpg>

Others knew that Hitler wanted peace but that the elite Jews demanded war. Here are a few examples:

<https://files.catbox.moe/yzr13n.png>
<https://files.catbox.moe/767d6w.jpg>

"Poland wants war with Germany and Germany will not be able to avoid it, even if it wants to." – Rydz-Smigly, Chief inspector of the Polish army in a public speech in front of Polish officers (Summer 1939)

"It will be the Polish army that will invade Germany on the first day of war." – The Polish ambassador in Paris (August 15, 1939)

"We will force this war upon Hitler, if he wants it or not." – Winston Churchill (1936 broadcast)

Hitler never wanted war, but he was given no other choice. Moreover, Hitler knew what the Jews had done to the Russian Aryans, and he saw the Jewish hand in what was happening now. He knew they would not stop until every German Aryan was exterminated. But mostly, Hitler knew that the Jews were beating the war drums in Soviet Russia, and they had only one goal in mind: world domination through the subjection of every nation to Jewish communism. Hitler knew it, and we know that he knew this because he wrote about it in *Mein Kampf*. The fact that he recorded all of this is precisely why the Jews have demonized and banned his writings. The Jews feared that if others read his works, then they might also wake up to the Jewish plans for world domination.

Historical fact #1: *Hitler never wanted war.* Although history books claim Hitler was the war monger who was met with concession after concession until the final declaration of war only after Germany invaded Poland without any reason, the reality is quite different. It was Germany who was under attack by the Jews, both financially by the Jews in London, as well as direct attack by the Jews in Poland. Hitler merely wanted to free his people from Jewish financial enslavement; he merely wanted his people to taste freedom that they might live as men ought to live.

...and for 13 years, the German people knew what it was to be free.

<https://files.catbox.moe/hjrdj7.jpg>

Hitler's great sin was to free the German people from Jewish enslavement, and for that dastardly crime, Hitler was demonized and the German Aryans were genocided.

<https://files.catbox.moe/d9ogv0.jpg>

But wait...Hitler is still a terrible person for genociding 6 million Jews in the Holocaust! Even considering that the elite Jewish Bankers wanted to genocide the Germans, the poor Jewish women and children did not deserve to be murdered in gas chambers!

Well, this leads to historical Fact #2: Hitler did not systematically kill anyone. The "holocaust" was a great propaganda lie used to deceive the masses. Its purpose was to demonize Hitler so that no German would again dare stand up to their Jewish overlords. Yes, Hitler put Jews into internment camps, just as Americans put Japanese-Americans

into internment camps. And yes, many of those people who had been placed into these camps did unintentionally die from disease and later from malnutrition which resulted from allied bombing of the Germany supply routes; but *no*, Hitler did not intentionally kill anyone.

In fact, Hitler even attempted at great expense to use gas chambers to save the lives of the Jews and other inmates at the concentration camps. This occurred because deadly typhus was spreading among these camps. Typhus is carried by lice. In order to protect the inmates from contracting this deadly disease, Hitler had decontamination gas chambers constructed. These chambers were designed to gas *articles of clothing* so that the lice would be killed, thereby protecting the inmates from the deadly disease. *The lice was gassed so that the inmates could live.*

Delousing Chambers:

<https://files.catbox.moe/qr2yd4.jpg>

<https://files.catbox.moe/izb9dw.jpg>

But aren't there records of Hitler ordering the deaths of 6 million Jews?

-Actually, no. No such records exist:

<https://files.catbox.moe/24fa5l.png>

In fact, the very opposite is true. There exists records which show Hitler was desperately attempting to keep the prisoners alive!

<https://files.catbox.moe/98e1xv.png>

But what about all of the dead bodies they found in mass graves?

Again, the opposite is of this is actually true. No mass graves of Jews slain by Germans were ever found. Here is one example:

<https://files.catbox.moe/9fabhq.jpg>

But what about all of the eye witnesses? Surely they wouldn't all be lying!

