## NO PROPHECY NEEDED TO TELL THAT DUNCAN WILL LOSE

**DUNSINANE, SCOTLAND** - The Weird Sisters, witches of local notoriety, have prophesied that Duncan will lose the election. We here at Bear HQ thought that it was pretty obvious anyways. Like, just think about it for a second! He's old, frail, and has one foot in the grave. Hell slap it into you, he's going to die as soon as he takes the crown! Every respectable Scottish physician agrees that Duncan is not fit mentally for the throne. "Heavy is the head that wears the crown," says a Dunsinane doctor, "and Duncan's mind is about to crumble faster than your mum's buttered biscuits." At press time, Duncan is still insisting that witches aren't real and their prophecy service is phony.