Actually, all of the major holocaust story-tellers have actually be caught in their own lies, time and time again. Here is one example of many:

<https://files.catbox.moe/k30ewm.jpg>

More over, every supposed "eyewitness" who has ever been brought to testify at court concerning the Holocaust has admitted his on the stand that his eyewitness testimony concerning the Holocaust was fabricated. In fact, the cross examination of Holocaust 'survivors' was so devastating to the holocaust lie that immediately following the court hearing, it was made illegal to require holocaust "eyewitnesses" testify in court. *Why should it be made illegal to call Holocaust survivors to testify under oath?*

But what about the terrible living conditions at the camps?! The concentration camps themselves were a crime against humanity!

Actually, concentration camps were relatively nice places to live, considering the circumstances. The inmates had rabbits, could garden, and went on picnics outside the walls. The Germans built schools for the interned children and nurseries for the babies who were born to the inmates during internment. There was a hospital and an advanced dental facility equipped with the latest equipment. The inmates even had access to a swimming pool to relax in, got weekends off, organized an orchestra, watched movies in the theatre, put on plays, competed in soccer leagues, they even earned money for working, and could relax on their off-days with a dip in the swimming pool. *And they were never charged for rent.*

What do the contemporaries of the day say about the horrible holocaust: oh, that's right... there was no mention of it at all, as if it never happened.

<https://files.catbox.moe/aqpl4a.jpg>

In fact, in this image of a 1965 encyclopedia, the Holocaust, which is today's defining event of WW2, was completely excluded as if it never happened:

<https://files.catbox.moe/flbudg.jpg>

But didn't 6 million Jews really die?

No, 6 million Jews did not die. The Red Cross regularly visited the concentration camps and they reported the number of deaths at 271,304 of all prisoners, including both Jews and non-Jews.

<https://files.catbox.moe/ub7ar6.jpg>

We also have records from various almanacs and other sources who tracked this data:

<https://files.catbox.moe/ks2fr6.jpg>

If 6 million Jews were not killed, then why are we constantly told again and again that 6 million Jews really did die in a Holocaust?

Well, we can answer this question by first asking why have the Jews claimed that 6 million Jews have been repeatedly holocausted *hundreds* of times just in the last century:

<https://files.catbox.moe/m279cb.jpg>

In fact, they are still at this today:

<https://files.catbox.moe/p41k9h.jpg>

<https://files.catbox.moe/0tbxzy.jpg>

The reason why they say 6 million is because this number is a religious number that has spiritual meaning in their religious texts. The number has nothing to do with truth or reality; it is simply the number that is used when the Jewish leaders want to put forward a particularly important agenda. The question we should ask is what agenda are they trying to push *this* time?

In summary, *no*, a Jewish holocaust of 6 million Jews never occurred. Yes, Jews (and non-jews) were placed into internment camps. Yes, Jews (and non-jews) did die during the war, and yes, some Jews (and non-Jews) did die while inside internment camps, but these deaths occurred due to unintentional disease that the Nazis were putting every effort into preventing. Deaths also occurred due to unintentional malnutrition as a result of the allies bombing the civilian supply routes which the Nazis were using to transport food to the camps.

On the other hand, a very real holocaust *did* occur after the European theatre of WW2 came to a close. The real holocaust happened to the *German* soldiers who surrendered. As many as a million German soldiers were starved to death after Eisenhower signed an order which allowed the allies to circumvent the Geneva Convention requirement that POWs must be fed.

Part 5: Patton, Nazis

I am hoping that by this point I have convinced you the Holocaust (the *intentional* destruction of the Jewish race by Nazi Germany) has been fabricated to disguise the fact that the war against Germany was contrived by Jewish bankers in order to defeat Germany's economy before the rest of the world woke up to the idea of freeing themselves from their tyrannical usury. However, if you still have lingering doubts about whether or not the Holocaust happened, feel free to visit the following website for additional verification of these facts: <https://holocaustdeprogrammingcourse.com>

Regardless as to your beliefs of the holocaust, I wanted to ensure you were given the above link as a reference. It contains an overwhelming amount of invaluable primary-source information on the subject.

...

After speaking with various Germans he had taken prisoner, and after witnessing the atrocities committed upon the German people by the Bolshevik Jews who captured Berlin, US General George S. Patton realized that the United States defeated the wrong enemy. Patton felt the U.S. should have allied with Germany to destroy the Bolshevik Jews.

<https://files.catbox.moe/mf0e0e.png>

For his beliefs, the Jews had Patton assassinated. Why was the greatest US General smeared in the US media and then *murdered*? He was killed for the same reason Hitler was killed: "The best of the Gentiles should be killed." -Abodah Zara 26b

The best Gentiles pose a threat to Jewish world domination. Therefore, *they must die*.

...

"Ok, so the Nazis didn't start WW2. They were simply defending themselves from the tyranny of oppressive Jewish bankers hell-bent on world domination. Moreover, the

Nazis didn't actually intentionally kill any one. They did not even intentionally kill the Jews, despite the fact the Jews had actually been intentionally massacring Germans in the Danzig Corridor. But, weren't the Nazis still evil racists since they thought they were Aryan supermen and therefore better than everyone else?"

Actually, this is not true either. The Nazis simply wanted to live free, but they also wanted this for *all* races, not just the Aryans:

<https://files.catbox.moe/8et8ex.jpg>

"But what about all of those pictures of those evil Nazis doing all of those evil Nazi things to other people?"

Actually, those are fake images created by the Jewish Bolsheviks as part of their propaganda efforts. In fact, the following image is actually what first caused me to doubt what I had learned in school about WW2. When I saw this image, I recognized several of the photos in the left column from my high school class about the Holocaust. When I then realized that the images on the right were originals (e.g. when the female was added to the 4th image down, the gun on the truck behind her was removed so as to better accentuate the female by making her profile more pronounced and startling; this would only have been done if the image on the left had been faked for the purpose of causing a negative emotional effect on the viewer). Since these images on the left were fake, and since they were being used to "educate" people in American schools, it caused me to wonder why "faked" images were even necessary. After all, if the Nazis actually did commit mass-atrocities, then certainly there must exist images of them committing said atrocities, and so faked atrocities should not be necessary. There should only exist faked atrocities if the Nazis never committed mass-atrocities. And yet, the fakes do exist...

<https://files.catbox.moe/76s6bb.jpg>

Then there is the actual mass-atrocities committed by the Jewish Bolsheviks, such as when the Bolsheviks dressed up in German uniforms and then took photos of themselves committing war crimes to be later used as propaganda:

<https://files.catbox.moe/ffukls.jpg>

Notice the soviet gun in hand of the shooter, and also notice the men in the photo had distinctive narrow facial structures often seen in eastern Europe as opposed to the wider facial structures which are more often seen in Germans:

<https://files.catbox.moe/3irgcl.jpg>

Historical Fact #3: all of the terrible things we are told the Nazis did during WW2 were actually committed by the Jewish Communists:

- Holdomor = a real holocaust of Ukrainians
- Torchman command = real holocaust of more Ukrainians
- Danzig Corridor = real holocaust of Germans
- Churchhill demanding war when Hitler sought peace with the British
- British air bombing of civilian targets
- French enslavement of Germans at the Ruhr
- Eisenhower death camps = real holocaust of Germans

-American bombing of civilian targets, including German supply routes that caused mass-starvation in the concentration camps
-and many others...

When I realized that everything I had been taught about Hitler and the Nazis was a lie, it made me wonder what the Nazis really were like? After a bit of research, I learned the interesting fact that they are not even called Nazis. They are *National Socialists*. The fact most people do not even know the real name of the Nazis is a good indication that something foul is afoot. How is one supposed to perform proper research about National Socialism if one does not even know National Socialism exists? If one researches *Nazis* (instead of *National Socialism*), one's research will be limited to only the Bolshevik and American propaganda which was created about the Nazis, and one will never locate the real historical accounts of National Socialism.

This is *intentional*.

So, what is a National Socialist?

To be a "Nazi", one must desire unity among his family, friends, and fellow citizens. He must establish equality of rights among his people, the securing of private property for the individual, and he ought to aspire to the practice of honorable citizenship in the patriotic service of his people. A Nazi is someone who opposes illegal immigration, and is vehemently against abortion, which only serves to hinder the growth and strength of families. A Nazi must have a desire to fervently work to improve the lives of his children, must support traditional family values while promoting individual responsibly. A Nazi strives for free-market capitalism by opposing economic policies based upon either monopolies or socialism. He is also against any form of slavery, particularly financial slavery commonly called 'usury'. Nazis expect that children ought to help their parents and those that went before them, just as the parents ought to help their children and those who come after them. To be a Nazi, one must uphold righteous law by opposing immoral criminal behavior of every kind, and take the necessary steps to prevent immorality, decadence, lasciviousness and depravity. A Nazi opposes degeneracy in all of its forms, whether moral degenerate acts, or the degeneracy of ill health within his people, and actively work to eliminate both. He must also expect that children deserve and should receive an education worthy of their ability, and one that is capable of helping those children to become patriots and soldiers who are willing and able to defend their families against foreign aggressors, domestic criminals, and anyone else who seeks to harm their people. Nazis believe in living a healthy lifestyle. They understand that no one is perfect, but that excellence should always be pursued. Nazis believe that lies and deception in all forms should be opposed. A Nazi is one who is willing to sacrifice even his own life if it is for the good of the community. And above all, a Nazi loves freedom and will put his belief of God into practice by working to protect, strengthen and secure the future of his noble race.

If you agree with any of these ideals, *you* are probably a Nazi.

As an illustration of what a Nazi is likely to look like today, Reddit has provided the following image. It show group of evil Nazis posing in front of the camera. Moreover, this is not a group of just any old Nazis, but rather, it is a group of FULL NAZIS! In this following image, you will clearly see the unwarranted support of evil nationalism that they portray. You will also see in this picture the evil racist homogeneity of ethnicity that these FULL Nazis love so much, as well as the violent evil smirking with which these kinds of evil Nazis have infected this world. Moreover, the evil smirking of these Nazis is accented by the evil flag that they are holding aloft, apparently for some, unknown but certainly vile and evil Nazi reason:

<https://files.catbox.moe/nh996p.jpg>

That uppity FULL Nazi gang in the above picture certainly looks like they are preparing to commit some terrible shoah upon many poor innocent and unsuspecting Jews. They are likely planning on killing those poor Jews with penis-smashing machines and then turn them into ladies gloves after feeding them to bears and putting them in a death-rollercoaster that drops them off into an Indiana Jones-style death trap room, after which, their babies will be gassed in death showers.

Now, if you think such a thing is ridiculous and absolutely unbelievable, well...

 Part 6: Jews

"Wait, so are you saying the Nazis were the good guys in WW2?!!!"

Well, *I* am not saying this. The historical facts are saying this. I am just the guy who is pointing out the historical facts, and *yes*, that is correct: the historical facts demonstrate the Nazis were the good guys, at least in the sense any innocent person who tries to defend himself is the 'good guy'.

Think of it like an analogy: the Nazis were like the little boy on the school playground who was bullied and was constantly hit and abused by the angry Jewish upperclassman. The Jewish bully stole the little Nazi boy's lunch money day after day and as a result, was forced to go hungry day after day. He was shoved down and humiliated in front of his peers, day after day, until one day, the boy realized he simply could not and would not take this abuse any longer. He stood up from the dusty playground, balled his little fist, and with all the glorious passion his great heart could muster, that little Nazi struck back at the Jewish bully. But then that bully wailed and wailed and wailed. He wailed so loudly that his mother, the schoolyard teacher, came running over to his aid. "What a nasty and wicked and vile little Nazi he was for striking her poor innocent child!" she wailed. She wailed this so loudly and so long that the other teachers at school soon came to believe her. Nor would she be appeased until after they all united to expel forever from school that wicked and vile little Nazi boy.

Likewise, after Hitler's retaliatory strike against the Jews, the Jewish international banking Kaballah wailed and wailed and wailed, and they will not be appeased until the entire Aryan race is genocided from this planet. *They fear losing control.* Hitler stood up to their bullying, and they got the school teachers of the entire world to unite to make an example out of him and his people.

For more information on Germany, Hitler and WW2, and for additional confirmation of the above historical facts, see the documentary: [Greatest Story Never Told](https://www.bitchute.com/video/mZpeJkSNjcA3/)
<https://www.bitchute.com/video/mZpeJkSNjcA3/>

This is a 6 hour documentary that was edited together from other WW2 documentaries. Although this resulted in a lower-quality work, this documentary itself is filled with vital facts and worth every minute of your time to watch.

Fact #5: (and the most insidious of them all): the Jews are still up to their dirty tricks today.

The Jews have decimated the Aryans from Germany, and they are even now trying to eliminate the last remnants of Aryans in Europe and the United States, and like the schoolyard teacher, they will not be appeased until all Aryans are wiped from the Earth.

Concerning Jewish involvement in the United States, I want to provide a brief history of Jewish subversion in American affairs. To begin, the American Revolution was not actually about throwing tea in the harbor to protest the high taxes of the English King George III; rather, it was about getting out from under the financial tyranny of the elite Jewish bankers who were preventing the colonists from controlling their own money supply:

<https://files.catbox.moe/iwupvd.jpg>

And after winning the Revolution, Americans had won the ability to control their own money, and with it, they won their freedom. For the next 100 years, the Americans lived free, though not without Jewish attempts to retake control over American currency. Eventually, after electing the most pro-Jewish president in American history [Wilson], in 1913, Americans once again lost their freedom when the international elite Jewish bankers created a private bank in the US that possessed the sole monopoly on issuing US currency. This privately owned Jewish bank was called the *Federal Reserve* in an attempt to deceive the masses into imagining it was somehow connected to a government entity.

<https://files.catbox.moe/qadt3b.jpg>

After establishing the Federal Reserve, over the next century the Jewish banking elite proceeded to steal for themselves 95% of the value of every dollar that they issued [at interest] to the American people:

<https://files.catbox.moe/zzy618.png>

Using the proceeds from this stolen American wealth, the Jews bought control over key assets within the USA. First, they created a state of their own within the US (a state within a state).

<https://files.catbox.moe/nqe2y6.jpg>

This 'state within a state' was made of up elements within the FBI and CIA. It consisted of a group of Jewish Americans whose first loyalty was to the state of Israel and who, through their American citizenship, gained access to powerful positions within the CIA, FBI and other agencies. They used their positions of power to manipulate the thinking of American nationals:

<https://files.catbox.moe/qt8a63.jpg>

"When EVERYTHING the American people believe is false." *Would 'everything' include the Holocaust? Would 'everything' include National Socialism? Would it include Hitler?*

<https://files.catbox.moe/luffef.jpg>

To further their agenda, the elite Jews used their stolen wealth to gain control over the US news media, social media and Hollywood. This was done to further seize control over the thoughts of Americans:

<https://files.catbox.moe/d4xapp.jpg>

Controlling Americans through Hollywood:

<https://files.catbox.moe/xct3cd.mp4>

Example of the impact the news media has over the minds of Americans:

<https://files.catbox.moe/szp0ed.png>

<https://files.catbox.moe/s3svq7.jpg>

'Truth' is now irrelevant in the news media:

<https://files.catbox.moe/txyhct.jpeg>

Here are examples of social media bias to support the Jewish Kalergi plan:

1. Saying that you want to, intend on, and will shoot, stab, rape and murder white people is completely allowed and NOT considered "hate speech" on Twitter:

<https://files.catbox.moe/ozxauy.jpg>

2. Telling someone that you will find him and kill him "does not violate community standards" on Facebook:

<https://files.catbox.moe/yqd2zn.jpg>

3. Telling others to 'hunt and murder white people in order to bring about their total and complete genocide' is perfectly OK and not considered "hate speech":

<https://files.catbox.moe/8q5ibw.jpg>

On the contrary, saying that you support traditional marriage, well this is very clearly evil bigoted hatred, and your personal beliefs are so revolting and vile that they must be censored as *hate-speech*:

<https://files.catbox.moe/rg92ko.jpg>

Saying, "It is okay to be white," is *obviously* hate-speech, according to the Human Rights Commission:

<https://files.catbox.moe/nsq688.jpg>

How about saying the word: "Honk"??? ...well, no question about it; that's clearly hate-speech:

<https://files.catbox.moe/0yw1fr.jpg>

I saved the best for last: *speechless* music is "hate speech":

<https://files.catbox.moe/rj20a2.jpg>

Here are some examples of the lies pushed by the Jew-controlled media enclave:

Lie #1. Whites are a 'majority':

<https://files.catbox.moe/ugor51.jpg>

Lie #2. 'White Pride' is evil and racist:

<https://files.catbox.moe/q49fr4.jpg>

Lie #3. Whites are 'privileged':

<https://files.catbox.moe/yejp0n.jpg>

<https://files.catbox.moe/rkq4ib.jpg>

<https://files.catbox.moe/i3dspl.jpg>

In reality, being "white" is a *disadvantage*, not a 'privilege':

<https://files.catbox.moe/own5t4.jpg>

Lie #4. Immigrants from the colored races are just like you white people and their only differences are socio-economic...so let them all into your countries:

<https://files.catbox.moe/dbl0jr.gif>

You many not want to read this one:

<https://files.catbox.moe/0nozz0.jpg>

Examples of how the Jew-controlled media pushes the Kalergi plan. Notice that time and time again in the media, it is suggested that white Aryan women are supposed to mate with African men:

<https://files.catbox.moe/nsw8e8.jpg>

However, notice what happens when it is suggested that *Jewish* women ought to mate with African men. Such posts are now suddenly considered vile 'hate speech' and must be censored:

<https://files.catbox.moe/g4jwh0.jpg>

The above censorship of Jewish race-mixing while simultaneously pushing Aryan race-mixing is intentional. It is the Kalergi plan *in action*. To make things worse, the Jews who are pushing this genocide of your children are using money stolen from your bank accounts and out of your tax dollars to accomplish it.

Effects of Kalergi plan:

But isn't Israel our greatest ally?

If Israeli is an *ally* of the United States, then why do Israeli Jews celebrate 9-11 as a victory over their *enemies*?

<https://files.catbox.moe/hfv60g.jpg>

I wonder why pictures like these don't make it to the US news? Answer: Jews own the US news

I wonder why pictures like these don't make it onto social media? Answer: Jews own social media.

Certainly, the Jews do not have this much control over the American people! Someone would have said something, right?

Part 7: JFK, References

Are the Jews really a part of a monolithic and ruthless conspiracy, and are they really covertly expanding their influence throughout the world by means of infiltration, intimidation, subversion and with guerrillas by night? Certainly, no serious mind would say such words...right????

<https://files.catbox.moe/317u7g.jpg>

If, by those words, Kennedy wasn't implying "the Jews", why do you think Kennedy believed this?

<https://files.catbox.moe/1aot94.jpg>

What the international elite Jewish bankers are doing has always been about control over the world. They want a world all to themselves. They will gain control over it by genociding white people by replacing them with low IQ brown people. This will be and has been accomplished by our financial enslavement through the creation of the Federal Reserve, and by then using the proceeds from control over the money supply to seize control over our news media, our history book publishers, our social media platforms, and our education system. All of this was written in their playbook many, many years ago:

The Protocols of the Elders of Zion (this is a 70 page document that explains the step-by-step plan for Jewish world domination; I have included it only as a reference, but feel free to read it when you have time)

<https://files.catbox.moe/1ardfo.pdf>

And like Kennedy, those who spoke out against the Jews were smeared as antisemitics, and those who refused to submit to them were then killed. As was said before: "The best of the Gentiles should be killed." -Abodah Zara 26b

And Kennedy was one of the best.

...

What should be done next:

<https://files.catbox.moe/u0sm98.jpg>

So, in summary: the Jews, who, according to Christ, worship Satan, are trying to seize control over the entire world by implementing the Kalergi plan to genocide the entire Aryan race and replace them with low IQ brown slaves who lack the intelligence to resist their Jewish chains of usury. The elite Jews have seized the money supply of the world through international finance by establishing privately owned central banks in every nation in the world. The wealth stolen through world usury is used to buy the media outlets of the nations, and those media outlets are then used to control the minds of its citizenry. Through the media and through their bribed political puppets, they sway the events of the world toward their ultimate goal: permanent and everlasting control over Earth.
